Preacher's Opinions

Rev. P. K. McRae, Forks Baddeck, C.B.: "I always count it a pleasure to recommend the Dr. Slocum Remedies to my parishioners. I believe there is nothing better for throat and lung troubles or weakness or run-down system. For speaker's sore throat I have found Psychine very beneficial."

Rev. W. H. Stevens, Paisley, Ont.: "Psychine seemed just the stimulant my system needed. I shall add my testimony as to its efficacy at every opportunity."

Rev. R. M. Browne, Amherst Head, N.S.: "I have often recommended Psychine since taking it myself, for it is a cure for the troubles you specify."

Rev. Chas. Stirling, Bath, N.B.: "I have used Psychine in my family; the results were marvelous. I have visited people who state that they never used it equal. I strongly recommend it."

Rev. J. S. Wilson, Markdale, Ont.: "I have taken two bottles of Psychine and am pleased to say that I am greatly improved in health. I was troubled with my throat, but now I find it about restored to its normal condition. I find my work very much less taxing. I believe Psychine is all claimed for it."

These are earnest preachers of the gospel of Psychine. They know whereof they speak. Psychine cures all throat, lung and stomach troubles. It is a great voice strengthener, acting directly on the vocal, respiratory and digestive organs, thus specially adapted to public speakers. At all druggists, 50¢ and \$1.00, or Dr. T. A. Slocum, Ltd., Toronto.

FIRST LADY PASSENGERS.

Misses Lizzie Standish and Ruby Norrish enjoy the distinction of being the first lady passengers to ride over the Walkerton-Proton branch of the C. P. R. Getting

on the construction train at Dr. Standish's farm on Saturday afternoon, they made the journey through to Hanover. They de-

scribe the trip as being a smooth and pleasant one, notwithstanding the fact that the road is in a semi-completed state. Along this particular route the line takes several sharp curves, which produces an exhilarating effect somewhat similar to that enjoyed on the "figure 8."

In years to come these young ladies will dwell with pleasure on their first ride over the Walkerton-Proton branch of the C. P. R.—Bruce Times.

CATAPULTS DANGEROUS.

Catapults are destructive and dangerous weapons and they ought to be suppressed and confiscated wherever found, especially by parents, police and teachers. On Fri-

day one boy shot at another on Main street here, knocking out a tooth and splitting the lip of his target. The injury might easily have been even more serious.

LOW SPRING FEVER.

Doctors Report Many Cases.

Same thing happens every year. At winter's close the body is weak and run down. Damp spring weather brings out rheumatic tendencies, exhausts vitality, and simply demands everyone to use a bracing, strengthening tonic.

Time won't help; matters grow worse instead of better if your system isn't rid of its poisonous burden.

Your blood is not only thin, but it is contaminated with a whole winter's accumulation of wastes.

A stimulating blood tonic is required.

What's it going to be?

No bitters or alcoholic dope, but concentrated cure in the form of Ferrozone which is known as the best of all spring rejuvenators.

It creates keen appetite.

Produces prodigious digestion.

Converts food into nourishment.

Gives richness and vitality to the blood.

Makes strong nerves and hardy muscles.

Ferrozone possesses power that can't be doubted. It will do for you what it did for Walter Wood of Beaufort, Car. Co., N. B., who writes: "I can say that Ferrozone has given me a new lease of life.

A year ago I suffered much from nervous weakness. I was really scarcely able to drag myself around. My appetite was gone, I had no color or ambition and felt generally used up. The first box of Ferrozone started me back to health. I took a number of boxes, but it was worth while, as my health was completely restored.

Get back to health with Ferrozone, six boxes for \$2.50, or 50¢ per box at all druggists.

Cider assaying 10 per cent proof spirits is a beverage that a Midland grocer was fined \$20 and costs for selling contrary to local option.
