Heart Strength
Heart Strength or Heart Weakness means New
Strength, or New Weakness—not the more, but
actually diseased. It is almost
as bad as having a heart attack at full
strength. The Cardiac, or Heart Neu-
rosis, needs, and must have, more power,
stability, more controlling, more
strength, and more endurance, to
withstand the attacks of the heart.
These are the main causes of heart
attack. Dr. Shoop's Restorative
is the cause of all this painful, palpitating, suffocating
heart distress. Dr. Shoop's Restorative
is the cause of all these attacks. It helps
the weak and wasting nerve centers. It helps
strengthen them, offers real genuine
relief, and cures them as needed, with
no side effects.

If you would have strong Heart strength,
strengthen these nerves, re-establish
them as needed, with

Dr. Shoop's
Restorative

W. TURNER & CO.

A woman just has to love some
man—even if its only her own
husband.

There is a Pink Pain Tablet
made by Dr. Shoop that will pos-
sibly stop any pain, anywhere, in
20 minutes. Druggists everywhere
sell them as Dr. Shoop's Headache
tablets, but they stop pains as
easily as headache. Dr. Shoop's
Pink Pain Tablets simply coax
blood pressure away from pain
centers—that is all. Pain comes
from blood pressure congestion.
Stop that pressure with Dr.
Shoop's Headache Tablets and
pain is instantly gone, 20 tablets

Tired nerves, with that "no ambi-

tion" feeling that is commonly

felt in spring or early summer, can

be easily and quickly altered by

taking what is known to druggists

everywhere as Dr. Shoop's Resto-

rative. One will absolutely note a

changed feeling within 48 hours

after beginning to take the Resto-

rative. The bowels get sluggish in

the winter time, the circulation

often slows up, the kidneys are in-

active, and even the heart in many

cases grows decidedly weaker. Dr.

Shoop's Restorative is recognized

everywhere as a genuine tonic to

these vital organs. It builds up

and strengthens the worn-out weak

nerves; it sharpens the failing

appetite, and universally aids

digestion. It always quickly brings

renewed life, strength, vigor and

ambition. Try it and be convinced.

ROUND-UP DOUKHOBORS.

Regina, May 16.—The Saskatchewan

Government is sending a

strongly-worded protest to Ottawa

declaring the action of the Ontario

Government in dumping the un-

desirable Doukhobors at Yorkton

is unfriendly and unjustifiable.

Meanwhile instructions have been

sent to the Mounted Police to take

a piece of land outside the town

and place the fanatics there in

tents, guarding them.

The children, fifteen in number,

are to be sent to Peter Veregin at

Doukhobor villages, where they will

be cared for.

Three small babies with the band

will, of course, not be separated

from their mothers.

These are merely tentative mea-

asures, pending some more perman-

ent settlement of the difficulty.
