Fletcher-Henderson.

The residence of Messrs. Robert and James Henderson, at Robroy, Osprey township, was the scene of a pretty wedding on Wednesday afternoon of last week, when their sister, Mina, was united in marriage to Mr. James Fletcher, of Osprey. The ceremony, which was performed by Rev. J. A. Cranston, M.A., of Collingwood, took place on the lawn in the presence of about one hundred guests. Miss Lizzie Kentner played the wedding march, and the bride, who was given away by her father, Mr. Joseph Henderson, was attended by her cousin, Miss Belle Henderson, of Toronto. The handsome bride was prettily gowned in white Persian lawn, and the bridesmaid was attired in pale pink mulle. Mr. Donald McIntyre, of Banks, was the best man. After the ceremony a sumptuous wedding breakfast was served on the lawn, and later the young couple drove to Collingwood, leaving on the G. T. R. to visit at Toronto and Buffalo. The bride's travelling dress was of black silk voile with white silk waist and stylish hat. The bride was the recipient of a very large number of beautiful and costly presents. The groom's gift to the bride was a gold watch and chain, to the bridesmaid a pearl crescent and to the groomsmen a pair of gold cuff links.

TO THE PUBLIC.

I am still in the field with the World's Famous Hay Carriers. Having been handling these lines for nineteen years I am in a position to supply the public with the best article made in Canada. During the past 19 years we have erected over twelve hundred hay carriers, which goes to prove that they are not excelled by any make. Having a large stock of three different makes, bought before the recent advance in price, I am in a position to save you money. See my goods before purchasing. Am offering specially attractive rates for June. I also carry a superior line of pumps. Thanking my hundreds of patrons for past favors, I now solicit a continuance of your support.

OWEN SOUND DEFEATED.

The score—Markdale 14, Owen Sound 8—looks like a revival of the days when lacrosse was the only game these two towns knew anything about; but 'twas baseball this time, and the score was made on King Edward Park here on Thursday evening last. For the first game of the season with an outside team the Markdale boys put up a brand of the article which was really surprising. Owen Sound has had several games with outsiders, including Meaford and Collingwood, and their defeat was the first of the season. Owen Sound went to bat and Briggs was the first man up. He made a foul on second strike, but reached first on third, and finally reached the plate. The visitors made two more runs in this innings. Markdale in the first made no score, and Owen Sound made a similar tally in the second innings. Markdale had a great batting streak in their half of the second, securing seven runs. The third and fourth were uneventful for either team, Owen Sound securing one run in the former. In the fifth innings Owen Sound secured three, which evened the score, and made things pretty interesting. This was followed in the sixth by another record score for Markdale, they again winning seven runs in this innings. Owen Sound made one, and the game was called—14-8. Both teams showed lack of practice and are capable of playing better ball. Following is the line-up and score:

Pitcher Tips:

Pitcher Dundas has played ball before. Captain Gilfillan scared the umpire in the first innings by throwing his bat at him. Bud Cummings' happy smile on the initial sack encouraged the whole team. Mercer had his batting eye on the ball Thursday. Dr. Brown wanted some of the glory, so he and pitcher Dundas exchanged positions for the last two innings. "Irish" Kelly ruffled his new uniform by a beautiful slide from third base to home plate. Laurie Munshaw is talking of starting a baseball team in Eugenia in his summer vacation, to be known as the Never-sweats. We wish him success. Catcher Dundas and third baseman Littlejohns are entirely at home in their positions.

ORANGE VALLEY

Here's to the Markdale Standard once again. Surely Orange Valley is a good enough place to be heard from at least occasionally through the medium of this family journal. Miss Leta Beattie was in Markdale last week writing on the Entrance Examinations. The crops in this vicinity look quite thriving and present prospects are those for a bountiful harvest. At a meeting of the ratepayers of this section last week, Mr. Jas. Hill was appointed trustee instead of his brother, the late Mr. Sol Hill. Those from this locality who took in the Guelph excursion were: Mr. and Mrs. Will Hill, Mr. and Mrs. Jarvis Henry and Master Goldwin, Mrs. Jos. Gibson, Messrs. And. Beattie, Silas and James Hill, F. A. York, James Beattie and J. E. Montgomery. The neighbors were pleased to meet in Guelph their old friend, Mr. John Cunningham. The trustees have furnished the school with an up-to-date pole and flag. This is something that each school should possess and speaks commendably for the trustees. Revival meetings are being held in Mr. York's Grove in a very comfortable camp. They are conducted by Mr. and Mrs. Shunk assisted by Messrs. Ben Hazlip and Arthur. Considering the wet weather and the busy season, the meetings have been very well attended. Miss Price, our teacher, says farewell to-day, Tuesday, to her pupils before leaving for her home near Waldemar. By diligence in her work and her amiable disposition, Miss Price has won the respect of the pupils as well as that of the section in general.

PECULIAR WEAKNESS IN WOMEN.

Many women suffer untold torture from nervous debility arising from disorders of the female organs. Day by day they grow worse. A false sense of modesty prevents them using a good remedy like Ferrozone, and it would cure them. Lost nerve force is brought back—new vital energy is supplied—irregularities disappear. Ferrozone does restore weak, pale women. For those who suffer and find work hard to bear nothing supplies the health and vitality that Ferrozone so surely brings. Guaranteed free from alcohol and sure to cure, 50c. at all dealers.
