THE HOSPITAL FOR SICK CHILDREN

For it Cares for Every Sick Child in Ontario whose Parents Cannot Afford to Pay For Treatment.

The Hospital for Sick Children, College Street, Toronto, appeals to the fathers and mothers of Ontario for funds to maintain the thousand sick children that it nurses within its walls every year.

The Hospital is not a local institution—but Provincial. The sick child from any place in Ontario who can't afford to pay has the same privileges as the child living in Toronto and is treated free.

The Hospital had last year in its beds and cots 761 patients, 287 of these were from 196 places outside of Toronto. The cost is 98 cents per patient per day, and there were 129 sick little ones a day in the Hospital.

Good Day, Mother! Since its foundation the Hospital has treated 10,371 children—about 7,600 of these were unable to pay and were treated free. Every dollar may be the translator of your kind thoughts into the Hospital kind deeds.

Everybody's dollar may be the Friend in Need of Somebody's child. Let the money of the strong be mercy to the weak. The Hospital pays out dividends of health and happiness to suffering childhood on every dollar that is paid by the friends of little children.

If you know of any sick child in your neighborhood who is sick or crippled or has club feet send the parent's name to the Hospital.

Let the money of the strong be mercy to the weak. The Hospital pays out dividends of health and happiness to suffering childhood on every dollar that is paid by the friends of little children.
