THE STRENUOUS LIFE. Pulls So Hard on the Stomach it Must Have Help. The stress and strain of the strenuous life in both city and country makes stomach troubles. Five people suffer to-day where one did ten years ago with sick headache, dizziness, flatulence, distress after eating, specks before the eyes, bloating, nervousness, sleeplessness and the many other symptoms of indigestion.

ONE IN SEVEN CALLED BY CONSUMPTION. A dreadful plague indeed when you consider that in incipient stages it can be cured. Take care of the little cold before it becomes a big one. When the throat is sore and it hurts to expand your chest, rub in Nerviline and immediately apply one of Polson's Nerviline Porous Plasters. Pain and tightness are at once relieved. Inflammation and soreness gradually disappear and fatal illness is thus avoided. Nerviline Plasters act as a counter irritant over the seat of pain, and as an exterior application in curing colds in the muscles, in pleurisy, and headaches they have no equal. Keep these remedies right in your home.

There was a happy picnic and evening concert over at Waudby on Wednesday of last week and quite a number from this neighborhood attended. The day was fine, the night beautiful. The program in the church at night was a bright entertaining one, though gotten up on short notice.

It takes more than a rainy day to damp the courage of Zionites which once they map out a line of action. Their garden party took place last Friday evening despite the day's down pour, and by supper time a big crowd had gathered. The tables were loaded with choicest eatables and after supper was over a most varied and bright program was given. Pithy and witty speeches were given by Mr. S. Patherbough, of Bentick, Mr. John Ellison, of Waudby, and councillor Hunt. Miss Vera Dunn's recitation was a good number. Miss May Robson excelled her best effort here; Master Nelson Eadie, of Toronto, sang a comic song; Miss Florence Hunt and her brother Percy sang two and were warmly applauded. Truth to tell, it is their best public effort here. Misses Violet and Vera Dunn sang most sweetly. The instrumental duets by Mrs. Will Jack and Miss Anabel Blair and Miss Olive Cook and W. G. McNally were rousing received. Arthur Blair is becoming noted for his instrumental solos, he had to play each time. The profits from the booth and gate money amounted to over \$32. Most hearty votes of thanks were given Mr. and Mrs. Geo. Blair for the use of their beautiful grounds and to those who helped to make it such a success.

THE FRUITS OF THE EARTH. Creels, vegetables, and meat supply elements needed for man's nourishment. Yet fruit - though it has a little food value - has proved to be absolutely necessary for perfect health. Careful investigation has shown that all the common fruits act on the liver, kidneys, bowels and skin. These are the organs that rid the body of dead tissue and waste products. The fruit juices stir them up to vigorous action, thus keeping the whole body clean and healthy. But few people eat enough fruit. Getting this after several years of fermenting, a prominent Canadian physician succeeded in combining the juices of Apples, oranges, figs and grapes in such a way that the food action is many times multiplied. It is added valuable tonic and the combination into tablets called "Fruit-Lives." They are really Nature's cure for Constipation, Indigestion, Biliousness and Stomach Troubles. Millions have tried them, but only a few have found relief. Sold by all druggists. 50c a box of 6 boxes for \$2.50 - trial size box 25c. Fruit-Lives, Ontario.

NO HONING - NO GRINDING. Steel is iron free from dirt, air or foreign substance fused with carbon. Carbon gives toughness, strength, keeness and life. Thirty year's study of the razor situation has shown a way to add the highest per cent of carbon to a Carbor Magnetic razor blade through a secret process of ELECTRIC TEMPERING giving it a uniform diamond like hardness - something absolutely impossible with fire tempered razors, and they are Hamburg ground. But Test this UNCONDITIONAL GUARANTEE razor at home - or have your barber use it on you for thirty days WITHOUT OBLIGATION TO PURCHASE.
