(By M. Louise Cummins.) 'Good-bye."

"Good-bye."

"Win the polo match!"

ly, looked across the aisle of the successful, stood beside her.

irl was bending forward. The hat and the graceful shoulders in though the subject was not worth their silk shirt waist suit were pursuing. sufficiently attractive to make him urged to victory.

Scarcely had he done so when he sprang across the moving car and dismissed?" waved his hand frantically to the young man who stood, hat in hand, seeing the girl off.

beside the train.

"Grace, allow me to introduce you. Hallet-Miss Kennard."

The two people thus hastily the soul of honor? thurst into acquaintanceship looked at each other for a moment in a hands rather constrained silence. Then the girl laughed. the girl laughed.

"Why you must be the the Mr. Hallet," she said frankly. 'Why that distinguishing 'the?' "

"Oh, hasn't any man who was once stroke of the Harvard eight a claim to distinction? "But that was in the remote them?"

past, quite three years ago. I presume I am talking to 'the' Miss The girl looked at him sharply.

"Jack wrote me of his engagement two weeks ago," he explained. "It is beginning to dawn upon me that my letter of congratulation was tame."

Her glance drooped. A demure It might mean assent or denial. Hallett glanced in quick encertain- dainty contents of the bag. ty at her left hand, but it was. covered by a taucolored travelling "Surely"glove. Underneath, he supposed, lazed her engagement diamond.

"I think," she said, looking up bottle. and surprising his inspection of her, "that my stay in New York is to ment in a steady grasp. make sure of getting a thorough be with a friend of yours as well iness or Shorthand training is to as mille. Miss Gierhart." as mine, Miss Gierhart."

"Oh Dorothy; yes, indeed," he said Heartily. "We nearly feil out for life when

Yale won, she was so anxious you should come out victorious." "And you were not?"

"Well, you see, I did not know you then." She gave him a sly glance. "I wonder if she is a flirt." Hallett speculated and almost felt

sorry for his friend, in spite of the girl's unusual beauty. Presently he

womanly qualities.

pose to prevent him pulling his head through," he replied quietly.
She looked the dog over with the eye of a connoisseur, and Hallett watched her narrowly. By the time they left the baggage car he had about concluded that Miss Kennard belonged to that objectionable class of young women who tell the good points of a or dog, but was decidedly lacking in the more tender and

In their zigzag way through the coach she paused suddenly. the care was crowded almost to the point of suffocation. In one seat a fragile looking woman with a boy of four on her lap sat wedged close to the window by a stout man with a handkerchief tucked round his collar, who fanned himself vigorously with a large hat.

"That woman will faint if she remains here," Grace Kennard said decidedly. "She is almost gone

"What can we do?" Hallett asked with a hopeless glance around them. it the crowded seats. "I will give her my place in the parlor car.'

His surprise was hardly complimentary,

chalenged his for an instant. will help the mother I will Then I insist on your having

my chair," he temporized. "And I will take it for the boy! Don't you see that he is too heavy for that woman to hold? Oh, what does it matter about me?" she went on patiently. "I am strong. Let me get them out of this while the mother is able to walk."

While the woman lay gasping her relief in a comfortable armchair and! air, Grace Kennard retired e narrow seat at the rear of the car usually used by the con-Hallett raised himself lazily in ductor when sorting his tickets. his chair as the above conversation Hallest went off to arrange things struck his ears, and, turning slow- with that worthy, and, returning
