TRAVERTON

Zion was well filled on Sunday and Rev. W. S. Jamieson's sermon was a most impressive one. The Misses Harbottle, Durham, and a gentleman friend were guests at the Falls the first of the week. Miss Loretta Fallaise and a lady friend visited at Mr. and Mrs. John O. Greenwood's for a day or two lately. Mrs. Peart, sr., after spending some weeks with her daughter in Bentinck, has lately come back to the old home. Ernest, Cook and Will G. McNally arrived home from Owen Sound last week and are prepared now for wood-cutting contracts. Mr. Tom Blair came down from the County Town on Saturday evening to visit the wife and girlie Amelia. He returned on Monday noon. John O. Greenwood took a tumble from the hayloft to the cement floor below on Friday last, but it only made him say, "Be jolly!" Mr. and Mrs. Wm. Firth took a ride over the Saugeen branch of the C.P.R. last Wednesday to visit Mr. George Firth and family in Melancthon. Mrs. Adam Robson arrived home lately, after spending a month in Toronto, caring for her daughter, Mrs. T. Flynn, who has been seriously ill. The plows are turning up the mellow soil on nearly every farm. The past few days suit the farmers, whether it is pleasing to the farmers or not. Miss Olive Cook took a trip over to Maple Hill relatives on Saturday evening, returning in time to resume work on Monday morning. The new line is proving a great convenience.

It isn't so difficult to strengthen a weak stomach if one goes at it correctly, and this is true of the Heart and Kidneys. The old fashioned way of dosing the Stomach or stimulating the Heart or Kidneys is surely wrong! Dr. Shoop first pointed out this error. "Go to the weak or ailing nerves of these organs," said he. "Each inside organ has its controlling or 'inside nerve.' When these nerves fall then these organs must surely falter. This vital truth is being druggists everywhere to dispense and recommend Dr. Shoop's Restorative. A few days test will surely tell. Sold by W. Turner & Co.

Abercrombie's lot in the village. Mr. Abercrombie has secured the blacksmith shop at Wodehouse. Mr. Chas. Abercrombie and Miss Abercrombie have removed to Fairmount, where the latter will act as postmistress during Miss Currie's absence.

BERKELEY. Farmers around here are taking advantage of the few fine days and are ploughing. It has been a great fall for that kind of work. Mr. Hopkin's has moved into Mrs. Hannah's house. Several from around here took in the show at Markdale on Saturday night and report a good time. Mrs. J. T. Bridgewater is spending a few days at Mr. T. Greenwood's, Holland Centre. Parties attending divine service here on the Sabbath should refrain from bringing bottles of liquor and leaving them in their buggy in the shed. This is a dry town and even children are tempted when they find it within so easy a grasp. The parents of these children should severely chastise them for taking the liquor and using it the way they did. Bad enough to see a drunk man, but a child is shameful. Death has again visited in our midst claiming one of our old pioneers, Mr. James Quinn, after a short illness. Deceased was 75 years of age, a native of Ireland, coming to this part in the early stages of settlement. Settling on his farm on the backline where he resided till his death. He leaves one

Walter Lemon has returned after a three months' sojourn in the States. Mr. Cameron, who has been in the States, was resumed in St. Philip's Church last Sabbath by the Rev. Mr. Cameron, and will be usual at 3 p.m. Andy Wilson, of Meaford High School, spent a couple of days with his parents, Mrs. J. T. Wilson, last week. Loney, of Parry Sound, is here the guest of Mrs. S. S. Caswell, who has been in the States for some time past, had the misfortune to fall last week injuring severely, and as a result is in a bad condition.
