Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific nerve sickness—nothing else. It was this fact that first correctly led Dr. Shoop in the creation of this now very popular Stomach Restorative—Dr. Shoop's Restorative. Going direct to the stomach nerve, alone brought this success and favor to Dr. Shoop and his Restorative. With out that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for your self what it can and will do. We sell and cheerfully recommend

Holland Council.

The council met in township hall on Monday, 16th November, for the transaction of township business.

Wm. Hampton, Esq., reeve in the chair. All members present.

Communications were read as follows: Stanley Murray, declining to accept \$100 for proposed deviation and asking \$200. Ontario Metal Culvert Co., re culverts. W. A. McKenzie & Co., re debentures. National Sanitarian Association, asking contribution.

Council decided to leave compensation to Mr. Murray to be settled by arbitration and appointed James Gillespie an arbitrator in their behalf.

Accounts were received as follows and on investigation, paid: Markdale Standard, advertising, \$3.00; Chatsworth Village, rent of hall for Division Court, \$36.00; Lucas, Wright & McArdle, half cost re Bell and Ewart deviation, \$12.72; Mrs. Foster, care and account of Hall, \$7.50, also enclosing \$10.00 received as rent.

Consideration of the other communications was deferred to a future time.

By-laws appointing James Gillespie arbitrator re Murray property, also one making the following appointments for election purposes, 1909 were passed. P.S.D. Her Skin Was Blotchy.

Scaly-Like Pimples Covered Her Face and Ruined Complexion.—A Speedy Cure.

"When my skin had always been so clear and ruddy, I found it very mortifying to see pasty and pimple patches coming over my face," writes Mrs. S. T. Ungerer, a well-known resident of Wheeling. "Great red blotches came on my chin, grew dry and scaled off. I think my stomach was at fault. Certainly my blood was poor because my lips were white and I had unpleasant fullness and ringing in the ears."

"Noticing in the papers such strong recommendations for Ferrerozone as a blood and strengthening medicine, I decided to use it. From the first tablet I took there was an improvement. I felt better and had such a good appetite, improved in color, and the old rosy flush slowly returned to my cheeks. Finally the blotches began to leave and the skin grew soft and smooth. I have gained some in weight, look the picture of health and feel as if I had never been ill."

There is no nourishing tonic so sure to build up and strengthen as Ferrerozone. It contains concentrated vegetable extracts that supply every weakened system with the element it lacks! Health, vigor, happiness—these are the direct result of using Ferrerozone regularly.

Sold by all dealers, 50c. per box or six boxes for \$2.50. Get Ferrerozone to-day.

LIQUOR DETECTIVE CHARGES BRIBERY

C. F. STEWART WAS PAID \$50 TO LEAVE OWEN SOUND.—RODE ON THE BUMBERS OF A C.P.R. FREIGHT.

The sensation of the week in Owen Sound is the serious charge made against Mr. H. G. Tucker, a prominent solicitor of Owen Sound, and an engine driver of a C. P. R. freight, who are alleged to have bribed Charles F. Stewart, a liquor detective, to leave the town. The evidence was given in connection with the charge of having sold liquor, brought against Charles Crook, of the Duncan House. Stewart is one of the two detectives who disappeared from the Seldou House, Owen Sound on the evening of the 25th of last month, a few hours prior to giving evidence against the hotelkeepers in the court on the following morning. Altogether there were three detectives engaged in the raid, their names being Claude Pownall, Alexander Corrien and Stewart. Pownall and Stewart skipped out of town, the latter being discovered at Toronto, while Pownall is still missing.

At the Police Court on Thursday Mr. Saunders, of Toronto, chief of the License Department, was the first witness called, and he told how Stewart had come to his office and handed over several documents to him, which he had placed in a sealed envelope. The envelope was produced in court and handed over to Magistrate Creaser.

MR. CROOK DENIES CHARGE.

Crook then gave evidence, and declared that he had never at any time sold intoxicating liquor to Stewart or other detectives. All they had been supplied with was local option beer and ginger ale. He had had a description of the spotters before they came to the barroom. In fact, they were drinking soft drinks when the local inspector came on the scene. He had had nothing whatever to do with the disappearance of the two detectives.

THREATENED AND BRIBED.

Stewart, who was examined at great length, said that he was twenty-two years of age, belonged to Dublin, Ireland, and had come out to this country about a couple of years ago. He said that prior to the local license inspector's appearance in the accused's bar room he and the other two detectives, had been supplied with whiskey. Asked as to why he and Pownall had left the town, witness made a number of sensational statements. He declared that Detective Pownall had told him about 7 o'clock on the night of their disappearance that he knew they could get \$500 or \$750 if they agreed to leave the town and not give evidence against the hotelmen, and that if they did not go they would be shot. Witness believed that if he remained in town he would be killed, and accordingly, being afraid of his life, he agreed to leave. Later in the evening he and Pownall met a C.P.R. driver named George Pumpspe, and spoke to him on the money and agreed to meet him at the local C.P.R. station. On two occasions during the same night they had conversed with Mr. H. G. Tucker (the barrister who is defending all the hotelmen implicated in the raid), and Mr. Tucker had given them \$5.00 for the possession of their notebooks containing their notes as to the times and dates on which they had visited the various hotels.

TUCKER SAYS IT'S UNTRUE.

Mr. Tucker interrupted at this stage and emphatically denied ever having had any such transaction with either the witness or Pownall. The witness was telling untruths, and he was determined to prove that he was doing so. He had never given any money to the detectives, nor had he even spoken to them.

LEFT TOWN ON THE BUMBERS

The witness then proceeded to tell how he and Pownall got clear of the town. They had gone down to the station and boarded a freight train which was driven by George Pumpspe. They started out from Owen Sound shortly after 1 o'clock on the morning of the 26th of last month, travelling on the bumbers. When the train stopped they got on top of an open car containing stones, and from there to the caboose, and were admitted to the caboose by Conductor Grimes. Witness had had his hat blown away while travelling on the bumbers, and he had got the loan of a hat from Conductor Grimes, which he had left at Orangeville station after purchasing a new hat in that town. During part of the journey they had travelled on the engine and while they were there Pumpspe, the driver, had handed over a roll of bills to Pownall. The latter counted the money, and gave the witness \$50, which sum he had given to Mr. Saunders in Toronto. Witness was sorry that he had ever run away, and had

made up his mind to give his evidence as soon as he reached Toronto. The trial is still in progress.

CHERRY GROVE

Snow! Snow! Snow! Mr. Robert Broach spent a few days in our burr last week. Our teacher, Miss S. P. Fletcher, spent Sunday at her home in Ceylon.

The young people are busy practising for their school entertainment, which will be held in the school on Dec. 23. Don't forget the date.

Mr. Wesley Bradey and sister, Miss Nellie, accompanied by Miss M. A. Struthers, were the guests of Blantyre friends over Sunday.

Mr. W. Boddin and Mr. Dick Shears, of Owen Sound, visited friends around here recently. Mr. and Mrs. Tom Harvey visited the former's sister, Mrs. James Neely, of Gorin.

Mr. A. Hawken, of Flesherston, spent the past week in our burr. Born—to Mr. and Mrs. John Wyville, Niny, 28, a daughter. (Eleanor Florida.)

The old-fashioned way of dosing a weak stomach or stimulating the heart of kidneys is all wrong. Dr. Shoop first pointed out this error. This is why his prescription—Dr. Shoop's Restorative—is directed entirely to the cause of these ailments—the weak inside or controlling nerves. It isn't so difficult, says Dr. Shoop, to strengthen a weak stomach, heart or kidneys, if one goes at it correctly. Each inside organ has its controlling or inside nerve. When these nerves fail, then these organs must surely falter. These vital truths are leading druggists everywhere, to dispense and recommend Dr. Shoop's Restorative. Test it a few days, and see! Improvement will promptly and surely follow. Sold by W. Turner & Co.

EUGENIA

Winter seems to have set in in earnest.

The death of Mr. Samuel Pedlar came as a surprise to the people of this neighborhood, as he was ill only a few days. He contracted that fatal disease, pneumonia, and although every means were tried, yet it did not avail, death ending his sufferings on the morning of Dec. 1st. He was 76 years and nine months old, and was a very prominent man in this community, being a J. P., and also served as councillor for eleven years. For several years he was deputy Reeve, an Orangeman, of good standing, being Past Master of I.O.O.F. No. 1118, was a staunch Conservative, a Methodist, and was one of the most active members at the building of Salem church. He raised a family of nine sons and four daughters, who with his aged widow, are all spared to mourn the loss of a kind and affectionate husband and father. They were all present at his death bed except one son and one daughter, who arrived from Manitoba in time for the funeral. The son, Joseph, who lives in Nebraska, is in poor health and not able for such a long journey. The children present were John, of Flesherston; Edwin, of Singhampton; Wesley, of Nebraska; U.S. William C. of Salem; Luther of New York City; Charles, of Nepeawa; Alan; Frank, of Melan; Saks; Fred, who resides on the home farm; Mrs. J. W. Hoath and husband, of Elsinore; Mrs. David Smith and husband and two children, of Oshbourne, Man.; Miss Sarah, of Toronto, and Miss Ella at home. He was interred in the auspices of the Orange Order at Salem on Friday afternoon. The funeral was one of the largest ever seen here, here being over thirty graves present. The Orangemen marched from his late home to Salem, a good many members of other lodges being present, as a honor to one whom all respected. He will be much missed in this neighborhood, where he was highly esteemed, being a good neighbor to all. The sincere sympathy of the entire community is extended to the sorrowing widow and family of our departed brother, who has gone to that better land where a pain and sorrow are at an end.

GOOD COUGH MEDICINE FOR CHILDREN

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold, the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Starck, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by R. L. Stephen.

MORE HEADACHES

From Constant Headaches by "Fruit-a-tives" When Doctors Failed.

I suffer from fearful headaches over two years, sometimes so bad that I was unable to work for days at a time. I took a great deal of medicine, was treated by doctors, and yet the headaches were not cured. I was rarely free from them. A short time ago I was told to try "Fruit-a-tives" and I must confess, very little, but after I had taken them a few days my headaches were cured. In a week they left me. I took a box and the headaches were cured. I was always poor as I my head, and now my appetite is good, my digestion is excellent, and I feel like a new man. I have had three boxes of "Fruit-a-tives" for curing me, and I am satisfied to recommend it with pleasure, as I hope thereby to relieve the sufferer of headaches who have tried to try "Fruit-a-tives" and failed. (Sgd.) B. Cornell, Belleville, Ont.

"Fruit-a-tives" is now put up in the trial size as well as the regular boxes. Write Fruit-a-tives, Ottawa, if your dealer will not supply you.

DURHAM

From The Chronicle. My business carried on for seven or eight years by W. Darling, is changing hands.

The poisoner is again on the loose. Mr. James Burt is the loss of a fine collie valued very highly. Mr. Burt's strong suspicion against the man, but not sufficient to make a sure job of going to a mean business man guilty of such an act is a mean streak about him.

Working in the clay building the cement plant on Thursday, Mr. Fred Dawkins was badly, though not seriously injured through a large quantity of sliding on him and burying him to extricate him from his position. As it is Mr. Dawkins is nursing a badly bruised body that will keep him in bed for a week or two.

J. B. Wass, Stewart, Wickes, Mr. and Mrs. and daughter, of the C.P.R., met on Monday morning for they having completed their duties here as servants of the C.P.R. During their residence in our midst, they have made many friends, who are loath to see them go, and who will long remember them. As a tribute to them, a banquet was given in their honor by Mr. and Mrs. Hahn, of the House, gave a banquet in their honor on Friday evening last.

Shiloh's Cure will cures my coughs and colds.

WILL BE HELPED BY IT

My Wife Has Its Share of Dread Cough, Which is Said to Yield to Simple Home Recipe.

to relieve the worst forms of Cough, take a teaspoonful of following mixture after each meal at bedtime: Extract Dandelion, one-half Compound Karyon, one Compound Syrup Sarsaparilla, three ounces.

These harmless ingredients can be obtained from our home drug store and are easily mixed by any one. They will be in a bottle, and generally left from the few doses.

This prescription forces the clogged, inactive kidneys to filter the pain from the blood the excess waste matter and uric which causes Rheumatism. Rheumatism is not only the painful and torturous disease, dangerous to life, this simple remedy will no doubt be greatly benefited by many sufferers here. At the same time, who should at once prepare a mixture to get this relief.

It is said that a person who has taken this prescription regularly a dose or two daily, or a few doses a week, would have serious kidney or uric acid disorders or rheumatism.

But this out and preserve it. Rheumatism prescriptions really relieve are scarce, and when you need it, you get it badly.
