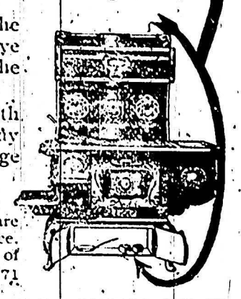
## A Very Sad Death.

"In the midst of life we are in death." Perhaps scarcely ever have the above words been more verified than in the sudden death of the late Mrs. D. S. Morrow, of Beeton. The deceased appeared to be in the best of health on Sunday last, and took her supper and spent the evening at the home of a neighbor. She was taken ill on Monday at 3 o'clock a.m., a son was born two hours later, the deceased took convulsions, from which she never regained consciousness, and passed away at 6.30 in the evening of the same day, in the 35th year of her age. Such in brief is the account of one of life's tragedies. The deceased was formerly Miss Margaret Rose, elder daughter of Mr. and Mrs. John Rose, of Alliston. She married Mr. David S. Morrow, druggist, of Beeton, about eighteen months ago. She was well-known and very highly respected by a large circle of friends, both in Beeton and vicinity, being a resident here for some time previous to her marriage, and her sudden and lamented death under such sad circumstances has cast a gloom over the whole neighborhood, and the greatest of sympathy and heartfelt sorrow is expressed for the suddenly bereaved husband. The funeral took place from her late residence on Wednesday, Rev. S. F. Sharpe (assisted by Rev. J. J. Sparling and Rev. Rural-Dean Dreyer) conducted a very impressive service, interment taking place in Alliston union cemetery. Several very beautiful wreaths and pillows were sent by numerous friends of the deceased. The funeral was one of the largest ever held in Beeton, and very largely attended by many old friends and neighbors of the family from Alliston and other places. The pallbearers were Messrs. W. A. Pringle, L. D. Cherry, H. B. Hunt, B. Heuchan, John Carlton and W. I. Colwell. Besides her husband the deceased leaves behind to mourn her loss a father and mother, two brothers and a sister, who reside at Alliston. Soon after the funeral cortege had left the village the baby son died. The little coffin containing its body was placed in the same grave by the side of its mother this (Thursday) morning.—Beeton World.

Coughs that are tight, or distressing tickling coughs, get quick and certain help from Dr. Shoop's Cough Remedy. On this account druggists everywhere are favoring Dr. Shoop's Cough Remedy. And it is entirely free from opium, chloroform, or any other stupifying drug. The tender leaves of a harmless lung-healing mountainous shrub give to Dr. Shoop's Cough Remedy its curative properties. Those leaves have the power to calm the most distressing cough, and to soothe and heal the most sensitive bronchial membrane. Mothers should, for safety's sake alone, always demand Dr. Shoop's. It can with perfect freedom be given even to the youngest babies. Test it once yourself, and see! Sold by W. Turner & Co.

Repeat it:—"Shiloh's Cure will always cures my coughs and colds."

"Peerless Peninsulars"
Are Cast-Iron Ranges But Like Steel Ranges



"Peerless Peninsular" Ranges have the Drop Oven and Low Closet Shelf that have heretofore been exclusive features of the most expensive steel ranges.

They are also the only ranges made with Fire-Box on right or left side, as may better fit the kitchen in which the range is to be placed.

"Peerless Peninsular" Ranges and Heating cookers, are very economical in regard to fuel, are strongly built, and will give a life-time of service.

Let us show you the many features of superiority. 71
