Immense Purchase of Fancy Goods and Toys Selling at Ridiculously Low Prices.

Bought at 25c. on the \$. To make a long story short we bought from a wholesale fancy goods house \$50,000 worth of Fancy Goods and Toys at the ridiculously low rate of 25c. on the Dollar. That is why we are nearly giving the stuff away. School Teachers and Sunday Schools wanting toys and fancy goods lines of nearly every description will do well to be on hand early while the variety is large. For the convenience of customers we have displayed these goods in our Hardware Department where they can all be seen away from the rush of business in the main part of our store. For comfortable shopping we would advise you to come as early in the day as possible—this morning if you can.
