Police Court News.

The case against Frank Foster, John Bowers and Charles Wice for supplying Edward Sproule with liquor, he being on the Indian list, was tried before Magistrate Harness and Armstrong on Friday evening last. Foster and Bowers swore that they were ignorant of the fact that Sproule was on the prohibited list, and the case against them was dismissed. The evidence of Charles Wice was very contradictory and his case was adjourned until Monday evening in order that further evidence might be produced. This was not procurable and on Monday night before Magistrate Armstrong Wice was acquitted.

The drunks and disorderlies are being rounded up in great style. The most recent case to come under the eye of Magistrate Harness was that of David Roberts, of Osprey, who on Thursday evening last was fined \$10.00 and costs for imbibing too freely of intoxicating fluid and raising a ruction in the Markdale House. He was also fined \$5.00 for damage done to the hotel furniture while in that condition.

On information laid by Constable McCutcheon ten young fellows of the town were each fined \$1.00 and costs on Tuesday evening for snowballing on the street. "The next time the fine will be heavier," saith the magistrate.

DOES YOUR SIDE ACHE?

When the first symptoms appear rub with Nerviline—rub it in deeply. It penetrates to the muscles and cords that are sore—takes away stiffness—removes all strain and inflammation. If the condition is chronic, put a Nerviline Porous Plaster on the affected spot. This draws out any virus or neuro-falgic irritation, restores the tissue to their wonted healthiness, permanently cures any weakness or tendency to pain. Nerviline Plasters absorb all the deleterious secretions through the relaxed pores and when used along with Nerviline itself, every muscular pain or ache must go.

HOW TO REMOVE WARTS.

It's really a simple matter to remove warts and callouses if you apply Putnam's Corn and Wart Extractor. Cure is certain—failure impossible—if you use Putnam's.

A copy of your home paper would fit beautifully, and you will be relieved of the parceling trouble and postage expense, and the welcome guest would prove a weekly reminder the year round of your good will.

A nice range of new wedding stationery, calling cards, and ladies correspondence paper and envelopes just opened at The Standard office.

Farming is a business which requires access to practical business information. This is supplied in the columns of the Weekly Sun. The secret of the growing popularity of this paper lies in its untiring devotion to the interests of the Farmer. The memory of the good it has done will remain long forgotten. To be posted, a farmer must read the Sun. If you have not been a reader of the Sun, try it for 1909.

A moving picture entertainment in the hall on Thursday evening last was very poorly attended, for lack of sufficient advertising, and the managers, who hail from Durham, scarcely made expenses. The moving pictures and illustrated songs were splendid and deserved a better patronage. Mr. R. C. Banks, one of the Managers, announced that they intended to give another concert here this winter when he would give a complete change of program and hoped that with more extensive advertising they would have a larger house.

Everybody has been accustomed to see entertainments and tea-meetings gotten up by the ladies, and we have begun to think that nobody but the ladies can do these things. This is no longer true. There will be an oyster supper and entertainment on New Year's night in the Marsh Hall, Markdale, and the men will do all the work, and needless to say it will be the beginning of a series of successful tea-meetings all over the country. There has always been something wrong with every tea-meeting and nobody has been able hitherto to explain the reason. It has been discovered and will be remedied on New Year's night. Everything will be the best. The oysters will have a flavor not known outside of Delmonico's, and when you see the smart waiters at the tables, you will see for yourself. The program will be gotten up entirely by the gentlemen. Cancel all your engagements and come on New Year's night.

Tom Longboat, the Indian runner, won the Marathon race in New York on Tuesday night against Dorando, the Italian. The race was for 26 miles, and Longboat made it in 2 hours and 45 minutes. Dorando collapsed in the 25th mile. The race was witnessed by about twelve thousand people.

GOOD COUGH MEDICINE FOR CHILDREN.

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold, the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Starcher, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by R. L. Stephen.

Old-fashioned way of dosing a stomach, or stimulating the liver or kidneys is all wrong. Dr. Shiloh's Restorative is directed to the cause of these ailments—the weak inside or control leaves. It isn't so difficult to Shiloh, to strengthen the stomach, heart or kidneys, if you do it correctly. Each organ has its controlling or nerve. When these nerves fail, these organs must surely die. These vital truths are leading druggists everywhere to discontinue and recommend Dr. Shiloh's Restorative. Test it a few days, and see! Improvement will surely and surely follow.
