Remember the Date

Sale commences THURSDAY, JANUARY 7th, 1909, when \$45,000 worth of High Class Merchandise will be thrown on the market (for 15 days only) at an immense sacrifice. What's it for? Just briefly we will explain:

We find that our stock is at least \$15,000 too heavy, which means we have about \$45,000 stock, and should only be about \$30,000, hence we must unload at any cost. With this end in view we have determined to make this sale one of the GREATEST SALES of price-cutting ever heard of. The County of Grey will be stirred from centre to circumference and this 15 days' sale will bring to a rustling finish with a whirlwind of values the greatest turnover of general merchandise that has ever been held in the County of Grey. Just stop and think what it means: Dress Goods, Silks, Ready-to-wear Skirts, Mens and Boys Clothing, Suitings, Hats and Caps, Gents Furnishings, Boots and Shoes, Rubbers, Ladies and Mens Furs, Robes, Blankets, Comforters, Carpets, House Furnishings, Crockery, etc., will be slaughtered, and not any one article that comes under the above headings will be held back--everything goes.

Remember this store will be closed all day Wednesday, January 6th, 1909, when our staff will be busy all day marking down the prices.

Look for the Green Tags and Tickets inside which speak of a Bargain.

The following will give you an idea what to expect. It is an impossibility to mention everything for sale during these 15 days, and though the article you want may not be mentioned here it will be found awaiting you during this sale at prices that will surprise you.

Drop everything and make your arrangements to be here on **Opening Day, Thursday, Jan. 7th** at 8 o'clock a.m. You cannot afford to miss this sale. If you value money then prepare accordingly.
