Zaptive.

By Amy Randolph The blackbirds were whistling melodiously in the bowery old orchard at the back of the house;

the tiger-lilies and clover-pinks were in blossom under the window, and far off and clear, in the silence the old musket extended at arm's you could hear the "swish, swish" length, as if afraid that it might of Abel and Matthew's seythes on the hill; and Naomi Russet, pushing back the curls from her forehead looked out on the sunny fields and signed softly to herself. Such a day for the Sunday School nic-nic-" meditated she. 'How I should like to have gone, if only I had possessed a dress fit to wear I've never even seen the

new minister yet, and I'm sure I could have played croquet as well as any rirl there; and the striped tents on the lawn would have been such lun. But I won't have Josie Merrill sneering at my last summer's hat, and I think it would mortify me to death to hear Amabel Ryde laugh at my faded musdress. Ah!' with a second deep sigh-to think of all the start to thousands upon thousands ddep sigh—to think of all the start to thousands write for Cata-berries I picked to buy that lovely rese colored muslin, and how shockingly the colors washed out the very first time it went into the

> "Nagmi!" screamed the shrill of her aunt Russet from the above are them tarts

Baked and cooling on the winow sill," said Naomi with pardonble pride Twelve of them. Real beauties too.'

She looked with an artist's eye on the tender | dainty little tarts, where the deep, wine crimson of the raspberries blushed beneath a the righteous pride of conquest, deligate network of flaky crust; stood at the locked kitchen door, for Aunt Russet had "work people" to board in the having season, and these same sons of the soil had a very fair idea of what good board meant. "How's the custards?" said aunt

ECOGNIZED AS THE BEST Unst gone into the oven," answered Naomi.

Well, ween they're done, put in meat pie,' directed Mrs. Russed "And run out and pick the peas and took if the summer cabbare is big enough to pull; and mind you don't forget to take a brine to cook with the boiled

Naomi trowned to hersell in the OMPLETE INFORMATION FREE seclusion of the cool kitchen her black brows nearly met.

Pork said she to herself, in what would have been a soliloquy hall she been dramatically inclined. "And beas! And bread to bake! Beight of vigor is past-nature's And the dishes to wash! Oh, ower slowing down-vitality ebb- dear, why wasn't I born a lady, g away, endurance decreasing so that I might have been playing the progress of decay tone enoquet under a striped tent this morning, instead of cooking dinner Russel for my munt's boarders!"

And, flinging a blue gingham sun libunet over her black curls, Naomi Gothic left the cup custards beside the imparts power, strength raspberry tarts and flitted out inigor. Old age is pushed back 20 to the garden, here stopping to pan like a shower of green hail.

There, is nothing in the occupation of picking peas to forbid hough. And as Naomi worked on she dreamed a bright impossble dream wherein she had escaped from toil, drudgery, all dwarfing details, and lstretched the wings of her soul in upper air.

For Naomi Russet had been educated for a teacher Her artistic nature had been cherished, her intellect had been fostered; and then came death, poverty, desolation and all her hopes had ended in her aunt Russet's farm kitchen!

And still Naomi did not despair booth's Kidney Pills cure these ail For the possibilities in youth's calendar are infinite—and she was only sighteen!

At length, glancing up from her swift occupation, she saw a tall figure stride down the sheltered tender, a heavy dull pain had lane that led to the kitchen door, settled in the small of my back and enter it nause a second and glance in the region of my kidneys. My around furtively, and then—on, limbs would puff up with dropsical horrors of horrors—gather up all swellings and leave me in a miser—the swellings and leave me in a miser the golden custards, the circlets of able and painful condition. The wine red raspberries into a basket

on his arm! "It's a thief!" was the thought flashed instantaneously Which ! through her brain. Propping her pan of peas on the ground-for our little neroine was not deficient in the spirit of her Revolutionary grandmothers—she swung herself wildly over the garden wall, and, face in the parish!" said Mr. Madjumping into the low kitchen win- dex to himself, as he pursued his dow had flung her shawl over the solitary way toward the picnicintruder's head before he was even ground after they had left him. "It aware of her presence. Opening was worth being shut down cellar more relief in Booth's Kidney Pills than in all else I had used and I the cellar door, which was close to see the look of awe and selfby, she pushed him down the stair, reproach steal over the brow and and then drawing the outside bolt,

"Aunt Russet!" she shricked up From which soliloquy it may be she maused for breath. the stairs, "come quick with the inferred that Mr. Maddex was not

Abel from the field." "What!" screamed Aunt Russet

'A-robber?" "I caught him in the very act of stealing my tarts and custards! explained breathless Naomi. decent-looking man, too, dressed in black. And 1 blinded him with my shawl and pushed him down

cellar!"

"Good land of liberty!" ejaculated Mrs. Russet, as she came stiffly down he stairs, carrying take a famey to explode premature-ly. "Well, Miss Megley did say, the sewin' circle something at yesterday about ther bein' tramps around, but we live so kind of out of the way here that I didn't trouble much about it. Run Naomi, as fast as you can, for if he bangs ag'in the cellar door while you are gone I know I shall drop

down dead with fright!" Away sped Naomi, fleeter than any Atlanti, through the bloomy sedges across the fallen tree which spanned the brown-waved trout and up the hill to brook. where Matthew and Abel were cutting down long swaths, of fra-

grant grass "Boys!" she cried, breathlessly. Fre caught a tramp! Oome Make haste! He's down cellar! And your mother is watching the body and once in spirit! door with your father's old musket Abel dropped his scythe; Mat-

thew held his in mid-air, glittering somebody's head off. And then they started full run down the hill, with Naomi still loads. with Naomi still leading the van. Mother, give me the musket!?' said Matthew, as he reached the cellar door, flushed and out of

Open the door, Abel! breath. I'll soon settle this villian!" While Mrs. Russet got behind the stairs, and Naomi, thrilled with so that the flying captive might deprived even of that apparentimpracticable means of egress. he stress of the moment, Matthew Russet opened the door.

"Now, then," said he, "come out or I'll know the reasonsuddenly changing his tone, Mr Maddex! It's the new minister I beg ten thousand par-I don't see how this can possibly have happened? Naomi,

hild, come here. "Oh no offense in the world," It was a little sulden, just at first, and I'm afraid the tarts

Crumbleton!" echoed Mrs. why, Mrs. Crumbleton in the next house, where lives a bay window and three chimneys. Maddex made a laughing

gesture of dismay. "Then," said he, "the mistake is vivors, the reliance of youth is respond to a scarlet-velvet cluster of mine. We didn't have enough good stored, vigor, vim and new life essiveet-williams, then gathering a things for the little folks' table, and lished. You'll try Ferrozone, tuit of silver-green love in-a-mist, you see, and so we all went for again the property of the little folks' table, and so we all went for again to the little folks' table, and so we all went for again to the little folks' table, and so we all went for again to the little folks' table, and so we all went for again to the little folks' table, and so we all went for again to the little folks' table, and so we all went for again to the little folks' table, and so we all went for again to the little folks' table, and little fo until at last she settled down be- ing-the church warden, Mr. Dale, fore the high hedge of marrow-fat the two Steelkirkes and I. And I giants, while the pea pods rattled was detailed in this direction merrily down into her tin milk where, unfortunately, I was not quite sure of the localities. "Mrs Crumbleton told me to come to her pastry room, and take possession of whatever I could find. And I supposed I was acting up to the

spirit of her behest. I am sure beg pardon, if"— But here Naomi came forward blushing, shame-faced, a thousand times more beautiful, had she but known it, than ever she had been

before. "It was all my fault," she said nervously wringing her hands. 'All my awkwardness. Please please, Mr. Maddex, forgive me!

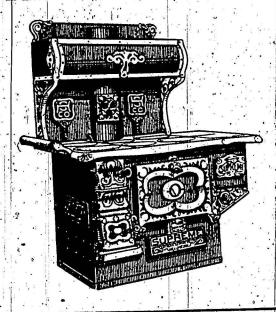

The clergyman looked placidly upon her confused face. What dryad it was, what a rose-faced wood-nymph, with rings of silken jet shading her forehead and deep eyes fringed with long, black lashes. "Do you suppose," said he pleas-

antly, "that I bear malice for the merest mistake in the world? We are friends, let us shake hands up-

And then Naomi felt consoled. After all, the tart's were not injured, although the cup custards were badly damaged. Naomi and Abel walked as far as the highroad with the young clergyman, and they all got to laughing over the mishap of that morning, like three school children.

The prettiest and most poetic soon as 1 get to my study."
