Heart Strength

Heart Strength, or Heart Weakness, means Nerve Strength, or Nerve Weakness—nothing more. Positively, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the Heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing Hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds it strengthens; it offers real, genuine heart help.

If you would have strong Hearts, strong digestion, strengthen these nerves—re-establish them as needed, with

A GRAND KIDNEY MEDICINE

"Fruit-a-tives" Cured Him When Everything Else Failed.

Ulverton, Que., March 17th, 1908.

I wish to place on record, for the sake of others that may be suffering in the same way that I suffered, that no medicine I ever took did me so much real good as "Fruit-a-tives" did.

I suffered for many years with Kidney Trouble and bad pain in the back.

I took every known kidney remedy and kidney pill, but nothing gave me any relief, and I was getting discouraged.

I was advised to try "Fruit-a-tives" and did so—and this medicine cured me when everything else failed.

I used altogether fifteen boxes of "Fruit-a-tives" and from the outset they gave me relief and I am now practically well. I have no pain, no distress, and all symptoms of kidney disease have entirely left me. I am very thankful to say that I am more well, and I freely make this statement for the sake of others that may suffer as I did. I believe that "Fruit-a-tives" as they are the best kidney medicine.

(Signed) E. J. PLACEY.

Nothing in the way of a cough is quite so annoying as a tickling, teasing, wheezing, bronchial cough. The quickest relief comes perhaps from a prescription known to druggists everywhere as Dr. Shoop's Cough Remedy. And besides, it is so thoroughly harmless that mothers give it with perfect safety even to the youngest baby. The tender leaves of a simple mountain herb give to Dr. Shoop's Cough Remedy its remarkable curative effect. A few days' test will tell. Sold by W. Turner & Co.
