

KIMBERLEY HAPPENINGS

The weather is very changeable. We are sorry to report Mrs. John Plewes on the sick list, but hope to learn of her early recovery. Born—On Thursday, March 4th, to Mr. and Mrs. George Cornfield, a son. Mr. John Plewes was in Ottawa on business during the past week. Miss Maude Fawcett was the guest of her friend, Mrs. William Martin, East Mountain, during the past week. Miss Ella Knott, of Thornbury, visited friends here during the past week. Mr. Alf. Plewes visited Collingwood friends last week. Mr. and Mrs. Wesley Breen, and family, of Flesherton, were the guests of Mr. and Mrs. H. V. Gaudin during the past week. Mr. and Mrs. Andrew Wallace and family are now comfortably settled on the farm recently purchased by Mr. Wallace from Mr. John Gillespie. We extend to them a hearty welcome. Mrs. Hugh Hammond entertained a number of her young lady friends at her home on Friday afternoon last. Miss Almada Ferguson visited Heathcote friends recently. R. R. Fawcett visited Dundalk friends last week. Messrs. Wilfred and Arthur Walter visited Redwing friends last week. Miss Dora Pedlar, of Rock Mills, was the guest of the Misses Wickens, "Pleasant Avenue," during the past week. Mr. Jasper Stuart left on Monday for Gow Ganda where he intends investing in real estate. He also has real estate interests at Elk Lake. A number from here attended the necktie social at Vandeleur on Thursday night. The program was one of the best we have ever had the pleasure of hearing and with the exception of one number 'twas all home talent. We know of no place can equal Vandeleur for home talent.

WODEHOUSE

Miss Emily Lawson, who has spent the past summer in Toronto at the millinery, is visiting the parental home here. Mr. Thos. Camack, of Kimberley had a narrow escape from losing his horses while taking ice out of the mill pond at Wodehouse on Saturday. Just as he drove on the ice they broke through, and had it not been for the aid of a few men he would have undoubtedly have lost his team. We are pleased to hear that Mr. Laidlaw, of Eugenia, is able to be around again after a few weeks' illness. Mrs. Jos. Lanktree, who has spent the past week with Rockyln friends returned home on Sunday. Miss Carr, of Michigan, who has spent the past three months with her cousin, Miss Ida Thompson, has returned to her home. Miss Ida Thompson visited Misses Edith and Emily Lawson Sunday. Messrs. Alwyn and Wilfred Fawcett are cutting wood at Mr. W. Lawson's this week. Messrs. James and Gordon Wiley cut ten cords of wood for Mr. John Lawson last week. Quite a number from here attended the Pie Social at Vandeleur last Thursday. Mr. John Hicks, of Markdale, spent Sunday at his parental home at Sligo. How are the roads down south, Jack? James Morwood got struck on the nose while playing hockey at Rockyln last Wednesday. Hockey is a dangerous game, isn't it, Jim? Once more we hear the familiar caw, caw of the crow; that is a sure sign of spring again. While working in the bush one day last week one of Joe Abercrombie's horses had one of its legs badly cut just above the hoof. Wonder how Rob feels after the runaway? The Vandeleur S.O.T. lodge drove over to New England and organized a S.O.T. lodge there. They are coming up on Thursday evening and want all the members present. Our League members held their Literary meeting on Wednesday night and report it a success.

LAME SHOULDER.

Whether resulting from a sprain or from rheumatic pains, there is nothing so good for a lame shoulder as Chamberlain's Liniment. Apply it freely and rub the parts vigorously at each application and a quick cure is certain. For sale by R. L. Stephen.

MEAFORD

Ben Johnson, who some time ago was injured by being struck by a train near Galt, has entered into partnership with Mr. Smith, one of the two men who bought out the business of the late Andrew Watt. The people of Christ Church are advertising for tenders for removing the present old S.S. room and also for erecting their new modern one to be 40x50 feet. On Wednesday, Mar. 3rd, a young jeweller, who will be son and heir came to the home of Mr. and Mrs. T. Frank Nixon. Some twenty-four new members were recently added to the Methodist as a result of the McHardy Revival. On Saturday last early in the afternoon, a horse belonging to Mr. Whitelaw, dropped dead opposite Paul's Hotel. The hearts of Mr. and Mrs. Amos Cramp have been saddened by the death of their daughter, Anna May, which sad event took place last Friday. A week previously she had been operated on by Dr. Middlebro for appendicitis; another operation last Wednesday did not mend matters and she lingered till early Saturday morning. "Black Vic," owned by J. D. Hamill, has been sold to Merritt Leavens. Mr. and Mrs. John Mackie, 7th line, St. Vincent, before leaving Minniehill to take up their residence in Meaford, were remembered in a very practical and delightful way by their neighbors of forty years' duration, by whom they have always been held in the highest esteem. Mr. and Mrs. Jourdan, after four weeks of a mission at St. John, 11th line, were presented with a generous purse, expressive of the high esteem in which the Methodists of St. John, in common with the whole circuit, hold them. Pastor Jourdan and his capable wife are a most estimable couple and one cannot but feel that the example of them sparing no time nor strength all this winter to induce men and women to lead the only life that can yield them happiness in this world, will not fail to have its effect on the parishioners of their extensive field. The Meaford High School hockey boys accompanied by a contingent of their companions, faced an awful stormy night last week to play a return match with the Owen Sound Collegiate Institute. The boys were defeated by 9 to 2, and came home feeling very sore at the unfair way they were treated. It is safe to say they will play no more games in that quarter until some official guarantee is given of the personnel of the O.S.C.I. team before playing. The entrance to Normal, entrance to Faculty of Education and Matriculation examinations begin this year on June 28. Dr. Cooper, who for some time has been a veterinary surgeon here and who with his wife has been very popular with the public, has gone to New York, whither Mrs. Cooper had preceded him. A disgraceful fight took place in Gibson's meat-shop last Saturday evening, in which the aggressor, Ross Taylor, certainly mauled a Mr. Burch. For a time it was hard to tell which was man and which was oyster-pails. Someone will have to settle handsomely to the owner. The Editor of the Canadian Poultry Review, the people's popular poultry paper, tells us that this paper has been greatly enlarged and filled with all that pertains to poultry, both from a practical and a fancy standpoint. Prof. A. C. Gilbert, Manager Dominion Government Poultry Farm, Ottawa, is still in charge of the Practical Poultry Department, while Prof. W. R. Graham, Manager of the Poultry Department of the Ontario Agricultural College, Guelph, has charge of the Artificial Incubation and Brooding Department. Rev. J. N. Williams, one of England's most noted experts, writes interestingly each month on poultry doings in the old Land. Mr. H. S. Babcock, Providence, R. I., is another prominent writer and breeder on this paper's regular staff. Each phase of poultry breeding, poultry exhibiting, etc., is fully covered, and the pages of the Review are replete with half-tone reproductions from life, of famous birds, plans of up-to-date houses, utensils, etc. The subscription price is fifty cents per year, but the readers of this paper can have it at three years for \$1.00, and sample will be sent free on application to Canadian Poultry Review, 18A Adelaide Street, West, Toronto. The point may be weakened by an endeavor to emphasize too strongly.

Howell, of Howell's American School, Havana, Cuba. DOG-FIGHT! MAN FIGHT! There was quite a lively little scrap on the front street in Wingham on Tuesday forenoon between Sandy George and Ed. Brick, all over a dog fight. Brick who lives in Chicago is home on a visit and was walking down the street accompanied by his dog. When passing George Bros. office a dog belonging to this firm rushed out and tackled Brick's dog, and then there was a dog fight. Sandy George, who happened on the scene gave Brick's dog a kick, and then Brick kicked George's dog. Then, before they knew where they were at, the respective owners were into it hammer and tongs, but the crowd which quickly gathered soon put a stop to the melee before it had gone very far. The average man will fight for his dog quicker than anything else. Advertise in The Standard.
