

KIMBERLEY HAPPENINGS

Spring-like weather these days. Wheeled vehicles are in evidence again. Mr. Wm. Sloan visited friends at Toronto recently. Mrs. Herbert Teed and children of Duncan, visited Mrs. Teed's sister, Mrs. Cargo, East Mountain during the past week. Mr. John G. Mitchell, of Clarksburg, was the guest of his friend Mr. John Plewes, on Monday of this week. Mr. Arnold Ferguson, of Thornbury who has spent the past month with friends here, returned home last week. On account of the mild winter the ice on the mill-dam was of poor quality, and as a consequence the village supply was secured from Wiley's pond at Wodhouse. Miss Hattie Latter, of Collingwood, spent a few days during the past week at her parental home here. On Wednesday night of last week Mr. and Mrs. A. E. Myles "Springbrook," entertained a number of their young married friends to a Flinch Party. Mr. Edgar Gorley, one of our enterprising young farmers, last week purchased from Mr. W. J. Black, of Thornbury, what is known as the Onia farm, near Epping. Mr. and Mrs. John Wyvill and baby of Markdale suburbs, spent Sunday last the guests of Mrs. W.'s parents, Mr. and Mrs. Wm. McClung. On Saturday last Mr. and Mrs. J. R. Fawcett visited the former's mother at Heathcote, who is very low at present. Mr. and Mrs. Geo. Hutchinson, of Heathcote, spent Monday of this week with friends here and were the guests of Mr. and Mrs. J. R. Fawcett. Squire Stuart and Joseph Weber left on Monday of this week for Parry Sound District, where the former has real estate interests. After a few months they intend going on a prospecting trip up through the Elk Lake and Gowanda mining districts. Ald. W. J. Black, of Thornbury, was a visitor in our burg on Friday last. His daughter, Miss Eva, who is a member of the teaching staff of our school, accompanied him home, where she will remain for a few days recuperating from a severe cold. We hope she will soon be able to resume her duties. The congregation of the Methodist Church on Sunday evening last was treated to an exceptionally well rendered solo by Miss Gertrude Caesar, of Markdale. Miss Caesar possesses a strong, clear, well-trained soprano voice, and we hope ere long to be favored with a similar treat. Master Harry Baker, of Vandeleur, spent Saturday and Sunday last the guest of his cousin, Mr. Ashley Fawcett. Mr. and Mrs. John Plewes visited Flesherston friends during the past week. The Misses Lily and Annie Curry of Rocklyn were the guests of the Misses Plewes during the past week. The Kimberley Branch of the O. W. I. will meet at the home of Mrs. F. J. Weber on Thursday evening, March 25, at 7:30 o'clock. A full attendance is requested.

PROF. H. A. HOWELL, OF HAVANA CUBA, RECOMMENDS CHAMBERLAIN'S COUGH REMEDY.

"As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now," writes Prof. H. A. Howell, of Howell's American School, Havana, Cuba. "On the night of Feb. 3rd our baby was taken sick with a very severe cold; the next day was worse and the following night his condition was desperate. He could not lie down and it was necessary to have him in the arms every moment. Even then his breathing was difficult. I did not think he would live till morning. At last I thought of my mother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief, and now three days later, he has fully recovered. Under the circumstances I would not hesitate a moment in saying that Chamberlain's Cough Remedy and that only, saved the life of our dear little boy." For sale by R. L. Stephen.

The smile that wont come so soon gets monotonous. Most people want what they want until they get it and then they don't want it.

TRAVERTON

The day was long, the sun quite hot. The charled maple tough as a knot; The shoulders ache, the muscles sore Your scribe is glad the day is o'er. Little Katie Firth was quite ill last week with erysipelas in the face, but is now recovering nicely. Miss Florence Hunt and her brother Percy, and Miss Olive Cook and her brother Earnest, spent the week end with friends at Rocklyn. Mrs. Thos. E. Blair sold a fine team of heavy horses last week for a little over \$375. Mrs. J. J. Peart never fails to act the Good Samaritan when opportunity presents itself. Last week she spent three busy days at Mr. R. Millburn's, then took train to Hanover and spent a couple of days with her mother, returning home on Saturday. Mr. Millburn expects to bring his wife home from Stratford hospital this Monday. Mr. and Mrs. Will Jack had a gathering of intimate friends to a farewell party to Mr. Thos. Jack on Monday eve of last week, ere taking his departure for his home at Riverview, Sask. The cosy old home was a picture of beauty and a most happy evening glided by. After a feast of rich edibles, an impromptu program of song, recitation, speech and music followed, and the 83-year-old sire, Mr. R. Jack, was one of the brightest spirits. Tom left the following day and 'tis needless to say, that the neighborhood was loth to see him leave. Whether it was from loss of sleep, or too much gluttony during the winter season, we know not, but one thing was evident, nearly half of the middle aged fellows of the vicinity were laid up last week with colds, chills, headaches and fever. The boys are congratulating Mr. James Hastie in a quiet way and with a silent, hearty grip of the hand, over the birth of his little baby girl on Monday, March 8th. The whole community are rejoiced to hear of Mrs. Hastie's recovery. There are very few men in the township who have been so successful as Mr. Chas. Boyle, whose sale came off on Tuesday of last week. Friends, relatives and neighbors came from far and near and 'twas with sad hearts they saw the gatherings of over half a lifetime scattered. Mr. Boyle had a most magnificent property, splendid building and everything handy and comfortable. During his thirty-six years residence there, he and his departed partner have reared a family of many sons and daughters fair, and noted for their skill in home-making, their sunny-heartedness and winsomeness. The great long west has called the greater number, so Mr. Boyle feels like settling near them. Mr. Wes. Brady, the purchaser of the property, has already won a warm spot in the good will of the community and we predict for him a most successful career. Despite the ugliness of the weather, Auctioneer Mathews, secured high prices and Mr. Albert Jackson in his quiet way had no difficulty in keeping a true record. We voice the sentiments of all, when we say we are sorry to lose them, but wish them every success in the wheatfields of Sask.

In Memoriam

Ernest Dawson Boland, who died Mar. 9, aged 4 yrs., 4 mos. Gone to Heaven is little Ernest, Free from sorrow, pain and care. With the loved ones gone before us, He is now so happy there. Like a lily in its beauty, Just as lovely, pure and bright, When the Saviour called him gently, And the spirit took its flight. It was hard to part our darling, But the Father knoweth best, So he took our little blossom Evermore with him to rest. We are lonely without Ernest, Yet we know he cannot come; But we may, dear friends, be ready To meet him in that heavenly home. Do not mourn him, loving parents, He is happy with the blest, And they know not pain or sorrow, Nothing know they but Sweet Rest. —E. C. B. Have you a pain—of any kind, anywhere? Stop just a minute and think! It matters not whether it be womanly pains, head pains, or any kind of a pain, one of Dr. Shoop's little Pink Pain Tablets will surely stop it in 20 minutes. Formula plainly printed on the 25c box. Sold by W. Turner & Co. Parry Sound town council has appointed a Board of Health.

ROCKLYN.

The crowd was rather disappointing at the races held on Tuesday of last week at the rink. Each race was keenly contested and well worth witnessing. The following are the prize winners: Boys' Potato Race: 1st Dawson Crabtree; 2nd, Willie Very. Mansell Cook was running the winner a hard race for first place but failed to see the twelfth potato, thereby losing a prize. Girls' Race: 1st, Miss Hazel Falls; 2nd, Miss Freda Neely. Here some difficulty also arose, the contestants coming in two rounds before the number allotted had been run. Lady and Gentleman Race—1st Miss Hazel Falls and Mr. Ernest Gordon; 2nd, Miss Leila Cook and Mr. Ernest Saul. Mens' Race—1st, Ernest Gordon; 2nd, Bal Abercrombie. Mr. and Mrs. C. P. Day, of Daywood, were guests at the home of Dr. Williams for a few days recently. Misses Mabel and Florence Hunt and Mr. Percy Hunt, with Mr. and Miss Cook, of Traverston, spent Sunday in our neighborhood. An old and highly respected resident of Sligo, Mrs. Wm. Bailey, passed peacefully away on Saturday afternoon last, the cause of death being heart trouble. Deceased, whose maiden name was Elizabeth White, was 77 years of age, the greater part of her years being spent in Euphrasia township. Mrs. Bailey was of a very kindly, though retiring, disposition best known in her own home where she was much loved by her children and intimate friends. Her husband predeceased her a year ago. The funeral services were conducted by the Rev. J. R. Wilkinson on Monday afternoon, interment taking place at New England cemetery.

No remedy so useful in the home, so sure to prevent serious illness as Nerviline and Nerviline Plasters. Sold by all dealers, 25c each, but be sure you get the genuine, and refuse any substitute.
