

No expense or trouble is spared to make INVICTUS the highest grade footwear it's possible to produce.

The makers realize the importance of turning out high grade

Because they know What a satisfied customer means.

They also know that to hold a customen they've got to give him the same high

grade shoe value from year to year.

And, knowing this, they use none but the finest selected leathers.

They employ none but competent experienced workmen.

They originate the shapes that lead the shoe styles in Canada:

It's absolutely impossible to make better shoes than INVICITUS Shoes.

We have them in all the latest shapes in Lace and Blucher Style in all sizes and all widths, at \$4.00, \$4.50 and \$5.00 for men.

INVICTUS Shoes are made by GEO. A. SLATER, Montreal, and for sale in Markdale only

THURSDAY, APRIL.

Revised figures, from the North West show that in grain production Man toha has to give pre-eminence to Saskatchewan. In 1908 the latter Province produced 105,500, ood bushels of wheat, oats, barley and flax from less than 7,000,000 acres. It is also estimated that in 1909 there will be an increase of 20 per dent in the acreage under cultivation as compared with last year no doubt with corresponding in-

A member of the Vermont Legislature has introduced a hill to punish newspaper correspondent fakirs and protect publishers. This bill makes the giving of false news to a newspaper with intent to deceive, punishable by fine ranging from \$5 to \$20 for each offence. Commenting on this proposed legislation, the Boston Transcript remarks : We hope that the Vermont lawmakers will lose no time in making the bill a statute. Its enactments will fill a long felt want of Vermont editors and blaze the way to relieve those
