PAIN

Dr. Shoop's Headache Tablets. W. TURNER & CO.

Markdale Roller Mills.

Flour Mill will be done at once, as Mr. Baird is using the power at Victor Mill in cutting out his stock of shingles.

J. W. FORD

KIMBERLEY HAPPENINGS

(Crowded out last week.) The weather continues cold and wet during the past week and from present indications there will be very little seeding done even this week. Mr. Oliver Irwin, who has spent most of the winter at Elk Lake and Gow Gaudie, returned home recently for a short time. He returned to Elk Lake on Saturday, accompanied by Mr. Fred Thompson. Mr. Henry Hurd is visiting friends in Toronto. Mr. Herman Smith left last week for Moosejaw, Sask. Herman was one of our highly respected young farmers and we wish him success in the Canadian West. Talk about tomato plants. Why, Mrs. Neil Boyd has plants that were in bloom a month ago. Who can beat this? Mrs. Thos. Brooks, of Clarksburg, who spent the past week at her home here, returned home on Sunday last together with Mr. Brooks, who came over from Clarksburg the same day. Miss Vera Gaudin has recently been appointed organist of the Methodist church and Mr. R. D. Carruthers is the new choir leader. Mr. Fred Stuart has recently purchased a fine young dryer. Our local weather man, Mr. Augustus Burrill, is inclined to think that the cold weather may possibly be prolonged. We hope not. Mr. Gerald Wallace and sister Miss Vera treated a number of their young friends to a fine party on Monday evening of this week. The regular monthly meeting of the local branch of the O. W. I. was held at the home of Mrs. Rufus Wickens, "Pleasant Avenue" on Thursday afternoon of last week. An enjoyable as well as profitable time is reported. Miss Maude Fawcett spent the week end with her friend, Miss E. Brooks, of Clarksburg. Pathmaster Wm. Walker is preparing to do extensive improvements on Main street, which is certainly not before time, as the roads in our village are in a deplorable condition. As he is a good road builder, needless to say a good road will be the result. Mr. W. S. Bishop has a gang of men busily engaged aiding him cutting shingles. Mr. Emerson Brown, of Clarksburg, was a caller in our burg on Monday of this week. Messrs. Stewart & Boyd, stock dealers of Flesherston were callers in our burg on Saturday last on their way home from Meaford where they purchased a goodly number of fat cattle the same day in competition with a number of buyers from Thornbury and Collingwood. Mr. Mitchell Kerr, of Redwing, was a caller in our burg on Monday of this week.

WODEHOUSE

(Crowded out last week.) Mr. Will Wiley, while working at the saw mill the other day took a cold bath which may have proved fatal. He was sliding the logs in the water when the pike pole slipped and let him in. But you can't keep a good man down, can you, Will. Miss Nancy Wiley, of Maxwell, spent a few days last week with her friends here. Seeding operations have been started in this vicinity but have been stopped again for a while. Mr. Will Woods has a gang of men for the last week or two sawing lumber. Our esteemed correspondent on the ninth—oh, excuse me—of Redwingdale seems to think our joke would not be enjoyed by the readers of The Standard, but we are inclined to think it would have sounded all right had it been on the other fellow. On Wednesday evening the H. Worth League of the New England Methodist church elected the following officers for the ensuing year, 1909: Hon. Pres.—Rev. Mr. Wilkinson. President—Miss A. Hicks. 1st Vice Pres.—Mr. Will Lawson. 2nd Vice Pres.—Miss E. Lawson. 3rd Vice Pres.—Miss L. Aldcorn. 4th Vice Pres.—Miss Nancy Wiley. Secretary—Mr. Fred Birch. Treasurer—Mr. Will Wiley. Correspondent—Miss L. Aldcorn. Organist—Miss Edith Lawson. Mr. E. E. Hicks attended the Rocklyn Spring Show and reports everything in shape for another year. Mr. T. I. Fawcett and daughter Rena visited Heathcote friends one day last week. It looks like as if winter was going to set in again. Better get the skating rink in operation again. Mr. J. Hicks, of Markdale, spent Sunday at his home here. Miss M. Dunlop, of Meaford, visited her cousin, Miss M. Morwood, over Sunday.

PERIL WEDDING.

A quiet but fashionable house wedding was solemnized at the home of Mr. and Mrs. Arthur Court, Ste. Marie street, Collingwood, on Wednesday, April 18, when their youngest daughter Katharine was united in the holy bonds of matrimony to Mr. J. H. Mopinibin, of Toronto. Promptly at one o'clock to the strains of Lochechner's Bridal Chorus, gracefully played by Miss Nellie Ward, organist of Maple street Methodist church, the contracting parties entered the drawing room, the bride leaning on the arm of her father. The ceremony was performed by the bride's pastor, Rev. Norman King, pastor of George street Methodist church, in the presence of a few of the close friends of the contracting parties. The bride and groom were unattended. The bride was one of Collingwood's most popular young ladies. She was handsomely gowned

PROTON STATION

Mr. and Mrs. Wm. D. Hopkins attended the funeral of the former's sister, Miss S. R. Hopkins, Durham, on Friday last. Mr. J. C. Wright spent a couple of days in Owen Sound last week. Miss Hattie Leech visited over Sunday with friends in Dundalk. Misses Itha and Clara Bonnie, Flesherston, spent Sunday at home. Miss Mildred Lyons spent part of last week with her aunt, Mrs. James Quinn, at Bethel. Mr. R. Armstrong and family are moving to Dundalk this week. Mr. Robert Neilson has spent the past week in Toronto. Mr. John English, of Ceylon, moved into the Temperance House in Proton on Saturday.

HOW TO REMOVE WARTS.

It's really a simple matter to remove warts and callouses if you apply Putnam's Corn and Wart Extractor. Cure is certain—failure impossible—if you use Putnam's.

CHERRY GROVE

Seeding is in full swing in our burg. Misses Sadie, Fletcher and Ethel Bradey visited Ceylon, Hopeville and Pricerville friends last week. Mr. Gordon Bowler visited at Ed. Bradey's one night recently. Mrs. Struthers visited her daughter, Mrs. S. Hawken, Harkaway. Mr. W. Wyvill and family have the sincere sympathy of the Grove, in the loss of the former's mother recently. Mr. Will Rennie of Hanover spent a few days with Ed. Bradey's, sr. Mr. A. Hawken of Flesherston visited at Mrs. W. Taylor's last week.

COLD IN THE HEAD

What's the Sense in Sneezing and Sniffing, dosing with purgatives or blotting with atomizers? CATARRHOZONE A convenient inhaler treatment is the proper remedy to cure quickly and pleasantly. Sensible people long ago abandoned the idea of "working off" a cold by means of laxatives and purgatives for the simple reason that the cure is as bad as the disease itself. To cure a cold in about ten minutes' time use Catarrhozone. It is aromatic, delightful to inhale, clean and very simple to use. Catarrhozone is a vegetable antiseptic, and perfectly safe and harmless. Even children and infants can use it. The vapor is inhaled at the mouth, and after passing through the respiratory organs is exhaled slowly through the nostrils. Catarrhozone never disappoints, it stops sneezing, coughing and running at the eyes, by a few inhalations. Inflammation, congestion and all irritation disappear under the influence of Catarrhozone more quickly than can be told. C. B. College, of Clarence St., London, says: "I had a continuous cold in the head for years, and never used anything with such quick results as I derived from five minutes' use of Catarrhozone. I am delighted to find a remedy that cures colds in a few minutes. Catarrhozone cures every time." To carry a Catarrhozone Inhaler in your pocket means you won't have colds, catarrh or any lung or throat trouble. It keeps these diseases away and is warranted to protect you against all the ills of winter. Complete outfit, with Hard Rubber Pocket Inhaler, costs \$1.00. Small size 50 cents. Drugists or N. C. Polson & Co., Kingston.

HE DIED OF KIDNEY DISEASE.

How often we hear of these sad cases. The back-pains and headache were noticed—but not treated. Dizzy spells, frequent calls and languid condition appeared, but nothing was done till the disease was far advanced. Cure invariably results from Dr. Hamilton's Pills. They restore perfect health, destroy every symptom of diseased kidneys, build up constitutions that defy further outbreaks. Because purely vegetable and free from injurious materials, no remedy equals Dr. Hamilton's Pills for Kidney and Liver complaint. Sold in 25c boxes by all dealers.
