LOCAL and GENERAL

Vote for the by-law on Monday. Read Standard Want Ads on page 5. Meet me at the Markdale Fair, October 6th. These are busy days for the threshers and thrashing machines. Kitchen range in good condition, will be sold cheap for cash. Apply at this office. There are not enough ships on the lakes to carry the grain from Canadian ports. Dufferin Central Fair will be held at Shelburne on Tuesday and Wednesday, the 28th and 29th September. Counter Bros. are to be at the Acere Hotel, Markdale, this Thursday, Sept. 16, to buy a car and horses. Send in your entries to Secretary Wickham of the Walters Falls Agricultural Society and avoid delay the day of the Fair. New England church annual services will be held on the first Sunday in October and the supper the Monday evening following. The Ladies Aid of the Walters Falls Methodist church are making preparations for a large crowd at the Walters Falls Fair Sept. 28 and 29. Mr. John Hill has a good acre farm in good state of cultivation and with good buildings, three miles south of Markdale to rent. See adv. The Directors of the Walters Falls Agricultural Society are meeting judging rings this year to enable the Department judges to do their work without interference. Berkeley Presbyterians intend holding a Harvest Home festival on Sunday, Sept. 26, and a tea-meeting Sept. 27. Rev. J. Young, of Markdale, Methodist church will preach at 3 p.m. and 7 p.m. Suggestions by Peary that Cook's diary and the affirmations by Cook that Peary is dead, may both be nearer the truth than the assertion that either of them discovered the North Pole. Fred G. Bell of Strigley brought to the office of the Shelburne Economist an egg one of his hens and that measured five and seven-eighths by eight and three-sixteenths inches. At a joint meeting of the Finance and Musical committees of the Methodist church held Tuesday night, Mr. J. H. Dudas was engaged as organist and choirmaster. Parties to begin the 1st October. The weather has warmed up decidedly since the reports of the Eskovoy of the North Pole got into print. When the South Pole is located we may look for coldness. The establishing of a wireless telegraph connection between the two extreme points should cause a moderate temperature. Mr. W. S. Wheeler, formerly of Farland & Co.'s here, but lately in the mercantile business in Millerton, is now located in Harrison in partnership with W. M. Clarke. The firm being known as Messrs. Wheeler & Clarke. Mr. Wheeler's business ability, along with his characteristic dependability, will not be long in winning him many friends in Harrison and The Standard wishes him the best of success. Announcement is made of the marriage of Miss Zillah Willey, daughter of Mr. and Mrs. Charles Willey, of 48 Linden avenue, East Orange, and Charles G. McNaughton, also of that city, son of Mr. and Mrs. Robert McNaughton, of Markdale, on Wednesday evening of last week. The ceremony was performed by Rev. Harold S. Brewster, pastor of St. Agnes Episcopal Church, East Orange, at the rectory. A reception followed the ceremony at the home of the bride's parents. Following a short bridal trip, the couple will reside at 48 Linden avenue, East Orange. Newark Evening News.

FURNITURE FACTORY BOOMING

Secured \$15,000 Order on Monday—Goods Giving Excellent Satisfaction.

Markdale Furniture Factory, is now a scene of activity, the extent of which is a revelation to visitors. The goods shipped out, thus far have brought most encouraging commendations from the trade. Mr. Bushfield is proving himself a most capable factory manager, and this week an experienced book-keeper and furniture financier is added to the business end of the concern. Along with this a fifteen thousand dollar order was booked on Monday, which with those coming in almost daily, will keep the factory running full capacity for a twelve-month, and by that time an enviable reputation for the manufacture of superior goods will doubtless ensure continued permanent success.

Miss Susy Taylor returned last week, after visiting in Toronto. Berlin will apply to the Legislature to be incorporated as a city. Send to Albert Jackson, Markdale, the Secretary, for a copy of Markdale Fall Fair prize list.

Little Current will vote on a by-law to raise five thousand dollars for cement sidewalks on the 27th inst.

VOTE FOR THE BY-LAWS

There is no doubt about the result of the voting next Monday on the by-laws to raise funds to complete the waterworks system and to furnish the necessary fire extinguishing appliances. There might be good reasons for opposing the undertaking at the outset, but now that twenty thousand dollars has been voted, and the system undertaken and well nigh completed, it would be the height of folly to defeat the by-law for providing the necessary amount to complete the job. All that remains to be done by the ratepayers in order to have the additional amount spread over a 30-year term is to come out on Monday and record their vote in favor of the by-laws. Voting in Haskett's hall from 9 a.m. until 5 p.m. on Monday next, September 20.

REEVE APPEALS TO VOTERS

To Come Forward on Monday and Pass the By-Laws for Money to Complete Waterworks and Secure Fire Protection.

To the Ratepayers of Markdale: Gentlemen—Last week we published a statement showing in detail how the amount already voted for waterworks had been expended, and estimates of amounts necessary to complete the system. We find there is amongst ratepayers some apprehension as to the position the town is in if the by-law should be defeated.

It is not now a question as to whether or not you are in favor of the waterworks or the completion of the same. The contracts have been let, the debts have been incurred and must be paid, and it would be very unfortunate if the ratepayers should vote down the by-law necessary to raise the required money. The result, of course, would be that there would be no money available to pay our debts, the town would be sued, there could be no defence and judgment would be recovered and the town put to very serious costs, all of which we would be compelled to pay; also the \$20,000 we have already expended would be lying idle, not earning a dollar.

Every ratepayer interested in the good name of our town should turn out and vote for the by-law. There is no doubt a heavy debt has been incurred, but now is not the time for a discussion of the policy of installing a waterworks system. The necessity for supporting the by-law for fire protection appliances was set forth in last week's paper. Having by a popular vote decided to undertake the work, we must now provide for payment of the debt. Any opposition at this date can result only in incurring heavy costs and putting the town in a very unenviable position. I ask the ratepayers to turn out and support both by-laws.

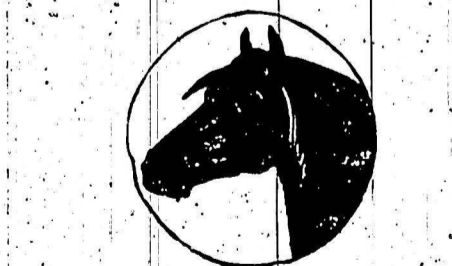

When completed we will certainly

BURIED UNDER TONS OF SAND

J. C. Kennedy, of Owen Sound, Has Narrow Escape From Horrible Death.

Buried under tons of sand, Mr. J. C. Kennedy, inspector of work at the new filter beds at Owen Sound, narrowly escaped a horrible death Saturday afternoon. Kennedy was standing in the close to the bank, when the sand started to slide. Mr. Kennedy was caught by the feet, and before he could free himself, the sand fell and completely buried him. Immediately all hands set to work to dig him out, but the weight of the sand was so great that nearly half an hour elapsed before he was rescued. He was almost dead from suffocation, but soon recovered consciousness when able to breathe freely. When his rescuers reached him they found him lying on his arm over his face, and he undoubtedly owes his life to the sand was thus kept from his mouth and nose, enabling him to get a little air.

Canada's Crop Increase

Remarkable Showing in Wheat, Oats and Barley.—The crop yields shows a big increase according to an official report. Wheat is estimated at 1,000,000 bushels; increase over 1908, 1,000,000. Oats amount to 1,000,000 bushels, 84,000,000 increase. Barley shows a 7,000,000 bushel increase. The crop is estimated to be worth from \$50,000,000 more to Canadian farmers than last year.

SAD DEATH AT DORNOCH

Miss Kate Priel Succumbed to Sudden Illness—Was a Very Popular Young Lady.

Many were the hearts filled with sadness when on Monday morning, Sept. 6, an announcement was made of the death of Miss Kate Priel. Although the deceased had not been in the best of health for some time, having contracted a severe attack of grippe in the spring, from which she never really recovered, still none thought she would die until she became suddenly ill Sunday morning. The best medical skill had been procured and all that loving kindness could prompt or suggest was being done to restore the sufferer to health and strength. But in the designs of Almighty Providence her earthly career was ended in the early morning of the 6th, aged 36 years and some months. Her end was peace and she was fortified by the last rites of the Catholic Church, administered to her by her pastor, Rev. Father Shaughnessy, of Owen Sound, who was with her during her last illness. She leaves to mourn her early demise a sorrowing mother, one sister and seven brothers. Kate was the youngest member of Mrs. Priel's large family and by her bright, cheerful and genial disposition and exemplary life had endeared herself to the hearts of all who knew her. The constant stream of visitors from far and near who called to view the remains and the large number in attendance at the funeral, which took place to St. Paul's cemetery Dornoch, Friday morning, Sept. 10, was a silent testimony of the great respect in which the deceased had been held. Requiem High Mass was celebrated by Rev. Father Shaughnessy in St. Paul's Church, Dornoch, after which the mortal remains of deceased were amidst sadness and sorrow committed to their last resting place in Mother Earth. The pallbearers were her six brothers. Four Frank, Tom, James, William and Joe. May her soul rest in peace.
