Hon. I. B. and Mrs. Lucas left on Saturday morning for Edmonton, where Mr. Lucas will be the official representative of the Ontario Government at the laying of the corner stone of Alberta's new Parliament Buildings on 1st Oct. Three days later a similar ceremony will take place at Regina, the capital of Saskatchewan, where Mr. Lucas will also represent the Ontario Government. His Excellency will be attended by a brilliant suite and prominent members of the Cabinet at Ottawa and the Provinces will be present, as well as a number of Senators and members of Parliament. Large excursion parties have been arranged for all over Alberta and Saskatchewan.

THE MASONS "AT HOME"

Entertain Their Lady Friends to a Most Enjoyable Evening.

The first "Ladies' Night" of Hiram Lodge No. 499 A.F. & A.M. was held in their beautiful lodge room on Tuesday evening and proved a most enjoyable affair. Nearly fifty Masons and their lady friends sat down to a tasty spread in the commodious banquet hall, and after refreshments were partaken of, Chairman Wor. Bro. Alex. Smith, of Thornbury, proposed the following toasts, which were ably responded to by a number of the brethren: "The King and Craft," "Our Country," "Visiting Brethren," "Hiram Lodge," and "The Ladies," the latter by Bro. John Charles, of Toronto, who gave an exceptionally well worded address, which was a spicy contribution to the oratorical gaieties of the evening. Adjournment was then made to the hall, where a splendid program was provided. Bros. John Charles and Wm. Wildong, of Toronto, delighted the gathering with their clever impersonations and mirth-provoking skits, chief among them being "Two Little Girls in Blue" and "School Days." Mr. Wildong also gave a couple of monologues and Mr. Charles a solo. Miss Fern Watson sang very sweetly "Some Day When Dreams Come True," and Mrs. (Dr.) Brown sang "Annie Laurie" exceptionally well. Mrs. Brown and Bro. John Caesar also gave a pleasing duet, "What are the Wild Waves Saying?" and Mr. Caesar two well rendered solos. Misses Leonie Mathews and Mabel Plewes were accompanists. The evening as a whole was thoroughly enjoyable and will long be remembered by those present.

Considerable discussion took place regarding the rate to be levied on the water works and the furniture factory, which owing to the water rate being raised last year, and the furniture factory being about fifty per cent, but the rate of the rate was postponed until a special meeting which will be held on Thursday evening. Session lasted until 11 o'clock.

OFFENCE UNDER LOTTERY ACT.

Surprise came to the friends of J. H. Stephenson, jeweller, on Monday week when it became known that action had been entered against him on the charge of conducting a lottery. On the 12th inst. Mr. Stephenson advertised what was called a "Grab" lottery. The scheme being as follows: Three hundred parcels, each containing an article out of his store and purporting to be worth at least 25c. each, were placed in a window. In a number of the parcels were numbers representing valuable articles such as an eight-day clock, gold watch, etc. which were offered as a further inducement to purchasers, the person drawing a "grab" thereby run the risk of securing a clock, watch, or other article for the sum of 25 cents, the balance of the 25c. being charged for a "grab." A considerable discussion took place on Monday before Crown Attorney Armstrong, of Owen Sound, regarding the lottery. On Monday of last week Mr. Stephenson, accompanied by his counsel, Hon. I. B. Lucas, appeared before Judge Cotton at Owen Sound and pleaded guilty to the charge, but was allowed off on suspended sentence. Technically Mr. Stephenson was guilty of a breach of the law, but he was unaware of the unlawful nature of his scheme, the offence was as lenient as possible in the matter. None of the parties to the "grab" were fined, although all were technically liable.

Important to Ladies.

It is not often an opportunity occurs at your door to see the latest Parisian and New York styles in Hair Goods, yet such is the case as Prof. Dorenwend, of Toronto, is visiting this town, and invites your inspection of these goods at his private apartments reserved at the Hotel.

These Hair Goods styles, when properly adjusted protect and ornament the head, soften and beautify the expression of the face, and consequently tone up an aged appearance. Be sure and see them at the Markdale House, Markdale, on Wednesday, Oct. 13.

WHY NOT?

Here is a marriage notice dated some years ahead. The bride looked very well in a travelling dress, but all eyes were centred on the groom. He wore a dark suit that fitted his form perfectly, and in his dainty gloved hand he carried a rose. His curly hair was beautifully done, and a delicate odor of hair oil, of the best quality, floated down the aisle as he passed. The young people will miss him now that he is married.

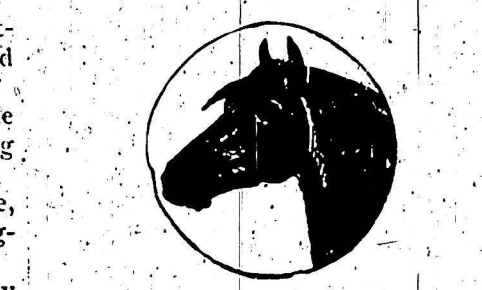

He is loved by all for his many accomplishments, his tender graces and his winning ways. The bride commands a good salary, as a book-keeper, and the groom will miss none of the luxuries to which he has been accustomed. A crowd of pretty young men saw him off at the depot.

Meaford will erect a new school building at an estimated cost of \$25,000.

The Dufferin Light & Power Co., whose power house is at Hornings Mills, supplied their Orangeville customers with electricity for the first time on Wednesday evening of last week. The company is now lighting Shelburne and Orangeville.

Magistrate fined such a sum as justice directs." As to killing poultry, would doing injury to neighbors' crops, the Criminal Code, chapter 146, section 537, provides: "Everyone is guilty of an offence and liable, on summary conviction, to a penalty not exceeding \$100 over and above the amount of injury done, or to three months imprisonment, with or without hard labor, who wilfully kills, maims, wounds, poisons or injures any dog, bird, beast, or other animal not being cattle." The law is thus very clear upon these points, and the public would do well to take heed of the sections quoted, and avoid being dragged into court.
