Miss Irene Gaudin, daughter of Rev. S. D. Gaudin, of Cross Lake Mission, Keewatin District, arrived last week to attend the public school and spend some time with her aunt, Mrs. W. H. Thurston.

Anniversary services in the Methodist church on Sunday were well attended and the large congregations were given a feast of good things in the very able and deeply interesting sermons preached by Rev. J. T. Cosly Morris, of Owen Sound. Mr. Morris is a clear and forcible speaker, with an effective delivery. His sermons were much appreciated and we hope the Rev. gentleman may soon again visit Flesherton. The choir rendered special music and the thanksgiving by the people was very gratifying. On Monday evening a free circuit rally was held and proved very enjoyable. In the early part of the evening refreshments were served and a pleasant social time was spent, after which a good program was rendered, the pastor, Rev. H. E. Wellwood, presiding. After an opening hymn and prayer by Rev. Mr. Kipp the choir by request gave an anthem rendered at Sunday service. Short addresses followed by the heads of the various church organizations on the circuit: Sunday Schools, W. H. Bunt, Flesherton; J. Buchanan and J. I. Graham, Meaford Road; Epworth Leagues, R. Wilcox, Flesherton; W. Buchanan, Meaford Road; Ladies Aid, Flesherton; Mrs. Geo. Mitchell; W.M.S., Flesherton; Mrs. W. Boyd. Pleasing fraternal addresses were also given by Rev. A. Thompson, and Rev. Baptist. Music was interspersed, a sweetly rendered duet being given by Miss Florence Bunt and Master Bob Trimble, and well rendered solos by Dr. Murray and Mrs. R. H. Wright and Miss Mabel Boyd. Mr. W. Clayton, recording steward, gave an interesting historical sketch of the church. The doxology and benediction brought the entertainment to a close.

RIVERDALE

Our good old summer days are over.

We regret to report Mr. A. Boales seriously ill at present.

Mrs. G. Wyllie, of Markdale, visited friends in this vicinity recently.

Mr. A. Cowan disposed of his handsome little driver for a gratifying figure last week.

Miss L. Wiley, of Meaford, visited her parental home for a few days recently.

Mr. G. Erskine, of Beaverville, is engaged plowing on his farm in this vicinity.

An item in Riverdale recently stating that Miss Annie Richardson attended the Toronto Exhibition; we regret to say, was a false report. Let us kindly remark that information of the doings in this vicinity is solicited, but anything of a "fishy" nature is quite undesirable.

Inferring from the awful laps of time since our esteemed Beaverville cor. has informed us of the doings in that sociable community, we presume they have resigned their position as reporter. We hope soon to hear again from that progressive community.

DUNDALK

Proton township by a surplus of fifteen names on the 1909 voters' list is entitled to a deputy reeve for the coming year. The Herald bears the names of R. Cronin and Wm. Middleton, the former now in the council and the latter, an ex-councillor, mentioned in connection with the new position.

Mr. W. J. Robinson, Toronto, was in town this week. He was one of the unfortunate ones in the Caledon railway wreck of two years ago. For nearly a year his life was hanging in the balance through the injuries sustained. Although he has not yet resumed work, he is almost restored to his wonted health.

About one o'clock Friday morning a way freight while shunting in the yard, pushed some of the cars over the stop blocks at the switch near the pump house. Little damage was done by the derailment, but it required some good hard work till nearly day-break to replace the cars in their proper position.

Liveryman Oliver was astounded Monday evening on discovering a boy of eight years having a smoke in his hay loft. This is one of the offences for which it is difficult to fit a punishment. A pretty stiff reprimand from some source should be given not only for the boy's sake but for the sake of the property which was endangered.—Her-

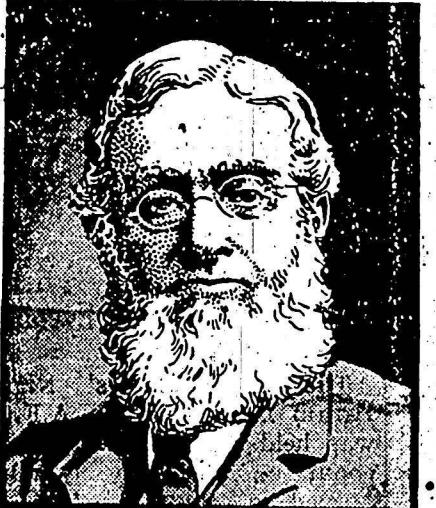

He Got the Ten.

On Tuesday morning a stranger appeared at the home of Mr. Bye, on the base line just south of the village, and presented himself to Miss Edith Banner as a telephone man and asked her as a favor to change a twenty-dollar bill with which to pay for some material which had just been delivered. As the man had remained at the house the night before her suspicions were not aroused, and she at once proceeded to oblige the man by laying down a ten dollar bill and then going upstairs for the balance. When she returned neither man nor money was to be seen. For a time she suspected nothing wrong, but on coming into the village and reporting the occurrence was advised as to the true situation. The man, it appears, came into the village and then went down to the station where he took the train, after having the ten dollar bill changed. The Toronto police were telephoned but so far nothing has been heard of the man. As he had some fingers amputated, identification should not be difficult.—Pickering News.

Kidney Disease For Years

This Well Known Gentleman Strongly Recommends "Fruit-a-tives" to all Sufferers.

JAMES DINGWALL, Esq.

"I have much pleasure in testifying to the almost marvellous benefit I have derived from taking "Fruit-a-tives." I was a lifelong sufferer from Chronic Constipation, and the only medicine I ever secured to do me any real good was "Fruit-a-tives." This medicine cured me when everything else failed. Also, last spring I had a severe ATTACK OF BLADDER TROUBLE WITH KIDNEY TROUBLE, and "Fruit-a-tives" cured these complaints for me, when the physician attending me had practically given me up."

ALMOST A TRAGEDY

Young Woman's Narrow Escape from Terrible Death at Wedding Party.

Cornwall, Sept. 21.—Hugh Kippen is the hero of the hour. Yesterday he saved the life of Miss McIntosh by dragging her from the railway track in the face of a rapidly moving train. Miss McIntosh was one of a large number of friends who gathered at the depot to give Mr. and Mrs. P. Flynn, a newly married couple, a send-off. As the train approached, the jostling of the crowd threw Miss McIntosh prostrate across the rails. The crowd stood awe-struck but Kippen dashed forward and dragged the young woman out of danger.

The engine touched her feet and clothing as it whizzed past. Miss McIntosh is a cousin of the bride and is badly used up by the shock she received.

Must Not Carry Weapons

The frequent reports of cases of wounding, in which the offenders have been foreigners addicted to the use of the knife and the pistol, have been brought to the notice of the Attorney-General. In order that the practice of carrying concealed weapons, which constitutes a menace to the safety of the community, particularly in partially settled districts, may be curtailed, the Attorney-General is, by a circular letter, calling the attention of all magistrates, Justices of the Peace, and constables to the amendment of the law which was made last session. The amendment imposes heavy fines with alternative terms of imprisonment on the conviction of a person for carrying a knife, pistol, metal knuckle, skull-cracker, sling-shot, or other offensive weapon. In the letter which is addressed to Justices of the Peace on this subject the hope is expressed that enforcement of the regulation will have the desired effect.

WIRES WERE AFFECTED

Aurora Borealis Gave Local Telegraph Companies Some Trouble.

A despatch from Toronto says: The Aurora Borealis caused the local telegraph companies some trouble on Saturday. Both the C.P.R. and G.N.W. telegraph companies' wires were tied up. Earth currents of electricity interfered with the ground wires, rendering the signals useless. The trouble was short-lived, however, and the wires were working yesterday in good condition.
