WALTERS FALLS

Our Fair of last week is over and despite the inclemency of the weather was not a complete failure, financially or otherwise. On Wednesday afternoon a goodly number of people were on the grounds. The Ladies' Work, etc., in the hall was well represented, while the other exhibits of poultry, etc., were good considering the weather. The concert on Wednesday evening was very largely attended and assisted greatly in helping the Society out of their financial difficulties caused by the inclement weather.

Misses Davis and Lille and Mr. Perrin of Toronto, who had almost complete charge of the evening's programme, were well received and came in for well-merited applause. Miss Davis' rendering of the "Bridge of Sighs" and "The Race" were well received and encored to which she very kindly responded. Miss Lille's piano solos were greatly enjoyed, as also were Mr. Ferguson's violin solos. Mr. F. Wickham acted as chairman. On Sunday evening a sermon was especially preached to the children by Rev. H. E. W. Kemp in the Methodist Church. The Sunday School marched in a body to the church. Special singing, etc., was provided for the evening. The sermon was very interesting and instructive.

St. Philip's Church (Anglican) will have their At Home Service in the church about the 20th of Oct.

FLESHERTON

Mr. C. W. White, of the Durham Road, met with a heavy loss early on Tuesday morning when his barn and season's crop were destroyed by fire. The cause is unknown but incendiary is suspected. There is some insurance, but we understand, Mr. White's loss will be about \$1800. A year ago Mr. White's barn and crop on the same farm was destroyed in a similar manner.

R. Martin had a narrow escape. While turning a pulley with a chisel in Mitchell Bros' sawmill last Thursday the pulley burst, striking him in the forehead and making a gash that required five stitches to draw it together. Dr. Sproule dressed the wound, and Mr. Martin is rapidly recovering.

We are sorry to report Mrs. William Sargent suffering severely from rheumatism, but hope for speedy recovery.

Mr. John Doney of Owen Sound gave us a brief call Monday.

F. T. HILL & CO. Markdale.

PITY THIS POOR GIRL. Growing fast—yes, into weakness, but without strength. Tired of course she is—pale and thin too. She doesn't eat enough and digests far too little. This condition is so common, but how seldom noticed even by fond parents. Give her Catarrhzone—then watch her appetite improve—see her cheeks and lips grow ruddy—watch her spirits rise. This gain is simply the result of eating and digesting enough, and thereby nourishing blood, brain and nerves. To a woman Ferrozone restores strength she has lost—to a girl it brings strength perhaps she never knew. You'll try Ferrozone 50c. at all dealers.
