The Continuation and Public schools re-opened on Monday with Principal Marcellus and Miss Childley in the former and Mr. Holland and Miss Switzer in the latter. Mr. Harry Wood has been appointed caretaker of the school for 1910.

Rev. Mr. Wellwood conducted the Sunday School anniversary service in the Methodist church on Sunday morning, the excellent address being especially to the young people. Mr. Miller, a Victoria College student, assisted at the morning and evening services. The music for the day was appropriate to the season. At the Presbyterian church Rev. J. D. Edgar preached, and Miss Evelyn Hall, of Toronto, assisted the choir and gave a beautifully rendered solo.

After an illness of about a year's duration with lung trouble, Mrs. Christopher Irwin passed away at midnight on Sunday at the home of her parents, Mr. and Mrs. John Bellamy, here. Mrs. Irwin, who possessed a sweet christian spirit, bore her affliction with much patience and resignation and passed away with an unclouded hope of a glorious immortality. The deceased, who was 31 years of age, was born in Flesherton. About ten years ago she was married to Mr. Irwin, of Proton. Two years ago the young couple moved to the West, settling at Habrite, Sask. The sorrowing husband, with two young children, and the bereft parents have the sympathy of many friends in their trial. The funeral takes place to Dundalk on Wednesday.

The Methodist Sabbath School anniversary on New Year's evening was as usual a good entertainment and a financial success. Instead of the usual fee charged a free will offering was received, which amounted to \$61.00. After an excellent tea served in the school room,

all adjourned to the auditorium, which was well filled. The pastor, Rev. H. E. Wellwood, took charge of the program, which consisted of choruses by the school, recitations, solos, etc., in which many of the little folk took their parts exceedingly well and were very entertaining. A doll exercise, a star bearer exercise and a flag drill were pretty numbers. Rev. J. V. Laughland gave a short pleasing address. An unexpected and interesting part of the program was a presentation from the School to the Superintendent, Mr. W. H. Bunt, who was presented with an address and beautiful mantle clock as a token of appreciation of his faithful services. Mr. Bunt was genuinely surprised, but with his usual composure made a neat and fitting reply. The annual report presented by the veteran secretary, Mr. William Clayton, showed that the School was in a prosperous condition.

### WOMEN'S WOES.

Markdale Women are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up" must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains, they must stoop over when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ailments. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

John Stedwell, of Markdale, Ont. says: "My back has been greatly strengthened by the use of Booth's Kidney Pills, and the dull heavy pain that had settled across the region of the kidneys has disappeared. This tenderness had caused me much inconvenience for a long time, and had weakened me generally. I would take cold across my kidneys very easily and my back would become very tender and painful. The urine would show a high color and contain a quantity of brick dust sediment. I had tried numerous remedies but found little relief until through an advertisement I procured Booth's Kidney Pills at Turner's Pharmacy and commenced treatment. I soon had general relief and I have been generally benefited by Booth's Kidney Pills, and will gladly recommend them."

Sold by dealers. Price 50 cts. The R. T. Booth Co., Ltd., Fort Erie, Ont., Sole Canadian Agents.
