It is mighty mean to patronize a
merchant who will trust you until
you get so far into debt to him
that you are ashamed to see him,
and then go and spend your cash
somewhere else where you could
not get credit; but there are people
who do it. The honorable way
would be to spend your cash with
the merchant who trusted you,
even if you never expected to
square up the old account.

Looks Like a Late Spring

Rev. Irl. R. Hicks in his Word
and Works magazine for February,
says: "The outlook for this month
and the month of March following,
is full of phenomenal probabilities.
The Mars period begins with Earth,
Venus and Mercury disturbances
combined during the first February
period, and throughout Febru-
ary, March and into April, storm
and weather conditions will almost
certainly continue as they may ex-
ist at the beginning of the Mars
brace. We believe that many violent
tropical storms will alternate
with boreal storms and blizzards,
bringing extremes of temperature
and abnormal precipitations of
snow and rain. Of course there
will be brief spells of possibly
bright and moderate weather—
some days perhaps of phenom-
enally high temperatures, but violent
changes, with generally rough
weather and many severe storms,
we believe must be counted on.
We so warn and advise our read-
ers."

Mrs. Hugh Johnston.

On Friday night last, Jan. 28,
about nine o'clock Mrs. Hugh
Johnston died at her residence in
Clarksburg, after a short illness.
Mrs. Johnston has not been in her
usual health for some time past.
Shortly before Christmas she went
on a visit to her son John, in
Euphrasia, and had only been home
a couple of weeks when the end
came. The deceased was a woman
respected by all who knew her and
was in all cases a friend to the
needy in time of trouble. She was
an honest and consistent member
of the Anglican Church all her life.
Mrs. Johnston was one of the old-
est members of Collingwood Town-
ship Agricultural Society, and for
27 years was an exhibitor in dairy
products and ladies' work, always
carrying off many prizes.

The subject of this short sketch
was born in County Sligo, Ireland
in 1831, and on February 26, 1861,
was married to Hugh Johnston in
the parish church at Arcadia, Sli-
go. In May of the same year,
they arrived in Canada, coming to
Collingwood township, where they
stayed for some time with Mr.
John Irwin (now of Clarksburg),
whose wife was a sister of Mrs.
Johnston. For a number of years
they farmed near Heathcote and
then moved to lot 15, concession 7,
Euphrasia, where they resided until
moving to Clarksburg some 18
years ago.

Besides her sorrowing husband
she leaves to mourn a family of
four daughters and two sons, viz:
Robert, councillor of Euphrasia;
John, on the old homestead; Mrs.
Richard Miller, and Mrs. Thomas
Brett, Euphrasia; Mrs. A. N. Noble
of Meaford, and Mrs. Jos. Loug-
heed of Clarksburg.

The funeral took place to Union
Cemetery on Sunday afternoon,
service being conducted by her
pastor, Rev. E. Appleyard, in St.
George's church, when a large num-
ber of sorrowing relatives and
friends paid a last tribute of re-
spect to the deceased lady.—Thorn-
bury Herald-Reflector.

MUZZLE YOUR DOG.

Spread of Rabies is to be Stopped—
All Dogs West of Toronto and
Barrie Must Be Muzzled.

In order to give every assistance
possible to the Dominion authori-
ties to suppress the outbreak of
rabies in western Ontario, the Pro-
vincial Cabinet has passed an order-
in-Council, based on the recom-
mendations of Dr. C. A. Hodgetts,
secretary of the Provincial Board
of Health, ordering that all dogs
in Ontario west of a line drawn
from Toronto to Barrie be either
muzzled or chained up. Municipal-
ities will be instructed to see that
the orders are carried out. Posters
have been issued by Dr. Rutherford,
of Ottawa, and will be posted, up
in all municipalities calling on all
dog owners to muzzle the animals.
This will be accompanied by a
map showing the districts where
rabies has broken out. The Pro-
vincial Board of Health regard the
outbreak of rabies as very serious,
and the provincial police will co-
operate in order to see that the
greatest care and precautions are
taken to prevent any further spread
of the disease.

Out of the Race.

The Markdale junior hockey team
have come to the end of their rope,
having been defeated by the speedy
Barrie team in the Mutual street
rink, Toronto, on Wednesday night
of last week, score 16-5. The score
would indicate that our boys were
outclassed; but after Markdale re-
covered from a severe attack of
stage fright they gave the Barrie
chaps a good run for their money.
During the last 10 minutes of the
game each team scored six goals.
The outcome of the game came as
no surprise, as it was hardly ex-
pected that the locals would win.
They have nothing to be ashamed
of, however, and although they
didn't cut much of a figure in the
semi-finals, the boys enjoyed the
trip immensely, and had a bully
day's fun taking in the sights of
the city.

Cold, But Comfortable.

Last Sunday was a record day
for low temperature, the mercury
fluctuating about 20 below zero, yet
there was a goodly number but to
the quarterly meeting in the Meth-
odist church. No matter how
severe the weather may be, Mr.
Grainger, the sexton, always has
the church cosy and warm, and he
sides this the large and comfortable
horse shed is a standing invitation
to farmers to come to church. Ho-
liday. Rev. Joseph Young preached in his
accustomed impressive scriptural
manner, which is rendering his
pulpit ministrations increasingly

attractive

the weeks go by.
His theme
the evening, "Is Life
Worth Living?"
was a masterly
address, the
choir under the
able leader-
ship of Mr. J. H. Dundas,
is itself a
feature every service.
