### You Can Even Do Your Toronto Shopping Through "The Star"

The Star's "In Toronto Shops" Department describes new and attractive offerings seen in City Shops day by day, with the Toronto Daily Star's offer to purchase any of these articles for out-of-town subscribers who send the money. Many are taking advantage of this Department.

"Of Interest to Women" is the well-deserved heading of a special page in the Toronto Daily Star. It is one of two, and sometimes three pages devoted particularly to women's tastes and is independent of the "Social and Personal" and "Madge Merton's" pages, for years popular features of the Star.

"Of Interest to Women" includes scores of little hints on health and beauty; the newest fashions in dress and house furnishings; talks on ethical matters of particular interest to women; points of etiquette; suggestions for home entertainment; recipes; daily menus; advice and suggestions on all the matters that lie close to a woman's heart. They will help solve household problems; and better still, stimulate and interest the mind.

On the Woman's page, and throughout the paper, current topics are treated in a bright, newsy way that appeals to the wide-awake woman. You'd thoroughly enjoy the

### Man Found Dead.

Duncan Bell, aged about 73 years, who resided alone on a farm near Proton Station, was found lying dead outside his home on Tuesday evening. He was last seen alive Saturday morning. His nephew, Hugh Bell, Owen Sound, came down Tuesday by the evening

train and walked out to the farm, where he found his uncle as above stated. There is no suspicion of foul play, as there was considerable money in his pockets when found and no marks appear on the body.—Dundalk Herald.

### Presentations.

On Friday evening, March 11th, a large number of friends and neighbors gathered at the home of Mr. and Mrs. John Braniff to bid them farewell ere their departure for their new home in Markdale, when they were presented with lovely upholstered chairs. Mr. Alex. Cannuthers read the address, while Mr. Robert McMullen made the presentation.

To Mr. and Mrs. John Braniff: Dear Friends—It is with a feeling of sincere regret that we, your friends and neighbors have gathered at your home to bid you farewell. In the fifty-two years of your sojourn among us we have ever found you obliging and benevolent neighbors. We feel assured that your going away will be deeply regretted by the community at large. When we look back and recount the number of kindnesses received at your hands our regret is more than words can express. As a token of the esteem in which you are held and as a mark of appreciation we ask you to accept these chairs. We hope that you both may meet with long life, health and prosperity in your new home.

Signed on behalf of friends and neighbors: Fred Stewart, Robert McMullen. Mr. Braniff made a very appropriate reply in behalf of himself and Mrs. Braniff. After a bountiful lunch and some speeches the rest of the evening was spent in dancing by the young folks till the wee sma' hours of the morning.

The friends and neighbors of Mr. and Mrs. Robert Clarke, of Lily Oak, to the number of over a hundred, assembled at their home on Wednesday evening and presented them with a beautiful dinner set and the following address:

To Mr. and Mrs. Robert Clarke: Dear Friends—Your intended departure from this community in which you have lived for the past seven years recalls to our minds many pleasant associations and impresses us with a sense of the loss we are about to sustain. We are glad, however, to remember that your lives through these years have been helpful in many ways. As a good neighbor and as trustee of our school, Mr. Clarke, your faithfulness has marked these years of service, a faithfulness which you too, Mrs. Clarke, have ever manifested in bearing willingly and gladly many responsibilities of christian work. You were always willing to do what you could at a sick bed, and your good heart has cheered many a suffering body. As a slight token of esteem and appreciation please accept this set of dishes. It is needless to say how your family will be missed. To you all we extend kind wishes for a bright and useful future and our most sincere wish is that you all may be happy in your western home.

Signed on behalf of the friends and neighbors of Lily Oak: Mr. and Mrs. Clarke replied feelingly and a pleasant evening was spent in social intercourse and enjoying the gramophone selections given by Mr. George Kinney. A bountiful lunch was provided at 11 o'clock, after which the remainder of the evening was spent in a very enjoyable dance. The guests departed in the wee sma' hours, wishing Mr. and Mrs. Clarke and family long life and prosperity in the west.

On Friday evening, March 11th, a large gathering of neighbors and friends from Dornoch congregation and the members of Court Bannockburn I.O.F., of which Mr. Boyle and sons are members, assembled at the home of Mr. and Mrs. Joseph Boyle and family to say good-bye on the eve of their departure to western Canada. A very pleasant evening was spent in addresses, singing and social chat, when the following addresses were read:

Dear Mr. Boyle—It is with feelings of deep regret that we, your neighbors and fellow-citizens, learn of your intended departure from us. We take this opportunity of expressing to you the high esteem in which yourself and family are held by us all, and to convey to you our heartfelt desire for your success in your new home. We are pleased to testify that you have always evinced in a high degree all the requisites of good citizenship. Your life and influence in the social and religious life of the community have ever been most helpful. Your services wherever re-

quired in any public capacity have always been promptly and cheerfully given. Industry and intelligence have always characterized you in your own calling in life, and integrity in all your relations with your fellow-men. You have served your own Church in the capacity of preacher, teacher, manager, treasurer and elder in a manner eminently satisfactory to all; hence your removal from this neighborhood will be a decided loss to us all. As a token of our regard for yourself, your estimable partner in life and your family, though not in any sense the measure of it, we ask you to accept this purse. May it serve to remind you of your many friends and wellwishers in your native place. We have every confidence that the same spirit may animate you in your new sphere of labor and that success and long long life may be yours and your family's.

W. A. McDonald, J. Smith, Jos. Young, John Morrison.

To Mr. Joseph Boyle: We, your brother and companion Foresters of Court Bannockburn No. 1265, knowing of your intended departure to the West, take this opportunity of expressing in a slight degree our esteem for you as a neighbor and a citizen, who has ever been willing to take part in all things for the good of the community, and our appreciation and fraternal regard for you as a brother Forester, whose tact and courtesy were marked while filling the office of Chief Ranger in the Court and whose aid in the social life as a musician was ever freely and skillfully given. We would, therefore, ask you to accept this watch fob, on which is engraved the emblem of the Independent Order of Foresters; that emblem which stands for all that is highest, safest and best in fraternal insurance.

We would wish you and your estimable partner in life, whose co-operation with you has done much to make your life successful and whose work in the community is valued by all; every happiness, and feel assured that in your new home the success which accompanies intelligence, sobriety and industry will be yours.

Signed on behalf of Court: Hugh R. Riddell, C.R. J. L. Smith, F.S.

### Knott--Hodgkinson.

At the Manse, Temple Hill, on Monday, March 14th, 1910, Miss Maggie Hodgkinson, eldest daughter of Mr. and Mrs. Charles Hodgkinson, was united in marriage to Mr. Tom Knott, eldest son of Mr. and Mrs. James Knott, Kimberley. The ceremony was performed by Rev. Dr. McLean, pastor of the bride, and in this union we lose one who was an excellent church worker, member of the choir, also a faithful Sunday School teacher, and no doubt will be greatly missed from this community. She was also a favorite with all her young companions. As Mr. and Mrs. Knott go to their new home in Moosejaw, they carry with them the best wishes of their host of friends, who wish them a happy and prosperous journey through life.—Com.

### WARNING.

Since its introduction into Canada the sales of Parisian Sage have been phenomenal. This success has led to many imitations similar in name. Look out for them; they are not the genuine. See that the girl with the auburn hair is on every package. You can always get the genuine at W. Turner & Co's.

Parisian Sage is the quickest acting and most efficient hair tonic in the world.

It is made to conform to Dr. Sangerbond's (of Paris) proven theory that dandruff, falling hair, baldness and scalp itch are caused by germs.

Parisian Sage kills these dandruff germs and removes all trace of dandruff in two weeks, or money back, it stops falling hair and itching scalp and prevents baldness.

And remember that baldness is caused by dandruff germs, those little, hard working, persistent devils that dig into the roots of the hair and destroy its vitality.

Parisian Sage is a daintily perfumed hair dressing, not sticky or greasy, and any woman who desires luxuriant and bewitching hair can get it in two weeks by using it. 50 cents a large bottle.

Ex-Mayor Frank McDougall, of Ottawa, is dead.

# ANOTHER MIRACLE IN NOVA SCOTIA

Thought the Disease was Cancer of the Stomach

"FRUIT-A-TIVES" Cured Him

For many years I suffered from Indigestion and Dyspepsia. For all these years, I cannot describe my food constantly. The agonies I suffered from Constipation were such that I lost over 25 pounds in weight. I consulted the best physicians, but they could not cure me. I was told the disease was cancer, but medicine gave me no relief.

I read in the "Morning Herald" about "Fruit-a-tives" and the results of the medicine was making and I decided to try it. After taking three boxes, I had a great change for the better and I can say "Fruit-a-tives" has cured me when every other treatment had failed. I reverently say "Thank God for Fruit-a-tives!"

"Fruit-a-tives" sweetens the stomach, increases the flow of gastric juices, strengthens the stomach, insures sound digestion, and never more clearly shown than curing the apparently hopeless cases of Dyspepsia and Constipation. Sold at all dealers or from Fruit-a-tives Limited, Ottawa.
