Petitions for Extra Train. Horse Races at Markdale

Petitions are in circulation in Walkerton, Hanover and Durham, asking the C.P.R. to run a daily passenger train through from Walkerton to Owen Sound. The petitioners ask for a train leaving Walkerton at 6.30 a.m. - the regular train for Saugeen Junction - and reaching Owen Sound about 9.20 a.m.; returning to leave Owen Sound about 10 a.m., connecting at Saugeen Junction with the train from Toronto. The petitions are being freely signed, and we are informed, on what we consider good authority that there is every prospect that the railway Co. will give the new service a trial, and if found a paying proposition, continue and probably extend it.

If inaugurated, the service will be of especial benefit to the people of Markdale and Flesherton, who would be able to reach Owen Sound at 9.20, have from then until 3.10 to transact their business, and be home soon after four o'clock. Visitors from the Walkerton branch would have the same length of time in town and one of the four-hour waits at Saugeen Junction would be cut out.

Steamboat Express.

The C. P. R. will put on the Steamboat Express on the local branch commencing Saturday, May 21st. Although not as early as expected the first train will be a full week earlier than last year. The express will leave Toronto at 11 p.m. every Monday, Tuesday, Wednesday, Thursday and Saturday. The south bound trains leave Owen Sound every Sunday, Monday, Tuesday, Thursday and Saturday, but the hour has not yet been announced.

RADIANT HAIR

New York Society Women's Hair Matched Only by Parisians.

While much attention is given to choicest gowns by New York society women, the turbulent fad just now is the care of the hair.

For many years the clever women of Paris have been famed for the magnificent beauty of their hair. "Glorious hair," a Virginian calls it; "so radiant and luxuriant that it not only attracts but fascinates and compels unstinted admiration!" But now that the elite of New York, ever anxious to improve their beauty, have learned that Parisian Sage, a remarkable and almost marvelous hair nourisher and beautifier, is almost entirely responsible for the charming hair of the ladies of France, the demand for it has become enormous.

Parisian Sage is now sold all over Canada and in Markdale by W. Turner & Co., who is glad to guarantee it to eradicate dandruff, stop falling hair and itching scalp in two weeks or money refunded. Large bottle 50 cents.

To have fully kept pace with the wise thinker claims that money paid for luxuries than for the necessities of life. There is a clamor, however, that does much for the good of individual home, industry and the nation, and as they are decidedly underpaid.
