Grey County Council.

The following is the report in part of the House of Refuge Committee: "We also examined the House and other buildings and found same in fair condition with the exception of the private parlor and office which we authorized the manager to have painted. We also interviewed the inmates and found them all well satisfied with the treatment they were receiving. The stock is also in good condition, and the Manager is to be congratulated on the able manner in which he is conducting the institution. No doubt you are all aware that Mr. Harness, Manager of the House of Refuge, contemplates taking a trip to the Old Country, and we would recommend that he be granted 2 months' leave of absence as requested, provided his son whom he purposes leaving in charge in his absence, is satisfactory to this council."

A motion introduced by Mr. Boyd was carried to give a grant of \$75 to each of the Agricultural societies in the County, including Aytion.

"Arranged for Toronto"

The Owen Sound Sun hits the nail on the head when it criticizes the recent refusal of the C. P. R. to improve the train connections from the Walkerton branch up this line as stated in last week's Standard, as follows:

The words of Mr. J. W. Leonard, of the C. P. R., in his letter re the

Walkerton-Owen Sound connection confirm an impression which many dwellers, in these northern parts have long held. "The train service from Walkerton," he says, "is primarily arranged for Toronto." That's what it always looked like; and the same in regard to the service from Owen Sound. Now we know "where we are at." We shall know what to expect in future. So long as Toronto is satisfied, the other end of the line will have to be.

But in the particular case we fail to see how Toronto is affected. What possible difference can it make to Toronto whether a locomotive stands for three or four hours at Saugeen Junction or occupies the time running to Owen Sound and back? Unless, perhaps, a few persons might do their shopping in Owen Sound instead of Toronto.

At the time Mr. Leonard wrote it was true that it was "possible to have a little over two hours in Owen Sound"; the time has since been cut 15 minutes; but Mr. Leonard overlooks the fact that in order to spend two hours in Owen Sound, the visitor from Walkerton must lose a whole day, about eight hours of which he spends loafing around Saugeen Jet. It seems ridiculous that while he is going to Owen Sound, spending an hour and three quarters there, and returning, he could go to Toronto and back, and have over five hours in the city.

"I trust," says Mr. Leonard, "the petitioners will fully appreciate our position in the matter." We think they will; and will appreciate also the position of the towns at this end of the line, compelled to put up with a train service that would have been consider bad in the days of the stage-coach. And all, forsooth, because the service is primarily arranged for Toronto?

"A Kingly Gift"

EARL GREY'S APPEAL

On behalf of Needy Consumptives

Strong words of Canada's Governor-General

At the official opening of the King Edward Sanatorium for Consumptives near Toronto, His Excellency delivered an address that must have an important bearing on the future of the sanatorium movement in Canada. We quote:

"The proceedings this afternoon commenced with a beautiful and reverent prayer from your old friend, Dr. Potts. He prayed that the light of the Lord might shine upon us. That prayer is abundantly answered. He also prayed that the White Plague might be removed. Well, whether that prayer will be answered or not depends upon yourselves."

"Is it not a standing shame and reproach to the governments and individuals that there is not more care taken by the people of Canada to protect themselves against the curse of consumption?"

On his way out to the King Edward Sanatorium, so named by permission of His Majesty King Edward VII, the Governor-General's car was stopped in its progress outside the Canada Cycle & Motor Co. by a large crowd of its employees. A contribution of one hundred dollars was handed the Governor-General a donation to the Toronto Free Hospital for Consumptives.

"Twas a king's gift" said His Excellency in making acknowledgment. "I will tell the King."

Addressing the large audience that attended these opening exercises, referring to the Earl Grey said:

"Ladies and gentlemen, when the workingmen of Canada are setting an example of this character, I hope you will not be slow to follow, and I trust that the example of the Canada Cycle & Motor Co. may be followed, as I am sure it will, in every factory and manufacturing industry throughout the land."

We carry these words to the people of Canada in our appeal to-day on behalf of the

Muskoka Free Hospital for Consumptives

An institution that has never refused a single applicant admission, because of her inability to pay.

Seventy-five patients can be cared for to-day. Accommodation could be provided for a hundred if the required money were forthcoming.

To make this possible, our appeal is for \$50,000, to be used in extension of the hospital and maintenance of patients.

Where will your money do more good? Every community and every individual is interested.

His Excellency Earl Grey has shown his interest and sympathy in the work at Muskoka for consumptives, by accepting the position of Honorary President of the National Sanitarium Association.

Contributions may be sent to Sir Wm. R. Meredith, Kt., Chief Justice, Osgoode Hall, W. J. Gage, Esq., 84 Spadina Ave., or J. S. Robertson, Sec'y-Treas., National Sanitarium Association, 347 King Street West, Toronto, Canada.

him friend. The best wishes of the entire community go with him to his new field of labour at Holland Centre.

On Monday of last week Mr. Geo. Yeadell received the sad intelligence of the death of his little grandson, Emerson, only son of Mr. and Mrs. Thos. Yeadell, of the Edmonton Dis., Sask. The little fellow, who was four years old, was ill but a few days of scarlet fever. He was born and lived until about a year ago near Goring, and many will remember the bright, manly little face that gladdened the home. The sympathy of the entire community is extended to Mr. and Mrs. Yeadell in their irreparable loss. Two little sisters remain to comfort their grief-stricken parents.

Mrs. Arthur Lougheed and child of St. Vincent are staying with Mrs. Lougheed's sister, Mrs. Burnett.
