## TO THE VALUE OF FRUIT. What is "FRUIT-A-TIVES"?

Medical men are just beginning to realize the possibilities of fruit in curing disease. Its action on the liver, kidneys and skin is wonderful. Yet fruit in its raw state is impracticable in treating disease because of the minute quantity of the active or curative principle contained in fruit juice.

A physician in Ottawa, after years of patient work, discovered a process, whereby the medicinal or bitter principle of fruit juice is increased in quantity and thus a more active and more valuable substance is obtained. "Fruit-a-tives" is the only medicine in the world made of fruit.

Hundreds of prominent people in every section of the Dominion owe their good health to "Fruit-a-tives." Hundreds more are daily becoming stronger and better by taking them. "Fruit-a-tives" is daily proving its medicinal value as a natural cure in all cases of Constipation, Biliousness, Dropsy, Liver, Backache and Headache, Neuritis, Rheumatism, Kidney and Skin Troubles.

## Flesherton Happenings

Referring to the late Mrs. Wm. Strain formerly of this place whose death we reported last week, the Great Falls Daily Tribune of July 24 contains the following: Previous to leaving for California last fall Mrs. Strain had been a resident of Great Falls for about three years. During that time she had made many friends who learned to esteem her highly for her strong womanly character and to love her for her kindly and affectionate nature. She was born in Ireland 67 years ago, and came to Canada with her parents in 1848. In 1861 she was married to William Strain, and they lived in Ontario until removal to Ann Arbor where they spent six years. About four years ago they moved to Great Falls where Mr. Strain died nearly two years ago. Late last summer Mrs. Strain moved to California spending the winter in San Diego with her daughter, Mrs. Mark Skinner, of this city, her health being particularly good there. A few weeks ago she moved to Los Angeles to be with another daughter, Miss Sarah, who was then in that city from Goldfield. There she was taken ill and her death followed after about ten days of sickness. Four of her children were with her at the time of death. These were Misses Sarah and Clara Strain, of Goldfield, Mrs. Lind, of Goldfield, and J. H. Strain, of Anacosta, her eldest son who hurried to her bedside. Another son, Fred, was on his way to Los Angeles at the time. It had been the intention of Mrs. Strain to spend the summer with her daughter, Mrs. Lind, at Berkeley, Cal. Besides those mentioned Mrs. Strain leaves five other children: Herbert, Dr. Earle, W. J. Strain and Mrs. Skinner, Great Falls, and Dr. J. E. Strain, of Asotin, Wash.

The Maxwell Women's Institute paid the Institute here a fraternal visit at the monthly meeting held in the school room of the Methodist church. At the conclusion of business a pleasing programme was rendered by the visitors Mrs. (Dr.) Rykman presiding. Those who took part were: Mrs. W. Wright, Mrs. H. Dawn, Mrs. S. Field, Mrs. Linley and Miss Guy. The home ladies served refreshments on the lawn and in all about 60 sat down including a few gentlemen. The event throughout was very enjoyable.

Mr. W. H. McNally has the deep sympathy of many friends in sore bereavement which befell him on Saturday when his beloved wife passed away in Toronto where she was taken a few weeks ago for treatment in the hospital of a malignant growth which developed on one hand. At her home part of one finger was amputated and in the hospital the remainder was removed with the hope of staying the poison but all proved ineffective. On Monday the remains were brought to her late home near Portlaw from where the funeral took place to Flesherton cemetery on Tuesday.

Rev. Mr. Howie, her pastor, officiating. The deceased, who was 36 years of age, and 16 years ago married in this village was a daughter of Mr. and Mrs. James Rehill, now living in Manitoba, but reached here for the funeral. Besides her husband three children remain to mourn a fond mother's love.

Mr. George Clark, of the Meaford Road, became a happy benedict on Wednesday of last week when at Brampton his marriage took place to Miss Lucy Whiteoak, of that town. The young couple arrived home the same evening and were given a pleasing reception by a large company of friends who for several hours indulged in merriment befitting the occasion.

Mr. John Brown, of this village, was the subject of congratulations on Monday when he celebrated his 77th birthday. Mr. Brown who is confined to his home by the loss of his sight is in good health and enjoys the visits of his friends who hold him in high esteem and now wish him yet many returns of his birthday.

The funeral of the late Mrs. Andrew Carr took place on Tuesday afternoon last when service was conducted in Chalmers' Church by the pastor, Rev. G. S. Milligan who preached an appropriate service from II Cor. 14: 17, 18. Rev. L. W. Thom assisted in the service after which interment was made in the public cemetery. Mrs. Carr was a highly esteemed Christian woman, and had been a faithful member of the Presbyterian Church for 65 years. She was one of the old members of Chalmers' Church Ladies Aid by whom the pulpit was appropriately draped and a floral offering contributed in loving memory.

Mr. Jas. Chard has sold his 100 acre farm to his son-in-law, Mr. A. McMullen, and Mr. McMullen has sold his 50 acre farm to Mr. Wm. J. Chard. The deal was completed on Monday.

The Kirwin (Kansas) Kansan of last week reports a pleasant event in honor of the 80th birthday of Mr. James Cornfield and the 8th birthday of his little grand daughter, Margery Barron. Mr. Cornfield who has for some time made his home with his daughter, Mrs. Barron, Kansas, is one of the pioneers of Artemesia and his old friends are pleased to learn of his good health and wish him continuance to pass many more years beyond his four score years.
