We regret that owing to the great pressure on our space this week we are compelled to hold over for next week a number of interesting correspondences.

Rev. Josias Greene, of Clinton, who officiated last Sunday in the Methodist Church, Flesherton, on the occasion of the formal opening of their new pipe organ, drove over to Markdale on Monday and called on several pioneer citizens and the meeting was mutually pleasant.

The members of the W. M. Auxiliary have decided to send another bale of clothing, outgrown garments, bedding etc., to Fisher River, Indian Mission. Any lady wishing to contribute to this worthy object may kindly leave it at the Methodist parsonage at their convenience within a week.

Mr. Jeffrey Artley has sold his 100-acre farm in St. Vincent to Mr. Loughheed, of St. Vincent. The farm formerly belonged to Mr. J. J. Bowes, from whom Mr. Artley purchased the farm on Sept. 1st and sold it to Mr. Loughheed on Sept. 2nd—having possession one day only.

The Canadian National Exhibition closed Saturday night. The attendance was the largest yet by eighty-five thousand. The gate receipts alone amounted to \$45,000. This Fair has won the unquestioned distinction of being the greatest annual exhibition on earth, and it deserves its proud distinction.

Two weeks ago it was announced in this great family journal that no paper would be printed last week, yet several called saying we had failed to put their papers in the post office, and even subscribers at a distance wrote asking for a copy saying their's had failed to reach them. Hope there'll be no disappointments this week.

The Fire Brigade had their first run on Friday afternoon last. A pile of rubbish in the basement of the Merchants' Bank caught on fire and was blazing freely when noticed. The fire bell rang and the Brigade was out in short order, but in the meantime a number of men had made their way through the smoke to the basement and extinguished the flames.

A new feature that will be appreciated by the travelling public is about to be introduced on the lines of the C.P.R. A recent circular provides that all passenger trains shall be equipped with an emergency medical outfit in charge of the conductor. The conductors and crews will be instructed in "first aid" to the injured, and will be given standing, according to the qualification. In case of accident many lives are lost through lack of prompt medical attendance. The service will be extended to all parts of the company's lines.

Death of Patrick Hamilton

Aged Resident of Holland Township Succumbs to Pneumonia—Ill But Five Days.

One of the oldest residents of Holland Township passed away on Saturday, the 3rd September, in the person of Mr. Patrick Hamilton, aged 84 years. He was ill but five days, pneumonia being the cause of death. Interment took place on Wednesday morning, the 7th, the funeral cortege leaving his late residence at 8.30 to Saint Stanislan's Church, Chatsworth.

then to the Roman Catholic Cemetery. Rev. Father Burke officiated at the mass, and in his funeral sermon spoke very forcibly on the good life that the deceased had lived, always being foremost in all good works in connection with the church, living a true Christian life, and receiving at the last hour the last rites of the church. The funeral was the largest ever seen in that part of the country, and six of his sons were pall bearers, viz., Patrick, Dennis, Charles, Frank, John and Norbert.

Deceased was a native of Ireland, born at Cashendoll, County Antrim. He came to Canada in 1846, settling on the farm in Holland where he resided the residue of his life. Here he transformed the dense forest into a comfortable home and raised a large family, to whom he left the legacy of a spotless life. The surviving members of his family beside his wife are: Mrs. W. J. Donlan, Chatsworth; Pat J. J. William, and Dennis M., of Livingston, Montana; Archie, of Toronto; Frank J. and John S., Holland Centre; and Miss Bessie, Charles and Norbert at home.

The Epworth League and choir of the Methodist Church will give an entertainment on the evening of Thanksgiving Day.

Harvest Thanksgiving Services will be held in Christ Church next Sunday (18th). The pastor will preach at both services. Special music will be rendered.

Mrs. Joshua Bowler, Euphrasia, recently received the sad news of the death in British Columbia of her brother, William Hall. Mr. Hall was formerly well known hereabouts.

Do not fail to attend the races at Meaford on Thursday, Sept. 22nd. All classes are well filled. Prospects are bright for the best Fair ever held in Meaford. Everybody welcome. I will be there; meet me.

Next Sunday evening the pastor of the Markdale Methodist Church will take for his subject "The Eucharistic Congress and the Celebration of Mass: What does it all mean?"

The premium lists for Markdale Fall Exhibition have been printed and are being distributed by Secretary A. Jackson. The directors are energetically pushing this growing annual fair and hope for a record exhibition. Let there be general co-operation.

Mrs. Elmer S. Smith (Nee Miss Carry McKenna) wishes to acknowledge her gratitude to the A. O. U. W. for the prompt payment of her father's certificate for one thousand dollars, through Markdale Lodge of which he was a member.

Continuation-Class School Opened.

Mr. G. A. Clark in Charge with Miss Murray as Assistant.—36 Students.

Markdale Continuation Class School was opened in the temporary quarters on the 6th inst., with Mr. G. A. Clark, formerly of Hailcyburly Public School in charge as Principal, and Miss Murray, of Toronto, as assistant. Thirty-three students were present.

At nine o'clock the students assembled in the large class room and were called to order, by the Chairman of the Board, Mr. Mark Armstrong, who in a brief speech welcomed the students and introduced the Principal and his assistant to them.

In a few words Mr. Clark thanked Chairman Armstrong and students for kind reception and outlined the relationship that should exist between pupils and teachers. He drew the students' attention to the regulation regarding approved schools and appealed to the students to unite with the teachers in an endeavor to make this school worthy of the town in which it is located.

Miss Murray followed by endorsing what had already been said and expressed her determination to make the school useful to the students who attend.

Principal Clark had previously consulted with Principal Rowe of the public school regarding classification, Mr. Rowe recommending certain pupils for the senior grade. Mr. Clark then read the names of the senior class who retired to the other room and the routine of work begun.

Principal Clark informs the Standard that the object of the school is to make citizens. Canadian boys and girls have great possibilities for usefulness. They require to develop first of all strong characters and self control. Therefore it is one of the first offices of the school to aid in this development.

Tragic Death of Morton Hewitt

Struck on Head by Falling Tree and Instantly Killed.—Was a Young Man.

(By our Berkeley cor.) The death of Mr. Morton Hewitt, who lived north of Berkeley, was a shock to the people of this vicinity on Thursday morning. Mr. Hewitt, a young man, was struck on the head by a falling tree which struck him against a stump, forehead and crushing in his head. Mr. Hewitt died almost instantly after receiving the blow.

Mr. Hewitt was a young man, in his prime, before his loss; his father, Mr. J. Hewitt, of Sault Ste. Marie, Mrs. Price, of Monticello, Mrs. Speck, of C. S. Mr. Harry Hewitt, of Ontario, all of whom are expected to be present at the funeral, which will take place from his late residence to Methodist Cemetery at Berkeley, on Thursday the 15th at 10 o'clock. The bereaved ones have the sympathy of the community in their distressing grief.

A Good Position

Can be had by ambitious young men and ladies in the field of "Wireless" or Railway Telegraphy. Since the 8-hour law became effective, and since the Wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chance of advancement. The National Telegraph Institute operates six official institutes in America, under supervision of R.R. and Wireless Officials and places all graduates into positions. It will pay you to write them for full details at Cincinnati, O., or Philadelphia, Pa.
