Presbytery of Owen Sound.

At a full attended meeting held at Chatsworth, on the 18th of Oct., the following resolution was unanimously passed: That the congregations of Keady and Desboro and Peabody be recommended to unite in one pastoral charge, with the suggestion that services of public worship be held in Keady every Sabbath, morning and evening, and in the other two congregations on alternate Sabbaths in the afternoon; and, that in each of these latter, a wee' evening service be held during the week following the Sabbath on which there was no service. That Latona, Burn's church, (Rocky Saugeen) and Williamsford unite in one charge with one service every Sabbath in each congregation. And, that Chatsworth and Holland Centre form one charge, with morning and evening service every Sabbath in Chatsworth; Holland Centre to have such Sabbath services as the minister and session of Chatsworth may see their way to supply.

A copy of this resolution is to be sent and submitted to each congregation concerned and their views are to be reported to next regular meeting of Presbytery—Dec. 6th—when the matter will be disposed of. The object of the arrangement is to have larger and stronger self-sustaining Pastoral charges. —J. Cook.

You are not experimenting on yourself when you take Chamberlain's Cough Remedy for a cold, as that preparation has won its extensive sale by its remarkable cures of colds, and can always be depended upon. It is equally valuable for adults and children and may be given to young children with implicit confidence as it contains no harmful drug. Sold by R. L. Stephen.

The white corpuscles of the blood—the Phagocytes, as they are known scientifically—are the policemen, or scavengers of the body.

Not a germ of disease can invade the body anywhere but these white corpuscles get after it. And, if they are strong enough or in sufficient numbers, they devour it.

If they're not strong enough or in sufficient numbers, then the invading army of disease germs triumphs and disease holds the body.

Any preparation that strengthens these white corpuscles or that increases their number, will not only preserve health, but will build up its defences so strongly that contagion or infection are impossible.

Herbs have always been great curative agents from time immemorial. They have been styled nature's own remedies.

Certain herbs more than others are noted for their curative powers.

And it has been found that those herbs that are most effective in maintaining or restoring health, do so by building up the white corpuscles or Phagocytes.

These herbs are incorporated in Psychine.

And it is the tremendous curative power of these herbs that is responsible for the unequalled record of this splendid preparation.

Think of it. In Psychine we have a preparation that has been in use a third of a century. That has cured hundreds of thousands of many kinds of diseases.

This Feeding Floor Could Be Built in The Fall and it would help greatly to preserve the condition of your live stock in the Spring.

Every farmer knows that in the Spring of the year his barnyard is almost bottomless. The live stock mire down into the mud and almost float around—greatly to the detriment of their physical condition.
