Vandeleur Women's Institute

The October meeting of the Branch was held in the C.O.F. Hall at Vandeleur on the evening of the 20th. The ladies had extended an invitation to the gentlemen to be present at this meeting which was very kindly accepted by them. The meeting was opened by singing 'The Maple Leaf'. The President occupied the chair. Musical selections were given by the Misses Davis, Mrs. F. Boland and the String Band. A paper 'How to create and maintain that atmosphere that denotes the character of the Home' was given by Miss Tillie Buchanan. Every true home should be surrounded with the atmosphere of perfect and unchanging love. The virtues developed in the true home are obedience, reverence, veneration, courtesy, gentleness, cheerfulness, enthusiasm and sincerity. Character is first formed in thought. Thoughts that are unselfish and kind will prompt us to actions that are unselfish and kind. Actions continued will form habits; habits become our character, and upon our character depends our destiny. Mrs. J. I. Graham gave a paper on 'Why we should preserve our forests.' Shade trees about our homes and school grounds should be preserved for the sake of their associations. Forest trees absorb moisture and retain it until it is needed; it is then thrown out into the air through the leaves and descends upon the earth in the form of dew or rain, making the air more healthy. Trees contribute to our needs and comforts when manufactured into articles of convenience. When a tree is burned it gives off in smoke those gases it absorbed from the air; it gives in light and heat what it absorbed from the sunshine, and gives to the earth in ashes what it absorbed from it. Mrs. McDonald led the discussion on these papers. She spoke of the Government's action in conserving the natural resources of Canada, and wished that Canada's greatest asset—her young men—might be conserved from the evils of the liquor traffic. A presentation address was read by Mrs. J. J. McGee, expressing regret at the removal of Mr. and Mrs. R. Holley from the neighborhood and presenting to them on behalf of the Women's Institute and C.O.F. a couch, as a token of good wishes. A recitation was given by Miss Della McGee. Mr. John Boland was called to the platform and in a few well-chosen words, thanked the ladies for their invitation, expressed pleasure at the program given, and extended his best wishes for their future success. The meeting closed by singing the National Anthem.

Heavy Fines In Liquor Cases
One Owen Sound Hotel Keeper Taxed \$300 on Three Charges. --Two Bonifaces Skipped.

At the police court in Owen Sound on Tuesday morning twenty-four charges were laid against five Owen Sound hotels for infractions of the local option by-law. The charges were based on information gathered by two provincial detectives who came to Owen Sound on September 15th and remained there for a month. The charges are creating a sensation around town as it is thought there will be several jail convictions. Two of those charged, Louis Minter and James Hardison, both of the Central Hotel, have skipped out of town. Five charges of selling against Joseph Anderson of the Comely House, and three charges of selling against Bernard Cramie, of the Comely House. William Anderson, of the Pacific Hotel, was charged with six offences for selling. Frank Cruise, of the Duncan House, it charged with one offence. Three charges are laid against Isaac Murray, of the Conison House, and one against Jos. W. Foster, for keeping for sale, Louis Minter and Fred Agnew, of the Central, are charged with two offences each, and James Hardison one. Wm. Anderson was fined \$300 on three charges, and the other three were withdrawn. Fred Agnew settled with \$100 and his other charge is withdrawn.

Our Thanksgiving
Not having time or opportunity for the past ten months on account of sickness both in my own and parents' homes to keep my line of business prominently before the public, I take this first opportunity of thanking my many patrons for the liberal support you have given me in a business way, and also for the many acts of kindness that have been lavishly and unceasingly extended to Mrs. Shortill during those many months of suffering. We now have hope of a return to health; and whether it be in business or any other honorable way we can be of service to our neighbors or the public, it will be our pleasure to express our thanks in a more tangible way. Yours very truly,
W. J. SHORTILL.

End of a Sainly Partnership.
Many in Markdale will regret to hear that the partnership which existed for 26 years between Messrs. Crossley and Hunter, evangelists, has had to be dissolved through the physical disability of Mr. Hunter. The names and evangelistic work of Crossley and Hunter are as famous in Canada as were those of Moody and Sankey in the United States. Rev. Mr. Hunter has fallen a victim to palsy, as the result of long continued arduous toiling in the cause of Christianity. For more than a quarter of a century Mr. Hunter labored incessantly in a work which made a terrific drain on his nervous energy. He never spared himself, and while this indubitably contributed largely to the success of Crossley and Hunter meetings seemingly it has compelled Mr. Hunter to retire from any further participation in his well-loved work. Messrs. Crossley and Hunter conducted an evangelistic campaign in Markdale six years ago last June when they conducted a most successful five weeks series.

It may not be amiss to point out that the 5,476,000 tons of hay raised on the farms of Ontario this season are worth more money than the entire wheat crop of Manitoba. Ontario is still doing business on the farm.

Mr. William Kough, a pioneer of Owen Sound, but who moved some fifteen years ago to Toronto, and on the death of his wife five years ago went to Brampton, died on the 17th October. No business place was better known in this County in the early days than Kough's hardware, with sign of the big axe. In remodelling the old premises the 'big axe' was taken down, in a bad state of decay, on Monday last week, the same day that Mr. Kough died.

No Place For a Quitter.
Is there one enterprise on earth that a "quitter" should leave severely alone it is advertising. To make a success of advertising one must be prepared to stick like a barnacle on a boat's bottom. He should know before he begins it that he must spend money—lots of it. Somebody must tell him that he cannot hope to reap results commensurate with his expenditure early in the game. Advertising does not jerk; it pulls. It begins very gently at first, but the pull is steady. It increases day by day and year by year until it exerts an irresistible power.—John Wana-maker.

APOLGY.
I, the undersigned, do hereby acknowledge having falsely and maliciously accused John Sullivan, of Glenelg, of stealing a quantity of money from me on October 13th and hereby publicly apologize to him for same. Signed (Tim. Casey.)

HARKAWAY
Mr. Gammond, of Toronto, is the guest of Mr. and Mrs. Wm. Carbert at present.
Mr. Wm. Carbert has disposed of his hundred acre farm to Mr. F. Ellis who takes possession immediately.
Messrs. G. Logan and Roy Thompson arrived from the west last week.
Mr. Wm. Madill has been adding to the appearance of his real estate by venerating his house with brick.
Mrs. Winters, of Michigan was the guest of Mrs. A. Rusk last week.
Owen Sound agents in the musical line have been doing a rushing business in this locality of late. We understand Messrs. D. Smith, J. Murdoch, R. and W. Wiley have invested in up-to-date organs, and Mrs. A. Rusk a beautiful piano. (Say, my conscience) there will be music to burn.
Miss Griffith, of Collingwood, has a class of eight or ten in this locality taking lessons in painting.

Large Policies a Specialty.
(Reprint from Owen Sound Sun.) In June, 1910, A. J. Chisholm sold a policy of Twenty Thousand Dollars (\$20,000) with a yearly premium of Nine Hundred and Fifty-five Dollars (\$955.00) on the twenty-year Endowment Plan, with profits. This is claimed to be the largest policy sold at one time in Grey or Bruce since 1902, when he sold a policy of Twenty-five Thousand Dollars (\$25,000) on the Fifteen Payment Life Plan, with profits, with a yearly premium of Eleven Hundred and Seventy-one Dollars and Twenty-five Cents (\$1,171.25).
