KIMBERLEY

Winter weather at present. Born, at Collingwood, on November 2nd to Mr. and Mrs. J. Herbert Fawcett, a son. Another vote for Whitney and Borden.

Mr. Jas. Stuart, who spent the past week hunting at Parry Sound District, was successful in shooting a very large deer early on the first day of the season. This was Mr. Stuart's first deer hunt in some 25 or 30 years and he is to be congratulated on his success. The company in which Mr. Stuart was a member was composed of four of Mr. Stuart's sons, namely: W. H., John, Geo., and Jasper and also Squire Stuart, brother of the former. Truly they are a family of hunters.

Mr. Ashley Fawcett shot a fine large deer on Monday of last week. Mr. Victor Ellis, of Walters Falls, spent Saturday evening and Sunday at his parental home here.

Some are of the opinion that an attempt will be made to teach high school work in our school. For the present at least, this would be ridiculous, as it would require the services of a first class professional teacher and also a new equipment, the two of which would cost some hundreds of dollars extra which with paying for the new school just erected would mean a very heavy burden for the property owners of this section.

Mr. R. J. Stuart has our many thanks for a fine roast of venison. Mr. Geo. Haines has purchased the Beaton farm at present occupied by Mr. Albert Ellis, situated some three miles directly north of the village. Mr. Haines is the second member of the Haines family, (who a few years ago emigrated from England) to purchase a farm.

If all those who come to our country from the old land were as industrious as the Haines' family it would be much better for our country.

The anniversary of the Gunpowder Plot was celebrated by the local L.O.L. 1340 by a social evening in their lodge rooms on Saturday night last. After an excellent fowl supper had been partaken of the members and their wives and sweet hearts, together with a number of invited guests, were treated to a good program. District Master, Jas. Murray, of Goring, and Mr. Morley Abercrombie, of Vancouver, B. C., a former member of 1340 were the guests of the evening each of whom addressed the gathering. Jas. Lawrence presided. A very enjoyable evening was spent by all.

WALTERS FALLS
 (Last week's items.)
 The following spent Thanksgiving in our burg:
 Miss Lizzie Mower, of Thamesford, and Miss Mae Mower, of Meaford, at the parental home.
 Mr. Thos. J. Wilson, of McMaster University, at home.
 Messrs. Carmen King and Lyness Fawcett, of Markdale, at Mr. T. King's, Townline.
 Mrs. Seaman and son, Walter, of Owen Sound, at Mrs. R. Walters.
 Mr. and Mrs. D. Clarke, of Orillia, at Dr. McCullough's.
 Mr. Clarence McPaul, of Owen Sound, at Mr. G. King's.

The annual Thanksgiving birthday social, which was held by the Epworth League on Halloween Night, was a great success. The "Conundrum Contest" was one of the most interesting features. A short program was rendered, and a dainty lunch served by the ladies. Mrs. Breadner is spending a couple of weeks with friends in Markdale, and Miss Rhoda is visiting at Rocklyn.

(This week.)
 Mrs. Robert Walter received word by phone last Friday of the sudden death of her son-in-law, Dr. Young, of Jackson, Mich., as a result of falling down an elevator shaft. Mrs. Walter left for Jackson immediately.

Mr. John C. Seabrook had a sale of his stock, implements, household effects, etc., last week with W. J. Shepherdson, Esq., auctioneer. This was one of the largest sales around here for some time, amounting to about \$2,500.00. Mr. Seabrook and family are leaving shortly for the West, where they intend to locate.

Found—In the Methodist church, a sable fur, left in the church last Xmas, also a black astrachan fur, left on Thanksgiving night. Owners can have same by applying to the caretaker of the church.

Mrs. Ferguson and Miss McInnes of Michigan, U.S., who have been visiting the former's brother, Mr. G. L. Watson, here, left for Priceville last week.

For pains in the side or chest dampen a piece of flannel with Chamberlain's Liniment and bind it on over the seat of pain. There is nothing better. For sale by R. L. Stephen.

Rev. W. H. Thidley, pastor of the Memorial Christian Church at Stouffville, was drowned at Cameron, Ontario.
