### School Concert at "70."

The annual school concert of 70 School was held on Wed., Dec. 21. An excellent programme, prepared with great care by the teacher, was given. A number of the young men and women of the section assisted in the program. Miss McKimley and Mr. Law of Holland Centre also gave valuable help. The attendance was good and the order above reproach, so Mr. Phalen, the Chairman, had a light task.

At the close of the programme the following address was read by Hannah Mitchell.

Dear Miss Lackey,—

As we approach the close of another term our thoughts naturally dwell on the days that are past and we examine ourselves to see what progress we have made in them. We, your pupils, cannot fail to realize the unceasing interest you have taken in our work. We have always found you patient, encouraging, helpful and zealous for our progress. Nothing is accomplished without earnest effort. Our success in the past year we feel is the result of that effort on your part and we take this opportunity to thank you for it. Will you accept this chair as a token of our appreciation of your services in our school and with it our sincerest wishes for a Merry Christmas and a Bright and Happy New Year. Signed on behalf of your pupils

Hannah Mitchell.

Rosamond Price.  
Katie Dodds.

The chair presented to Miss Lackey was a beautiful one, and after the chairman had sat in it he facetiously remarked "It is large enough for two." The concert closed with the National Anthem.
