**Prohibition Alliance
Met in Markdale**

Successful Convention Last Friday
of Centre Grey Organization.

Centre Grey Prohibition Alliance met in convention in the Marsh Hall, Markdale, on Friday, February 10th at 2.30 p.m. The President, Rev. H. E. W. Kemp, occupied the chair.

The meeting was opened by singing "All Hail the Power of Jesus Name," and prayer led by Rev. Mr. Wellwood, of Flesherton.

The President, in an interesting and stirring address, reviewed the work accomplished in the past, there being at present only three municipalities in Centre Grey retaining licensed bars, namely, Sullivan, Chatsworth and Markdale. The Secretary read the minutes of last session which, upon motion, were adopted as read.

A call from the President for reports met with a hearty response from the following gentlemen:—Rev. H. E. Wellwood, Flesherton; Rev. Joseph Young, Markdale; Rev. Mr. Berry, Friesville; Messrs. R. Cook, Ceylon; R. J. McKennitt, P. McCullough, W. G. Pickell and W. J. Shortill, Markdale; J. M. Davis, Vandeleur; Wm. Breese, Chatsworth, and E. W. Hunt, Traverston; each contributing enthusiastic addresses in which much valuable information was contained.

The election of officers was then proceeded with and resulted as follows:—
President—Wm. Breese, Esq., Chatsworth.
Vice-President—R. J. McKennitt, Markdale.
2nd Vice-Pres.—Jarvis Henry, Markdale.
3rd Vice-Pres.—W. J. McLean, Walters Falls.
4th Vice-Pres.—W. G. Merriam, Chatsworth.
Secretary—T. R. McKenzie, Port Law.

Treasurer—Jeffrey Artley, Markdale.

Conveners for Municipalities—
Thornbury, E. Raymond, Thornbury; Osprey, A. N. Brownridge, Maxwell; Artemesia, R. Cook, Ceylon; Markdale, W. G. Pickell, Markdale; Euphrasia, J. M. Davis, Vandeleur; Holland, Geo. J. Ritchie, Berkeley; Chatsworth, Thomas Collins, Chatsworth; Sullivan, J. B. Dobie, Chatsworth; Collingwood, S. R. McKnight, Ravenna.

Upon motion Rev. Joseph Young was appointed a delegate to attend approaching convention in Toronto of Ontario Branch of the Dominion Alliance.

Rev. J. G. Miller, of Toronto, a representative of the Dominion Alliance was present and addressed the convention, giving much valuable information as to the history of local option in Ontario and the working out of the obnoxious 60 per cent clause in the liquor license act.

By unanimous resolutions hearty votes of thanks and appreciation were tendered the retiring President, Rev. H. E. W. Kemp, and the Secretary, T. R. McKenzie, for services rendered, which both gratefully acknowledged.

A resolution was passed commending the 60 per cent clause in the liquor license act, and requesting Hon. I. B. Lucas to introduce private legislation providing for majority rule in carrying local option By-Laws.

The session was closed by the benediction by Rev. Joseph Young. At 7.30 a mass meeting was held which was opened by singing, and prayer led by Rev. E. R. Young, of Chatsworth.

The retiring President welcomed all present and delivered an inspiring and strong address and then introduced the President-elect, Wm. Breese, Esq., who created a most favorable impression by his well prepared, vigorous and logical address; after which he took the chair and introduced to the audience Mrs. Thomas Cook, President of the W.C.T.U., who gave a review of the aims and objects and work done by her society. She appealed to all ladies to unite with her society in its noble work, and closed an appreciated address by reciting a number of verses of "Some Glad Day."

Mr. John Cook favored the company with a solo, "Outside the Gates of Paradise."

Rev. J. Geo. Miller, representing the Dominion Alliance, was called on and explained the reason why Rev. Mr. Spence was unable to be present as announced. He thought it was perhaps well that we did

not get prohibition at one big jump. He thought when a municipality was brought under local option it never went back under ordinary conditions. He showed by a chart how local option had worked out in Ontario, and that out of 134 chances to repeal this year only three were taken advantage of, and in each case local option was sustained with increased majorities. Men and women of other callings took a pride in exhibiting the product of their labor; not so with finished product of the licensed bar, which should never be associated with the home of the travelling public. Ontario was fast moving towards total prohibition. Local option injured no legitimate business, excepting that of the bar, and as the Irishman would say that was our "intention." He appealed on behalf of wronged wives and children, as well as other victims, and even those engaged in the traffic, who would be far better out of it. One boy in seven became a victim, and if we voted for the traffic we should be willing to contribute our share of the boys. We have been praying that God would protect our boys, but we could help answer our prayer by removing the traps. His was a comprehensive and inspiring address.

A collection was taken to defray expenses. After a hearty and unanimous vote of thanks to all the speakers and those who contributed to the musical part of the program, the convention was closed by prayer and the benediction by Rev. Mr. Phalen.

Deaver, Thomas Anderson and W. J. Black. Mr. Abbott was born in Holland township 49 years ago, where he continued to reside up to his demise. He was kind hearted, of a retiring disposition, and highly respected in the community.

HOCKEY

A hockey match was played in the Markdale rink on Friday last between the Juveniles and the Markdale Furniture Co. The game was fast and exciting, the Juveniles being the aggressors throughout the game. The final score was 7-1 in favor of the Juveniles. This speaks well for our coming Juniors as the Furniture Co.'s hockey team had defeated Hill & Co.'s team, therefore the Juveniles are "some" team. Watch for the Juveniles again.

The teams lined up as follows:—
Juveniles—C. Staples, goal; N. Levi, point; H. Mercer, C. point; W. Bushfield, rover; K. Haskett, centre; Henry Merriam, r. wing; E. Chapman, l. wing.
Factory—G. Alton, goal; G. Trodie, point; C. Alton, C. point; G. Allandorf, rover; S. Young, centre; Howard Merriam, r. wing; A. Yanke, l. wing.

FOUR PRISONERS TO BE RELEASED

Recognition of Manly Behavior in C.P.R. Wreck Last Month.

In consequence of the manly behavior of four prisoners being taken to the Central Prison on the 17th of January last, when the C.P.R. train was wrecked between Mono Road and Bolton, a petition was signed by the passengers requesting the Minister of Justice to make some remission of the sentences of the four men. This petition was placed in the hands of Mr. H. G. Tucker, barrister, of Owen Sound, a passenger on the train, and the Minister of Justice has now replied that he will recommend the prisoners' liberation from custody under license before the expiry of their terms of imprisonment.

ELMWOOD INCORPORATES WITH GREY.

The village of Elmwood, on the County line between Bruce and Grey has decided to incorporate with Grey. A bill incorporating the village and identifying it with this county is now before the Legislature. Elmwood will incorporate with Grey, in spite of that fact that the village would be much nearer Bruce County town if so incorporated. The fact that there is \$10,000 more assessment in Grey does not make so much difference but the fact that the county rate of Grey is one mill lower than that of Bruce does make a considerable difference to the prospective citizens of the village. Then too, while the County Council of Bruce was busy passing a resolution against Elmwood's incorporation with Grey, Dr. Meagars, of Hanover, was busy getting Grey County Council to give the new village a birthday gift of \$150 if it owned Grey as its mother. This turned the tide in favor of Grey.—O.S. Sun.

FREE PSYCHINE FOR THE SICK

Let us buy a 50c. bottle from your Druggist and give it to your sick relative to try. Here are our reasons:

For nearly the third of a century we have known what Psychine will do. We have known it to cure hundreds of thousands in that time, of some of the most desperate cases of disease known to medical science.

We have received thousands of unsolicited testimonials, which we will gladly let you look over should you desire.

Think of it, a third of a century's experience with one preparation, a third of a century's intimate knowledge of what extraordinary cures it has made—almost a lifetime!

Do you wonder then with that perfect knowledge of Psychine, that we are anxious to bring it to the notice of everyone in Canada suffering from disease?

Do you wonder that we want those to know who are using wrong methods of cure, who are not getting well, and who we know will be benefited by Psychine.

Do you wonder that we can buy hundreds of thousands of 50-cent bottles of Psychine from the druggists of Canada to give to those who wish to try it?

Psychine builds vitality. It strengthens and increases the white corpuscles of the blood—the phagocytes, the policemen or scavengers of the blood.

These white corpuscles of the blood, when strong enough, destroy every disease germ that gets into the body, keeps the body healthy.

In these white corpuscles are not in sufficient numbers or are not sufficiently strong, then these disease germs destroy them and disease holds: (the most desperate cases of disease known to medical science.) That's the cause of nearly every disease that afflicts the human race. For years, centuries, in fact, it has been recognized that herbs are the most effective treatment for disease.

It is only within recent times that we have been able to tell just why they were so effective.

Because certain of them increased and strengthened the white corpuscles or phagocytes.

These herbs are employed in compounding Psychine.

We go all over this world to obtain these herbs. Arabia, South America, China and Japan all contribute.

And the result is a preparation that will restore health and build vitality as no other preparation will.

That has proven itself in nearly the third of a century's use as no other preparation has proven itself.

That is a most effective treatment for:

- La Grippe
- Bronchitis
- Bronchial Coughs
- Weak Lungs
- Weak Voice
- Spring Weakness
- Early Decline
- General Debility
- Chills and Fevers
- Stomach and Bowel Disorders
- Nervous Troubles
- After-effects of Pleurisy, Pneumonia and La Grippe.

Now we don't ask you to take our word for the tremendously beneficial effect of Psychine. Fill out the coupon

below, mail it to us and we'll give you a 50c. bottle of Psychine (for which we pay him the regular retail price) for a 50c. cent bottle of Psychine to be given you free of cost.

We will undoubtedly buy and distribute in this manner, hundreds of thousands of these 50-cent bottles of Psychine.

And we do it to show our entire confidence in this wonderful preparation.

A confidence that has been based on our 30 years' experience with this splendid preparation, with a full knowledge of the hundreds of thousands of cures it has made.

KILLED IN GRAVEL PIT.

George Funston, assisted by his brother-in-law, Alex. Gilchrist, and his hired man, John Black, were taking gravel out of a pit on Dad McLean's property, corner of 6th con. and 3rd sideroad, Bruce tp., on Saturday week, when an overhanging body of earth fell away causing the death of one, while the others narrowly escaped a like fate. The pit had been dug into several feet back, leaving a section of the frozen top several feet wide hanging above. All the men had gone up on the surface that morning and attempted to break it down, but not succeeding in doing this, concluded it would be safe to continue digging in the pit. While working away the mass broke off without a moment's warning and came down upon the men: Mr. Funston was completely buried beneath about three tons of earth, and terribly crushed. Gilchrist was struck on the shoulder by the outer edge of the falling stuff, and one sleeve torn out of his clothing. Black was stunned momentarily by a slight blow on the head. They soon got to work, however, to extricate Mr. Funston, who was still able to talk. When they uncovered his head he said, "Oh, boys, I'm killed," and when they attempted to pry the frozen earth off he begged them not to do so. Not being able to move the chunks with crowbars, they hitched the team on with a chain, and soon had it out of the way. The crushed form of Mr. Funston was quite lifeless by this time.—Hanover Post.

MRS. PETTIGREW LOSES APPEAL.

The Divisional Court has dismissed the appeal of Mrs. John Pettigrew, of Owen Sound, from the judgment at the trial which took place in Walkerton, dismissing her action against the Grand Trunk Railway to recover damages for the death of her husband, a brakeman, who was killed at Hanover on Jan. 14, 1910. On her behalf it was urged that the railway was negligent in allowing lumber to be piled by the Knechtel Furniture Co. so close to the tracks, that the brakeman was forced to go out on the track in order to reach a "dead" car that he was going to couple on to a moving one. In some way he was run down while on the track, and was killed. The Divisional Court holds that the brakeman was voluntarily upon the track, and not in obedience to any order. There is no evidence to show how he came to be run down.

DISTRICT DOTS.

Over 1,000 hands are employed in Orillia factories, and \$350,000 was paid out last year in wages. Carrie Nation is reported to be dying of nervous collapse in an Arkansas sanitarium. Wingham Presbyterian Church, with a membership of 435, raised \$4,762.50 for all purposes last year. It is rumored that the C.P.R. is about to get control of the Wabash Railway from Detroit to Chicago.

DEATH OF MR. PATRICK MATTHEWS.

Mr. Patrick Matthews, one of the oldest pioneers of this locality, died Friday morning at six o'clock at his late residence in Holland township. The deceased was a native of Ireland, born in the County of Limerick in 1826 and came to Canada in 1847 with his parents, brother and sister, settling on lot 14, con. 2, Holland, where he lived up to the time of his death. He married in 1859. The widow, six sons and three daughters survive him: William, of Markdale; Peter, Francis and Robert, of Weyburn, Sask.; Mrs. McDonald, of Victoria, B. C.; Adolphus, of the 4th concession of Holland; David, Christina and Alice, at home.

The remains were conveyed to St. Stanislaus Church on Monday morning where at half past ten High Requiem Mass was celebrated by Rev. Father Shaughnessy and although the morning was very stormy a large crowd assembled, many coming from a distance. The pall bearers were Patrick Hamilton, John Kennifick, William Hickey, Joseph, William and Thomas Matthews.—Chatsworth News.

You are probably aware that pneumonia always results from a cold, but you never heard of a cold resulting in pneumonia when Chamberlain's Cough Remedy was used. Why take the risk when this remedy may be had for a trifle?
