BETTER THAN SPANKING. Spanking does not cure children of bad habits. There is a constitutional cause for this trouble. Mrs. M. Summers, Box 649 Windsor, Ont., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her to-day if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

Wedding March and conducted the marriage ceremony. After a dainty wedding supper Mr. and Mrs. Milne left for their new home in Osprey. A high class concert was given in the town hall on Wednesday evening of last week under the auspices of the Presbyterian Ladies' Aid. Notwithstanding unfavorable weather, there was a good attendance, the proceeds being over \$36.00. The audience was highly appreciative of the excellent programme rendered. The Misses Benjamin, of Dundalk, who appeared here a short time ago, assisted, and were given a hearty reception. In their splendidly rendered violin and vocal numbers they delighted the audience, and were compelled to respond to repeated encores. Miss Ruby Treford, of Proton, made her first appearance here and captured the audience with her sweet voice in two beautifully rendered solos, in both of which she was recalled. The local talent, taking part were Messrs. Marcellus, Holland, Cairns and Wilcock in a quartette and Mrs. Blackburn and Miss Trimble, a duet; Mrs. Bunt, two Scotch songs, and Bandmaster Bowler, two cornet solos, all of which were splendidly given and most hearty tokens of appreciation accorded, the audience demanding many encores. Rev. Mr. Milligan presided.

SHELBURNE. The weather continues very warm, and vegetation is growing very rapidly. There was a severe electrical storm passed over this place about 3 a.m. Sunday morning. The lightning struck some of the wires in R. L. Mortimer's residence on Main street. The alarm of fire was sounded and the fire brigade was quickly on the spot but their services were not needed as a few pails of water were sufficient to extinguish the fire. Mr. E. Halbert, of Mono, who was hurt while blasting stone a short time ago, is again O. K., and little worse for his experience. A very severe electrical storm passed over Whitford on Monday morning. The lightning killed two head of cattle belonging to T. Sproule. Mr. T. F. Brown, druggist, is in possession of his new auto, and fast becoming an efficient driver. Messrs. Dr. Campbell, D. Franks, G. Bretz and R. Backus are at present prospecting in the gold fields of New Ontario. We wish them a safe return with a goodly portion of the yellow dust.
