suspended above. The ceremony was performed by the family pastor, Rev. G. S. Milligan, M.A., in the presence of about fifty guests. The bride looked very pretty in a dainty gown of white silk with pearl trimmings. She wore a tulle veil and carried a bouquet of white carnations and lily of the valley. Her only ornament was a pearl necklace, the gift of the groom. After the marriage a choice wedding breakfast was served. A number of friends accompanied Mr. and Mrs. Brown to the depot, and followed by many good wishes left on the evening train for their home at Brighton. The bride travelled in a handsome costume of blue cloth with stylish black and white hat. She was the recipient of a large number of beautiful wedding presents. The bride was an esteemed member of Chalmers' Church and took a deep interest in the work of the choir, Sunday School and Young Peoples' Guild.

The annual Convention of the East Grey Teachers' Association, held here on Thursday and Friday last, was very successful. The programme throughout was excellent, and the new high school was pronounced by all an ideal place of meeting. On Thursday morning devotional exercises were conducted by Rev. G. S. Milligan, and in the absence of the President, Mr. Holland, of this place, presided. The minutes of last meeting were read and the following committee appointed: Mr. Johnston, Chairman; Mr. Marcellus, Mr. Jolley, Miss McKenzie and Miss Sproutt. Miss Bell, of this place, gave an excellent paper on "Art in the Primary Room." Inspector Huff followed with a short, interesting address.

In the afternoon Mr. John Bolland opened with a pleasing address of welcome which was fittingly replied to by Inspector Huff. "A Child's First Year in English" was the subject of a fine address by Mr. F. F. McPherson, B.A., of Hamilton Normal School, and an excellent paper on Physical Training and Drill was given by Mr. Johnston, of Kimberley. Miss Scott and Miss Eastman, delegates to the O.E.A., presented their report.

At the evening meeting there was a large audience in the Assembly room of the school to hear Mr. McPherson's lecture on "Canadian Literature," which was a treat and listened to with deep interest. Local talent gave musical numbers as follows: solo, Mrs. R. H. Wright; duet, Miss Trimble and Miss Boyd; trio, Mrs. Blackburn, Miss Boyd and Miss Trimble with violin accompaniment by Mr. Jeff Thistlewaite. A splendidly rendered solo was also given by Miss Gertrude Freeman, of Chatsworth. Inspector Huff presided.

On Friday morning devotional exercises were again conducted by Rev. Mr. Milligan. Mr. McPherson again spoke, giving a very helpful address on "Supplementary Reading."

Don't Shoot the Birds.

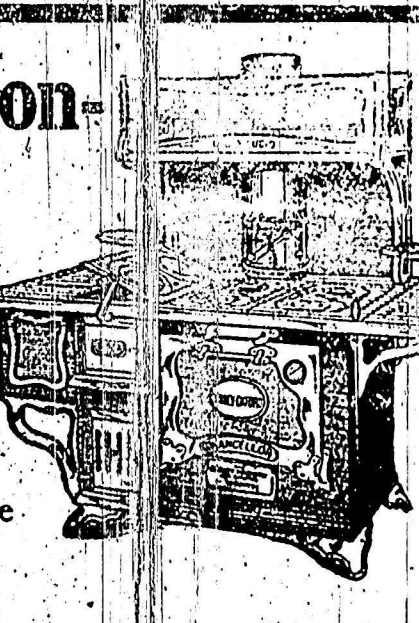

Now that the crisp, frosty days of Autumn are at hand, and all over the land the National Maple is taking on all the tints and hues of a kaleidoscope, it will be but a short time until complaints will be heard on all hands of the reckless boy or youth with the small bore rifle. The youth with a pocketful of cartridges will run amuck through the fields and woods. There is no harm in that and no one objects, besides it is good exercise; but the brave marksman is not content with that, but in quest of swelling his total of kills, indiscriminately shoots everything of the wild kind which comes within range.

The "Woman Question"

This is the problem confronting the average housewife—a problem of vital importance to the home, and one best solved by a trip to our store and the purchase of Gurney-Oxford stoves.

Gurney-Oxford stoves are the only stoves licensed to sell with this wonderful patent. It needs only to be set at a proper angle to hold heat for hours without attention. No fuel is wasted—a saving of 20 per cent. The Grate is Reversible with strong teeth that save accumulation of clinkers and waste. In point of appearance—nickel trimmings, beauty of design, etc.—the Gurney-Oxford has not a rival. Come to our store and find the best answer to the Woman Question—a Gurney-Oxford stove.

For the Woman Question is not only what to eat, but how to cook it, and you find the answer in Gurney-Oxford—first in construction, as well as convenience; first in facilities for control and readiness. The Divided Oven Flue Strip assures perfect baking because of its even heat-distribution, and in every detail the perfect construction of this Chancellor Range assures satisfactory cooking results.

Another phase of the question is economy, and we invite a visit to our store expressly that you may examine the marvelous fuel-saving device the Oxford Economizer.

W. S. PERKINS, Markdale.
