Notwithstanding reverses the
West appears to be enjoying an
average year of prosperity. About
seventy-five per cent. of the wheat
seems to have been more or less
trosted, thus lowering the grade,
while about forty per cent was yet
untrosted with the work still in
progress with prospects of getting
well through. Mr. Young is favor-
ably impressed with the West.

Mr. H. C. Duff, Agricultural
Representative, will ask Grey
County Council at its next session
to grant him permission to utilize
part of the House of Refuge land
as an experimental plot in con-
nection with his department. The
object is a worthy one and the
Council will no doubt grant Mr.
Duff this reasonable request.

We are informed that the electric
meter rate in a number of sur-
rounding towns is the same as
that in Markdale—10 cents per
1000 watts. Unfair comparison
might be made by an item in last
week's issue which stated that
Brampton was paying less than
six cents which is a case of exces-
sive competition. Our rate is not
excessive, in fact is just the aver-
age when compared with towns
under similar conditions as Mark-
dale, and the citizens of this town
have no kick coming, especially
when they consider the excellent
service now being supplied by Mr.
Minnis.

The members of L.O.L. No. 1045
with their lady friends in all
about seventy had a most soci-
able and enjoyable evening in the
lodge room on Thursday evening
last on the occasion of the annual
At-Home. Following a tasty and
abundant supper which consisted
of oysters excellently prepared by
Mrs. F. Sargeant, and other
delicacies, an impromptu pro-
gramme was rendered with Hon.
I. B. Lucas in the chair. Ad-
dresses were given by Messrs. J. C.
Shute, Thos. Scott, of Osprey, W.
Turner, J. H. Stephenson, and
S. J. Halbert, interspersed with
songs by Mr. Jas. Welsh and Mr.
Robt. McGruther, whose selec-
tions invariably "brought down
the house." Mr. Everitt Walker
and Mrs. Geo. Walker also sang.
Herb Irwin gave a recitation,
and a number of selections were
given on the gramophone. Old
1045 never had a more jovial and
light-hearted crowd than were here
assembled, and the event passed
off very successfully in every
particular.

Friday, December 22, will be
municipal nomination day.

Taxes in Markdale are due and
payable to Mr. Wm. Lucas, the
treasurer, and if not paid by the
1st December five percent will be
added. This is the first year on
this plan collecting taxes with-
out a collector, hence new to rate-
payers, so don't overlook it as
taxes are considered quite suf-
ficient without having to add five
per cent.

We notice by the Toronto papers
that Capt. G. F. McFarland,
brother of W. L. McFarland, of
Markdale, and wife, of Toronto,
left for Galveston, Texas, last
Saturday having received the sad
intelligence of the sudden death of
Mrs. McFarland's father, Sir Ber-
trand Aboe, one of the most
prominent and respected citizens
of Galveston.

Two cars of wheat were derailed
at Ceylon last Saturday while an
engine was shunting a south
bound freight train in the yards.
One car hit the tool house and
damaged it almost beyond repair.
The auxiliary came down from
Owen Sound and succeeded in
clearing the tracks so that the
passenger trains were not serious-
ly delayed.

this season, and it was decided to
enter a team in the Northern
League with Owen Sound, Han-

be played here, and an interesting
hockey season is looked forward
to. The question of entering a
junior team in the O. H. A. was
also brought forward, but as not
much interest was manifested in
regard to this, it has been drop-
ped for the present.
