HER SKIN SEEMED ON FIRE

Every Other Treatment Failed But 'Fruit-a-tives' Cures

GRANDFATHER, Jan. 2nd, 1910. My wife was afflicted with chronic Eczema on the face and neck. The disease was so severe that it almost prevented her from using her hands. The doctor gave her several treatments to use, but none of them did any good. He also advised her to wear rubber gloves and she wore out three pairs without getting any benefit. As a last resort, I persuaded her to try 'Fruit-a-tives' and the effect was marvelous. Not only did 'Fruit-a-tives' cure the Eczema, but the Asthma, which she suffered from, was also completely cured. We both attribute our present good health to 'Fruit-a-tives'. N. JOUBERT. 'Fruit-a-tives' will always cure Eczema or Salt Rheum because 'Fruit-a-tives' purifies the blood, corrects the Digestion and Constipation and tones up the Nervous System. 'Fruit-a-tives' is the only medicine in the world made of fruit juices and vegetable tonics, and is the greatest of all blood-purifying remedies. 50c. a box—5 for \$2.50—or trial size, 25c. At all dealers or from Fruit-a-tives Limited, Ottawa.

Standard Clubbing.

As may be seen by reference to the Standard Clubbing page of this paper the Standard Clubbing has a number of other members. We handle about five hundred subscriptions for outside members in the year. This entails much time and responsibility, besides cost of post office orders, postage, etc. It would be a decided relief to cut out this clubbing business, altogether, as many newspaper men have done, but we continue to do it for the accommodation of our own subscribers. It is no small task to keep a record of all these names, and when our customers get the benefit of the commission and are saved the trouble and expense of remitting, surely no one would be small enough to want also a reduction in the paltry price of the Standard. Berlin is talking of establishing penny banks.

DON'T LET THAT COUGH ROB YOU OF SLEEP

You probably know all too well how it goes. Just as you doze off, the tickling starts in your throat. A gentle cough, all at once, a harder cough, and then another. First thing you know you're wide awake, coughing your head off. A few nights of that and you're so worn out and weakened that the cough takes a tight grip on you. But why endure it? Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne will soothe that spasmodic tickling, loosen the phlegm and cure the inflammation of the mucous membrane. It not only stops the cough quickly allowing you to get sound, refreshing sleep, but it goes to the root of the trouble and drives out the cold completely. Children willingly take Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne, because it tastes so good. Your Druggist has it or can quickly get it for you in 45c. and 50c. bottles. NEWS FROM SURROUNDING TOWNSHIPS

BY STAFF REPORTERS

KIMBERLEY

(Last week's items.) Not much like an open winter now. On Saturday morning last the mercury dropped down to 10 below zero. Mr. Henry Hurd, of Toronto, spent a few days here during the past week and was the guest of his grandparents, Mr. and Mrs. Henry Hurd. Don't forget the Orange Concert here on January 26th, Eddie Piggot, of Toronto, will be one of the chief entertainers. Zero weather doesn't stop Geo. Proctor's hens, from laying, in fact it seems to be a stimulant for them as they produced him 16 eggs on Saturday last, when the thermometer registered 10 below zero. Mr. Proctor's hen house is one of the latest design, the entire front of it being opened save for a wire screen to keep hens from going out. Reeve Ellis official majority is 11 instead of 1 as reported by some. Mr. Victor Ellis, eldest son of Reeve W. T. Ellis, who is attending Normal School at Hamilton, is to undergo an operation for appendicitis in one of the hospitals of that city on Tuesday of this week. Victor's many friends hope that the operation may prove successful. Mrs. Ellis left on Saturday last to attend the bedside of her son. Mr. David Thompson, of Dundalk, is visiting friends here, and is the guest of Mr. John Plewes. Mrs. Heatherington, of Coldwater, is attending the bedside of her father, Mr. James Fawcett, sr., whom we are sorry to report is very sick with but faint hopes of recovery. Mr. Thos. Clark, of Collingwood, is the guest of his brother, Mr. Will Clark, of the Valley Road, north.

Miss Freda Prowd is visiting in Owen Sound. The Epworth League had a very pleasant "New Year's" evening on Thursday last. Papers on the "New Year" were read, and sandwich and tea were served. The League is planning an "Essay Competition" in about three weeks which promises to be very interesting. The league has a very interesting program for the winter and cordially invites all young people to attend. Opens at 7.30. The annual meeting of the Walters Falls Agricultural Society will be held in Walters Falls on Friday, Jan. 19th, 1912, at 1 o'clock p.m. for the purpose of receiving the annual report, electing officers for the ensuing year and other business in connection with the Society. A very delightful evening was spent, all voting Mr. and Mrs. Foy the very best of hosts and hostesses. Mr. A. M. Day returned to Toronto on Monday. Mr. Thos. Gilray has again leased the rink for the season, so all may expect the same excellent conditions that have prevailed during the past years. Mr. Gilray hopes to have all in readiness for

RIVERDALE

(Special to The Standard.) Weather probabilities—snow. Mr. Charles Ellis returned from Moosomin, Sask., last week. Mr. G. Lee visited Mr. Robert Ireton, Markdale suburbs, recently. Mr. and Mrs. A. Thompson entertained a number of their friends to a sociable At-Home on New Year's evening. Our mild winter weather prophets certainly had their promising predictions terribly exploded last week. Robert and Seth Henning and sisters, also Mr. Charles Merrifield, of the West Back Line, attended the at-home given by Mr. and Mrs. A. Thompson on New Year's evening. The fiercest and most continuous storm in the memory of our oldest residents was experienced last week. A little typographical error crept into Riverdale news recently, an item stating "Miss Scott, of Ingersoll" should have read "of Inglewood."

WALTERS FALLS

(Special to The Standard.) (Last week's items.) Messrs. James and Will Walker, of Davidson, Sask., are renewing acquaintances in this vicinity at present. We presume that the west will look pretty good to several of our young ladies in the near future. Inspector Dunlop, of Temple Hill, made his first official call in our burg on Jan. 3rd. Our local blacksmith attended the Farmers' Club meeting held in the office of the Department of Agriculture on Saturday last. Why not organize a Farmers' Club in this vicinity. We have assuredly got the goods to boost it.

THORNBURY

Mr. J. H. Hearst, of Thornbury, has been appointed Overseer of Public Works for Thornbury. The suit brought against the town of Thornbury by one Mr. Robinson, of Collingwood, for causing him to remove his booth on the 12th of July, last, after having paid his license was heard by Judge C. H. Widdifield on Friday last. After listening to the evidence decision was reserved. The magnificent new rink at Thornbury held its formal opening Monday night, when a large crowd from Meaford, Collingwood, Rocklyn, Heathcote and neighboring villages poured into Thornbury. They thronged in from the sidelines, the crosslines, the concessions and the blind lines, until the splendid new arena was the assembling place of a motley crowd of pleasure seekers. Here is a remedy that will cure your cold. Why waste time and money experimenting when you can get a preparation that has won a world-wide reputation by its cures of this disease and can always be depended upon? It is known everywhere as Chamberlain's Cough Remedy, and is a medicine of real merit. For sale by all dealers. Advertise in The Standard.
