Sealed Tenders, addressed to the undersigned and endorsed "Tender for Wharf or Retaining Wall at Owen Sound, Ont.," will be received at this office until 4.00 P.M., on Tuesday, June 4, 1912, for the construction of a Wharf or Retaining Wall at Owen Sound, Grey County, Ont.

Plans, specification and form of contract can be seen and forms of tender obtained at this Department and at the offices of J. G. Sing, Esq., District Engineer, Confederation Life Building, Toronto, Ont.; H. J. Lamb, Esq., District Engineer, Windsor, Ont., and on application to the Postmaster at Owen Sound, Ont.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p.c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS,
Secretary.

ONTARIO
Provincial Loans of $2,000,000 and $210,000

The Government of the Province of Ontario, under the authority of Chapter 4, of the Statutes of Ontario, 1911, invites subscriptions from the public for a loan of $2,000,000 on bonds of the Province of Ontario, or "Ontario Government Stock."

The bonds will be dated 1st May, 1912, and payable on the 1st November, 1941, in denominations of $1,000 each, with coupons attached for interest at the rate of 4 per cent. per annum, payable half yearly, on the 1st May and 1st November in each year, at the office of the Provincial Treasurer, Toronto, or at the offices of the Bank of Montreal, in Montreal, Canada, and in New York, N.Y., at the holder's option. Bonds will be made payable to bearer, but on request will be registered in the office of the Provincial Treasurer Treasurer and endorsed as payable only to the order of certain persons or corporations, and on request of holders will be exchanged for "Ontario Government Stock" at any time.

Also balance of Algonquin Park Loan of $210,00 on the same terms and with the same dates, under the authority of Chapter 9, 1 George V.

The issue price during the month of May, 1912, will be 102 for each $100, and after the 31st day of May, 1912, the issue price will be 102 and interest accrued from the 1st May, 1912.

All bonds and inscribed stock issued under the authority of the said act are free from all Ontario Provincial taxes, charges, succession duty and impositions whatever.

Purchasers of Stock or Bonds will be required to send certified cheque with the application, payable to the order of the "Provincial Treasurer of Ontario."

This loan is raised upon the credit of the Consolidated Revenue Fund of Ontario, and is chargeable thereupon.

A. J. MATHESON,
Provincial Treasurer.

FREE TO YOU—MY SISTER

FREE TO YOU AND EVERY SISTER SUFFERING FROM WOMEN'S AILMENTS.

I am a woman.
I know woman's sufferings.
I have found the cure.

I will mail, free of any charge, my **home treatment** with full instructions to any sufferer from women's ailments. I want to tell **all** women about this cure—you, my reader, for yourself, your daughter, your mother, or your sister. I want to tell you how to cure yourself at home without the help of a doctor. Men **cannot** understand women's sufferings. What we women know **from experience**, we know better than any doctor. **I know** that my home treatment is a safe and sure cure for **Leucorrhœa or Whitish discharge, Ulceration, Displacement or Falling of the Womb, Profuse, Scanty or Painful Periods, Uterine or Ovarian Tumors or Growths, also pains in the head, back and bowels, bearing down feelings, nervousness, creeping feeling up the spine, melancholy, desire to cry, hot flashes, weariness, kidney and bladder troubles where caused by weakness peculiar to our sex.**

I want to send you a complete 10 days' treatment entirely free to prove to you that you can cure yourself at home, easily, quickly and surely. Remember, that **it will cost you nothing** to give the treatment a complete trial; and if you should wish to continue, it will cost you only about 12 cents a week, or less than two cents a day. It will not interfere with your work or occupation. **Just send me your name and address, tell me how you suffer, if you wish, and I will send you the treatment for your case, entirely free, in plain wrapper, by return mail. I will also send you free of cost, my book—"WOMAN'S OWN MEDICAL ADVISER" with explanatory illustrations showing why women suffer, and how they can easily cure themselves at home. Every woman should have it and learn to think for herself.** Then when the doctor says "You must have an operation," you can decide for yourself. Thousands of women have cured themselves with my home remedy. It cures **all, old or young. To Mothers of Daughters,** I will explain a simple home treatment which speedily and effectually cures Leucorrhœa, Green Sickness, and Painful or Irregular Menstruation in Young Ladies. Plumpness and health always result from its use.

Wherever you live, I can refer you to ladies of your own locality who know and will gladly tell any sufferer that this Home Treatment really cures all women's diseases and makes women well, strong, plump and robust. **Just send me your address and the free ten days' treatment is yours, also the book.** Write to-day, as you may not see this offer again. SHE FAINTED WITH THE AGONY

"Fruit-a-tives" Cured Her Kidneys

Miss MAGGIE JANNACK

MOUNTAIN, ONT., Dec. 15th, 1910

"I desire to let the world know the great debt I owe "Fruit-a-tives" which saved my life when I had given up hope of ever being well again.

For six years, I suffered from dreadful Kidney Disease. My legs and lower part of my body were fearfully swollen. The pain in my side and legs would be so bad that I would faint with the agony.

Five different doctors attended me and all said it was Kidney Disease and gave me no hope of getting well.

A kind neighbor visited me and mentioned the case of Mrs. Fenwick who had been cured of a sickness like mine. I took "Fruit-a-tives" and in a short time, I began to feel better—the swelling went down—the pains were easier—and soon I was well.

I have gained over 50 pounds since taking "Fruit-a-tives"—and my friends look upon my recovery as a miracle."

(MISS) MAGGIE JANNACK.

"Fruit-a-tives" are sold by all dealers at 50c a box, 6 for $2.50, trial size, 25c.—or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

Which is his

THERE'S no mistaking the expression of a man whose farm is well "improved." He *looks* as prosperous as he *feels*.

It isn't the size of a place that counts most, nor its actual dollars-and-cents value. It's rather that "well-kept," thrifty appearance, the appearance that makes you think of fat stock, and well-filled barns, and contentment, contented living.

Neat, permanent improvements go further in giving a farm this appearance than any other feature.

Concrete Is The Ideal Material

for such improvements. It is neat, harmonizing with its surroundings in the country. Everlasting, it cannot be injured by fire, frost, wind or lightning. Age—instead of causing it to decay—actually makes it stronger.

Concrete never needs repair—first cost is last cost. New improvements can be added year after year with less expense than would be required to keep wooden structures in repair.

Concrete walks, feeding floors, dairy-barns, ice-houses, root-cellars, well-curbing, fence posts, silos—which of these does your farm need most? Whatever you want to build, it's best to build it of concrete.

Do you want to know more about this subject of permanent farm improvements? Then write for your copy of

"What The Farmer Can Do With Concrete."

It's a book of 160 pages, telling how other farmers have used the "handy material" to good advantage. Published to sell, 50c. a copy, it is now being offered free to farmers who write for it. Address
