A most happy and successful picnic was that of Zion on Friday afternoon. About 350 were present, drawn from Edge Hill, Bussessan, the East and Townsend's Lake vicinity. The program was a varied one, the tea and edibles could not better be and the list of races after tea were hotly contested. The most prized one being the "Douglas Currey Prize" of a fine baseball, open to the members of the team. Tom Cook won by a bare six inches, with Wilfred Hunt and Lorne McNally hot after him. The booth and six freezers of ice cream were sold out early. Proceeds over \$46!

UNION HILL

(Special to The Standard.) For the information of our readers we may say that Union Hill is a very level settlement about half way between Markdale and Berkeley, from which some interesting items of news may be expected from time to time. Mrs. J. J. Little and daughter, of Proton, were the guests of the former's sister, Mrs. John Benton, recently. Mr. John Priestley, of Braddock, Pa., spent the past week with his parents, Mr. and Mrs. Priestley. Mr. W. G. Pickell was on business in this vicinity last week. Mr. G. Mr. and Mrs. Will Crockett were the guests of Mr. and Mrs. Beaton on Saturday. Mr. G. Walker, West Berkeley, spent Dominion Day in our burg. Most of the youth and beauty of our burg took in the celebration at Berkeley on Dominion Day. Quite a lot of improvements and building are being done around here. Plenty of hot dry weather. Rain is much needed. Mr. Henry Clark is having a stone wall put under his barn. Mr. Snell, of Markdale, mason, is rushing it up. Mr. W. C. Davis has recently completed the painting on Mr. McCann's fine residence on the west. Mr. Priestly also has his house painted and water works put in. Good roads are the order of the day. Mr. Ab. Ritchie and his men are giving the swamps a good coat of gravel. This will be gratifying to automobile users. Mr. W. L. McFarland has without doubt the prettiest car in this section through our burg. Mr. A. E. Walker has a dandy new buggy. See girls, its leap year. Mr. James McFadden has also purchased a new democrat.

GLASCOTT

(Special to The Standard.) Roadwork and barn raisings are the order of the day. Mr. George Henderson held a most successful barn raising on Tuesday last. He will have a snug barn. He had Mr. Brodie as framer, and everything went together tight and neat and all was raised by five o'clock, when the men sat down to a dainty supper gotten up by the women folk. Mr. Joseph Young, our popular new councillor, and his gang of men were on the townline last week grading Sullivan's hill, which has been neglected for years. Mr. Young, as road boss, has few equals and he, with Mr. John Colbert as operator, good, teams and good teamsters, can make a good job, and we hope to see Mr. Young re-elected to our council board again next year with a larger majority than ever. Miss Agnes Malone returned home from Toronto to visit her mother, who has not been very well. Miss Lizzie Moran, of Guelph, is visiting her uncle and aunt, Mr. and Mrs. Thos. Moran and other relatives. Mr. Richard English, accompanied by Mr. Priel, are away on a six-weeks' visit to Saskatoon to see their sons and daughters. Mr. Wes. Mr. Michael Ryan, who has been engaged making square timber at Neustadt, visited his sister, Mrs. Thos. Moran, jr., the last week. We congratulate Miss Janet Livingstone on her recent success at the Markdale Continuation School, passing from Form II to Form III with honors. A number of the young people of this vicinity attended the C.O.F. picnic in Berkeley on July 1st, and all enjoyed themselves.
