If you are a housewife you cannot reasonably hope to be healthy or beautiful by washing dishes, sweeping and doing housework all day, and crawling into bed dead tired at night. You must get out into the open air and sunlight. If you do this every day and keep your stomach and bowels in good order by taking Chamberlain's Tablets when needed, you should become both healthy and beautiful. For sale by R. L. Stephen.

Blair--Reed.

On Wednesday, June 26th, a quiet but pretty wedding was solemnized at the home of the bride's parents, Mr. and Mrs. C. Reed, Markdale, when their youngest daughter, Lauretta M., was united in marriage to Mr. A. G. Blair, Ebordale. Precisely at two o'clock, while the wedding march was played by the bride's niece, Miss Flo. E. Hunt, the bridal party took their places under an arch of ferns and snow-balls. The ceremony was performed by the Rev. Jos. Young in the presence of only the intimate friends of the contracting parties. The bride was becomingly attired in a dress of white swiss embroidery and carried a bouquet of white peony roses and fern.

After the usual congratulations a dainty luncheon was served. Amid showers of confetti and good wishes the happy couple left on the four o'clock train for Hamilton, Burlington and other points. The bride travelled in a neatly tailored suit of grey Drap-De-Alma, wearing a hat to match with willow plume.

The bride was the recipient of many useful presents. Friends from a distance were: Mr. and Mrs. Will Reed, Oxford, Mich.; Mrs. Alf. Smith, Hamilton; Mr. James Napper, Cargill; Miss L. Nixon, Dundalk.

Mr. and Mrs. Blair on their return will reside at Ebordale.

Magistrate Grant of Regina is quoted as saying, in condemning immoral conditions there: "I know for a fact that some men in this city are making a regular practice of changing their wives with one another."

Paterson--Hodgkinson.

A very pretty wedding was solemnized at the home of the bride's parents, Mr. and Mrs. Charles Hodgkinson, 9th line, Euphrasia, on June 26th at 5 o'clock, when their second eldest daughter, Susie A., was united in marriage to Mr. Dugald Paterson, eldest son of Mr. and Mrs. Jas. Paterson, of Blantyre. Rev. Mr. Beveridge, of Temple Hill, pastor of the bride, performed the ceremony in the presence of about one hundred and fifty guests. The bride looked charming in a gown of alice blue silk trimmed with overlace and pearls and fringe, and carried a handsome bouquet of white carnations and maiden hair fern. The bride, leaning on the arm of her father, entered the parlor to the strains of the wedding march, which was played by Etta Briscoe, and took her place beneath an arch of evergreen and draperies. Miss Mabel Dunlop acted as bridesmaid and wore a dress of Alice blue silk trimmed with overlace and beading and carried a bouquet of pink carnations and maiden hair fern. The groom was supported by his cousin, Mr. Russell Storey, of Blantyre. After the ceremony the guests repaired to the diningroom, which was tastefully decorated in pink, white and blue, and partook of a sumptuous wedding dinner. The evening was spent in music and dancing.

The esteem in which the young couple are held was shown by the number of beautiful and costly presents, including the groom's gift to the bride, which was a handsome pearl crescent. The groom's gift to the bridesmaid was a gold fob, to the groom's man a gold fob, and to the organist a gold bar pin.

Mr. and Mrs. Paterson will reside at Blantyre. The bride will certainly be missed in the choir and church works. Their many friends wish them a long and prosperous voyage through life.

Temple Hill Garden Party

The Annual Garden Party of Temple Hill Presbyterian Church took place on June 28th under most favorable conditions. A beautiful warm June day, so warm that people would rather go to a garden party than work, at least we might judge so by the bumper crowd that thronged the grounds and building on Friday evening, June 28th.

The crowd was much pleased that the young men were able to overcome the unfavorable conditions of the grounds and to give them a real snappy football game. But such is the spirit of the young Canadians, and we glory in it.

About 9 o'clock the large church was overcrowded to listen to a lengthy program. The speeches of visiting clergymen were well received.

The crowd was enthusiastic over the splendid and generous performance of the band, and the whole program was well rendered and enthusiastically encored.

The total receipts amounted to $170.00. The church people and committees were well pleased and think greatful of the crowd and all helping to make the evening a success.

A TRIP TO THE COAST VIA CANADIAN PACIFIC RAILWAY.

At this season of the year a great many are planning their summer vacation. What could be more delightful than a journey through the Canadian Rockies to Vancouver? A trip of this nature affords the traveller an opportunity of learning the wonderful resources and opportunities throughout Western Canada, besides enjoying the world's greatest scenery in the Canadian Rocky Mountains, where the Canadian Pacific have established palatial hotels which afford every possible comfort to the tourist.

The Canadian Pacific is the logical route to the West, affording the finest equipment and fastest train service—it is the only All-Canadian Route—no change of cars—all equipment is owned and operated by the C.P.R., affording the highest form of efficiency—dining-car service up-to-date in every particular; also operating modern electric-lighted compartment library observation cars on transcontinental trains—only lines operating through standard and tourist sleeping cars to Winnipeg and Vancouver.

It would be to the advantage of any person contemplating a holiday trip of any description to consult nearest C.P.R. Agent for illustrated literature and full particulars, or write M.G. Murphy, District Passenger Agent, Toronto.

Correction—Last week we mentioned three female residents having come to town, but later developments have proved that two of them are male, and fine boys at that, viz: I. Stinson's and Jas. Miller's.

Reid--Shepherdson.

The Methodist Church, Walters Falls, was the scene of one of the prettiest weddings of the season on Wednesday last, June 26th, at high noon, when the marriage was solemnized of Lettie E., daughter of Mr. and Mrs. Wm. J. Shepherdson, and Mr. Frank Reid, Postmaster, of Perdue, Sask.

The church was artistically decorated with white ribbon and quantities of summer blossom and greenery, the bride's choir chair being tied at one side with a large double bow of white silk ribbon.

The ceremony was performed by Rev. A. P. Stanley, assisted by a former pastor of the bride, Rev. H. E. W. Kemp, of Heathcote.

Mendelssohn's Wedding March was played as the bridal party entered, and Mornin Vespers was played softly throughout the service. The bride, who was given away by her father, wore a beautiful embroidered brussels net gown over silk, with cluny lace insertion and French back finished with a large duchess satin rosette. There were three rows of narrow lace frill's around the lower part of the skirt and sleeves. Her tulle veil was arranged as a Juliet cap with wreath of orange blossoms and caught up on left shoulder with a spray of blossoms. The bride carried a huge shower bouquet of white carnations and lily of the valley, and wore a gold chain and sunburst of pearls, the groom's gift.

Her sister, Miss Irene Shepherdson, the bridesmaid, was attired in a white swiss embroidered frock and picture hat of milan straw with a crown of flowers. She wore the groom's gift, a gold bracelet with engraved monogram and carried a bouquet of pink carnations.

Mr. Willie King was best man. He also wore the groom's favor, a watch chain with monogram. Mr. John Reid and Mr. T. Barker acted as ushers.

At the conclusion of the ceremony, while Lohengrin's Bridal March was played, the bridal party and guests left the church for the home of the bride's parents, where Mr. and Mrs. Shepherdson held a reception. The floral decorations of the house were in white and pink, the tables being fragrant with white peonies and roses.

The bride, who was very popular in social circles, received many beautiful gifts, among the presents were also a number of checks, and all her girls friends each sending pretty gifts.

The organist, Mrs. A. P. Stanley, received a pretty gold lined nut bowl from the groom.

Mr. and Mrs. Reid left for Toronto, and by boat to Fort William, then entrain for their new home at Perdue, Sask., the bride travelling in a stylish electric blue suit with cream surplus blouse with touches of blue satin and large black French hat with plumes.
