I know a lady in the east of the city, whose husband suffered for years with an open sore on his leg. In that case. The other day, when I saw her, she told me that it had healed.

My daughter, who lives in Lethbridge, Alta., has also used Zam-Buk with the same satisfactory result. I think it is beyond all doubt, the finest healing balm known.

Such is the opinion of all persons who have really tried Zam-Buk. It is a sure cure for eczema, piles, abscesses, ulcers, scalp sores, ringworm, cuts, burns, scalds, bruises, and all skin injuries and diseases. Box, all druggists and stores, or post free from Zam-Buk Co., Toronto, for price. In case of skin disease use also Zam-Buk Skin Soothing tablet.

Word was received here on Sunday, the 13th, of the death at San Pedro, California, of Mr. Donald Robertson, a lifelong resident of St. Vincent, with the exception of about six years, four of which he spent in Winnipeg and two in Meaford. The deceased was in his 60th year and had been in failing health for about a year. Believing that a change of climate would be beneficial to him, he and Mrs. Robertson left the first of the month with the intention of spending the winter with his son, J.A. in California. As the telegram contains only the brief intimation of his death we are unable to give any particulars of his illness. It is believed, however, that death was due to paralysis. Forty-three years ago he was married to Jeanne Paterson, only daughter of Mr. and Mrs. James Paterson, of Euphrasia. Three sons were born to them by the union, viz.: A.D. who died about six years ago; W. D., on the old homestead; J.A., in California. In politics he was Liberal, and in religion a Presbyterian. The bereaved ones have the sympathy of the community in their hour of affliction. Harold Muixlow, youngest son of Mr. and Mrs. Joseph Muixlow, happened with a painful accident on Wednesday, October 2nd. While playing at school he had the misfortune to sit down on a snag which ran through his abdomen into his bladder. The little fellow walked home, but did not say much about his injury until evening when his father and mother, who had been in Meaford, came home and found him in great agony. He at once phoned for Dr. Jordan, of Meaford, who upon arrival had him removed to Collingwood Hospital. Although his condition at first was hopeful, a second operation had to be performed, which has weakened him considerably. Word was received Monday evening that he was recovering slowly.
