LA GRIPPE'S VICTIMS

Left Weak, Miserable and Prey to Disease in Many Forms

One of the most treacherous diseases afflicting the people of Canada during the winter months is la grippe, or influenza. It almost invariably ends with a complication of troubles. It tortures its victims with alternate fevers and chills, headaches and backaches. It leaves them an easy prey to pneumonia, bronchitis, and often consumption. Indeed the deadly after-effects of a grippe may make the victim a chronic invalid. You can avoid la grippe entirely by keeping the blood rich and red by an occasional use of Dr. Williams' Pink Pills. If you have not done this and the disease attacks you, you can banish its deadly after-effects through the use of this same great blood-building, nerve-restoring medicine. Here is proof of the wonderful power of Dr. Williams' Pink Pills over this trouble.

Mr. Emmanuel Laurin, St. Jerome, Que., says: "I was seized with a severe attack of la grippe. I was obliged to stop work and remain in my bed for several weeks, and while I appeared to get over the first stages of the trouble, I did not regain my usual health. I suffered from headaches, loss of appetite and extreme weakness. I could not sleep well at nights, and would arise in the morning feeling tired and worn out. This continued for about two months during this time I was taking treatment, apparently without avail. Then I was advised to try Dr. Williams' Pink Pills, and I got a half dozen boxes. By the time I had taken three boxes there was a decided improvement, and actually before I had completed the sixth box I was enjoying my old time health. I was strong as ever, could sleep well and eat well, and no longer suffered from lassitude and headaches. I have proved the value of Dr. Williams' Pink Pills for the pernicious after-effects of la grippe, and can therefore recommend them to other sufferers."

Dr. Williams' Pink Pills cure by going to the root of the trouble in the blood, which they enrich and make red and pure. These pills cure all troubles due to bad blood, and if you are ailing you should start to cure yourself to-day by taking this great medicine. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
