G. C. Farmers' Club.

The types and breeds of sheep and hogs formed the topic of the meeting of Glenelg Centre Farmers' Club on January 14. The subject was taken by P. H. T. Binnie. Briefly he traced the origin and improvement of the different breeds and showed the differences between the wool and mutton types in sheep and the fat and bacon types in hogs.

The majority of the breeds are of European origin but there are a few that come from this continent. The American breeds are in the hog line. The people of the United States have a few new breeds of hogs which will produce the fat hog better than will the Old Land breeds.

He also briefly outlined the new bulletins which were added to the Club library and hoped that the members would make good use of them. Songs were sung by Wm. Connelly, T. H. Binnie and Pat. Fogarty. The next meeting will be on Feb. 2nd, 1913.

DUNDALK
One of the land marks of this locality had a close call from being wiped out by fire on Friday afternoon. It was discovered by a man driving on the Gravel Road who noticed smoke issuing from the chimney of Mr. S. McDowell's house at Mayburne.

He was not long in notifying those inside who were unaware of the danger. Word was quickly sent in to the village and the fire brigade hurried out to the scene.

The blaze had made considerable headway in the upper part of the house but by the heroic work of the brigade the fire was got under control. Much of the furniture was removed and a good deal destroyed in the handling.

Quite a hole was burned in the side of the building. We understand there was insurance cover for the loss. The fire is thought to have originated from a chimney. The building, which was Mr. S. McDowell's hotel in the early days, is yet a good comfortable dwelling. It is situated on the Melancthon side of the Gravel Road.

Death has again come to Swinton Park and has taken another of our best known and much respected young men across the valley. Mr. Archibald McMillan, who died at the home of his brother, John, near Cayton, on Thursday, Jan. 16th. The burial took place on Saturday, the 18th, in Swinton Park cemetery, the Rev. Mr. Matheson officiating at the house, church and grave.

The assembly, we think, the largest and most representative company of mourners and sympathizers that ever met in this locality to have the last tribute of respect to a departed friend. Almost every house within a radius of fifteen miles was represented and sympathy was expressed both in word and manner for the bereaved mother, sisters and brothers. He leaves to mourn four sisters, Mrs. Jas. Pafon and Mrs. William Haw, of Prolon; Mrs. James Wilson, Boothville, and Mrs. Mary, of Fort William, also two other John, of Cayton, and Neil here, but especially his aged mother have the sincerest sympathy of all in her great affliction. FLESHERTON

(Special to The Standard.)
Mr. Alfred Harrison received the sad news on Friday last of the death of his brother, Ward, who he visited at his home in New York State a month ago, and from where the funeral took place on Sunday. Mr. Harrison had been ill about two years, but the best nursing and medical aid failed to save him. He was born in England and was 60 years of age. He had received a good education and after coming to Canada followed bookkeeping for some time. Near Flesheron, where he lived for many years, he was married to Miss Ann Stewart, who survives him with one son and three daughters, all living in New York State, where they moved a few years ago. Besides his brother, Alfred, here, one sister, Mrs. John Whitten, of Toronto, also survives him.

The hockey team played a return match with Markdale team on their own rink on Thursday evening last and again won with a score of 7 to 1. A number of enthusiasts accompanied the boys on their outing.

On Tuesday evening of last week the 53rd anniversary of her marriage, Mrs. W. Clayton entertained a few of her friends at a fowl supper. Among those present were: Mr. and Mrs. Wellwood and Mr. and Mrs. Wesley Carson, of the Meaford Road, old friends who are leaving to reside in Michigan. Mr. Carson had an auction sale of stock and implements on Monday.

Mr. Levi Betts, of the Collingwood Road, met with a bad accident on Friday last. While working in the yard he was struck by a falling tree and had one leg badly broken in two or three places that he had to be taken to the hospital to have the fractures reduced. He was accompanied to the city by his wife and Dr. Bibby. Word has been received that nothing can be done until great swelling in the limb is reduced. Mr. Betts had also a valuable horse break his leg by falling on the icy hill at the station. The animal was taken home but we learn has to be shot to end its suffering.

About twenty young people from Foversham attended the rink on evening last week and after skating were given an enjoyable party by Miss Reba Buskin.

John Gibson moved his family last week to W. Fisher's farm on the 4th line.
Miss Ethel Trimble is home from Owen Sound for a holiday till Spring Millinery Openings.

J. & W. Boyd intend giving up general business here to go to the West and are holding a clearing sale.
Reeve McAvish, of the village, and Cecil McKenzie, of the township, are attending a county convention at Owen Sound this week.

Mr. Wm. Bradley, aged 66 years, Mr. Bradley, who had been in poor health, sold his farm near Durham and went West with his daughter, only a few weeks ago. He was for many years a highly respected resident here and his old surviving friends are sorry for his death. His wife died three years ago.

Mr. W. Irwin, editor of the Durham Chronicle, was on the 20th of last month, of his father, who died at his late home at Thornbury, aged 87 years. Mr. Irwin's old friends here sympathize with him in his bereavement.

By a letter received last week we were very sorry to learn of the death of a former Flesheron boy, J. Herbert Strain, who has been for a number of years successful in business at the head of the firm of Strain Bros., Great Falls, Mont. During the past year Mr. Strain underwent two operations which gave but little help and his condition is now alarming.

Mr. R. L. Johnston, of Knox College, supplied the Presbyterian pulpit on Sunday and was especially pleasing to the congregation.
Miss Mary Wilson, teacher in No. 3, east of the village, was confined to her home here last week through illness, but resumed duties on Monday.

Mr. J. P. Bunt, of Toronto, is spending a few days with his brother here.
Mrs. Graham, of Kimberley, is on an extended visit with her daughter, Mrs. R. H. Moore.

Mr. Robert Bellamy, of the Toronto Bank, is home for three weeks holiday.
Edgar E. Bellamy, one of the busy real-estate men of Saskatchewan, is on a business trip to Toronto and London, and spent a few days last week with his parents here.

Miss Lillian Armstrong visited in Dundalk last week.
Mr. C. W. Bellamy, Secretary of the Farmers' Club here, attended a meeting of the Board of Agriculture at Markdale on Saturday.

Mr. John Ginnell, of the Bank of Commerce, Orangeville, was a visitor with Mr. and Mrs. Holland over Sunday.
Mr. Alvin McKenzie, son of Reeve McKenzie, is attending Business College at Owen Sound.

Mr. W. L. McFarland's friends here are sorry to learn of his poor health, but trust his trip to the southern States may have very beneficial effect.
