Expect Much of Him.

President Woodrow Wilson has been formally inaugurated as the Chief Magistrate of the great English-speaking Republic to the South, and he has four years of strenuous work ahead of him. But unless all signs are misleading, he will live up to the best traditions of the high office which he now holds, and his own countrymen and the world at large may look forward with confidence to a return of wise moderation and wholesome progress so far as his influence may be exercised at home and abroad. President Wilson is a man of the highest type of United States citizenship, educated in the best sense of the word, of high ideals, with a mind of broad views and plenty of sturdy character behind it to back up his opinions. He seems to have made a wise selection of Cabinet Ministers and the relations between Canada and the United States ought to be most harmonious and beneficial to both nations. Canadians generally will wish the new President every happiness and success in his term of office.

Anthony Shute Named As Police Inspector

(Edmonton Journal, March 1st.)

By the appointment of Sergeant Anthony Shute to the position of inspector, Chief Carpenter has selected an officer who possesses valued experience in police work. The appointment was made yesterday to go into effect this morning and Inspector Shute will assume his new duties from now on. The position of sergeant will be taken by Constable Albert E. Miller who had charge of the traffic work for several months past.

Inspector Shute is rated as one of the best police officers in Alberta and previous to coming west he served in the Owen Sound force and was also connected with the provincial police of Ontario. He came to Edmonton on April 26, 1911, and became a constable on the local force, and in July of the same year was promoted to the position of acting sergeant. On January 1st of the next year he was duly installed to the permanent rank of sergeant.

The promotion of Sergeant Shute to the position held by the late inspector, Daniel Tidsbury, is a popular one. Ever since he joined the local force he has been very popular with the other members of the department and especially so during the time he has been a sergeant and at the same time has proven himself a very capable officer, which statement is borne out by his appointment to the inspector's position.

(Inspector Shute is a brother of J. C. Shute, of Markdale.)

How a cut led to 14 years of suffering

Mr. J. E. Arsenault, a Justice of the Peace and station master at Wellington, on the P.E.I. Ry., says: "Four years ago I fell on a freight truck, sustaining a bad cut on the front of my leg. I thought this would heal, but instead it developed into a bad ulcer, and later into a form of eczema which spread very rapidly and also started on the other leg. Both legs became so swollen and sore that I could only go about my work by having them bandaged.

"I consulted two doctors, and tried all the salves, liniments and lotions I heard of, but instead of getting better I got worse.

How Zam-Buk cured.

"This was my condition when I got my first box of Zam-Buk. Greatly to my delight that first box gave me relief. I continued to apply it to the sores, and day by day they got better. I could see that at last I had got hold of something which would cure me, and in the end it did.

"It is now over a year since Zam-Buk worked a cure in my case, and there has been no return of the eczema."

Purely herbal in composition, Zam-Buk is a sure cure for all skin diseases, cold sores, chapped hands, ulcers, blood-poisoning, varicose sores, piles, ringworm, inflamed patches, cuts, burns and bruises. All druggists and stores sell at 50c. box, or post free from Zam-Buk Co., Toronto, for price.

We are extremely surprised that the farmers along the Beaver river, whose farms suffer from the spring freshets haven't applied to the Ontario Government for a grant to dredge the river. They applied last year for a grant but were told that it was too late but that they could get a grant by applying the following year. We think that it would be only fair for the township council to give three or four hundred dollars towards the project. Hundreds of acres of Euphrasia's best soil is lying dormant at present on account of it being inundated most of the year. We will have to form a booster club and get busy right away.

Mr. George Hutchinson, of Heathcote, on of Euphrasia's most popular young councillors, was a caller in our burg on Monday.

TRAVERSTON

(Special to The Standard.)

'Tis blessed St. Patrick's Day, as we pen this. Erin-go-brach!

The joys of a glad Easter rest on all Standard readers.

The roads on Sunday were impassable for some parsons and Drs., but not for ardent lovers.

Half the people of the countryside are sufferers from colds, influenza, bronchitis or grippe. Among those who have suffered worse are:—Mr. Peter Watson, Mr. Jas. Ryan, of the 9th con., Mr. Mike Quillinan, Mr. Will Jack and Grandma Edge. Mrs. John O. Greenwood is in Durham undergoing medical treatment for very sore and inflamed eyes. Charlie Smith was threatened with appendicitis, but is recovering.

There was a perfect exodus from this vicinity last week. On Monday Mr. E. W. Hunt had a dozen neighbors with big loads convey his household goods and farm implements to Markdale, where they loaded two big cars. He and family left next day for McGee, Sask. On Wednesday Mr. Will Sweeny left to take charge of Mr. F. Darcy's big farm. On Thursday neighbors on the 5th shipped Mr. Abel Wright's effects to Markdale, and he leaves with family this week for Kerrobert, Sask. The same day, ten neighbors along the 6th con. moved Mrs. T. E. Blair's household goods to Durham, as her hubby intends to follow railroading. They have rented the farm to Mr. Thos. Glencross, who is moving in this week. Geo. Gray, of the 4th, left on Thursday too, for Regina. That means that thirty-four out of Zion's congregation have moved elsewhere since the New Year began. And no new comers take their places.

Timmins Bros. are enterprising fellows. They have rented Mr. Chas. Vaughan's 200-acre farm above Glenroaden.

Mrs. James Nelson, with three members of the family, are away on a visit to Mrs. Nelson's mother near Galt. The latter is not expected to live many weeks.

We boiled our first sap of the season on Friday last; but the cold snap has stopped the "flowing sweetness."

Quite a few were left lonely on Tuesday, so many going to the West, Messrs. Hugh and Sam Miller, Misses Fannie Cowan and Jennet Lepard, Messrs. Ed. and Geo. Johnston of Goring, all went out Monday to load their car.

A quiet wedding took place at the manse in Markdale on Wednesday last, when Mr. John Miller, of Beaverdale, and Miss Laura Love, of Manitoulin Island, were married. The ceremony took place at two o'clock, and the young couple were unattended. They returned to the home of the groom's parents, where a dainty wedding supper awaited them, only the immediate relatives of the contracting parties being present. Later they returned to their own home. We wish them a happy and prosperous wedded life.
