Advice about Stomach Troubles and how to relieve them.

Don't neglect indigestion, for it may lead to all sorts of ills and complications. An eminent physician once said that ninety-five per cent of all ills have their origin in a disordered stomach.

Our experience with Rexall Dyspepsia Tablets leads us to believe them to be one of the most dependable remedies known for indigestion and chronic dyspepsia. Their ingredients are soothing to the inflamed membranes of the stomach; Rich in Pepsin and Bismuth, two of the greatest digestive aids known to medicine, the relief they afford is very prompt. Used persistently and regularly for a short time, they tend to relieve pains caused by stomach disorders.

Rexall Dyspepsia Tablets help insure healthy appetite, aid digestion, and promote nutrition. As evidence of our faith in them, we ask you to try them at our risk. If they do not give entire satisfaction, we will return the money you paid us without question or formality. Three sizes, 25 cents, 50 cents, and $1.00.

Microbes in Your Scalp

Authorities say that a microbe causes baldness. If you are losing hair try our remedy at our risk.

Professor Unna, of Germany, and Dr. Sabournud, the great French Dermatologist, claim that a microbe causes baldness, and their theory has been verified by eminent scientists. This microbe destroys the hair follicles, in time causing the scalp pores to close and the scalp to become shiny. Then, it is believed nothing will revive the growth. If treated before this occurs, baldness may be overcome.

We know of nothing that has given such universal satisfaction in treating the scalp and hair as Rexall "93" Hair Tonic. It has been designed after long study to overcome the cause of falling hair as discovered by Prof. Unna, Dr. Sabouraud and other scalp and hair specialists, and we believe it will do more than anything else can to remove dandruff and stop falling hair; and if any human agency can promote a new growth of hair it will do that, too.

We want you to make us prove it. We will pay for a month's treatment of Rexall "93" Hair Tonic used during a trial, if you will use it according to directions, and are not thoroughly satisfied. When we will do this, you surely should not hesitate to at least try it.

Start the treatment today. Your mere request will get your money back if you want it. Two sizes, 50c and $1.00.

Caesar--Thompson.

On Tuesday evening, March the fourth, a very pretty wedding took place near Harkaway at the home of Mrs. M. E. Thompson, when her eldest daughter, Marie, became the bride of Mr. Archie A. Caesar, of Artemesia. The ceremony took place under an arch of evergreens and roses, Rev. J. R. Wilkinson officiating. Miss Ethel Belshaw, cousin of the bride, played the wedding march. The bride, who was given away by her brother, Mr. Chas. Thompson, was prettily gowned in cream chameuse silk with trimmings of silk allover, bead fringe and pleating, and carried a bouquet of lillies of the valley and maiden hair fern. The bride and groom were unattended.

After the ceremony and congratulations the bridal party repaired to the dining room, where a sumptuous wedding supper was partaken of. The remainder of the evening was enjoyably spent by all in music and singing. The presents were numerous, costly and useful, the groom's gift being a handsome locket and chain.

Many sufferers from rheumatism have surprised and delighted with the prompt relief afforded by applying Chamberlain's Liniment. Not one case of rheumatism in ten requires any internal treatment whatever. The liniment is for sale by R. L. Stephen.

Light Sentence for Shameful Crime

One of the most sickeningly revolting cases ever unearthed in this district was ventilated before Judge Barrett at Walkerton on Saturday last, when a family residing near Hepworth in Amabel Tp., were shown to be living in a most immoral and degraded state. The father of the family lost his wife some years ago, and together with his two daughters and one son has been living under the one roof in Amabel. The fact that both of his daughters, who are unmarried, had become mothers of children, aroused the neighborhood and many letters touching on the matter, poured into the office of Crown Attorney Dixon. As a result of such tidings an investigation was held, and a charge of incest was lodged against the brother. On being arraigned before the court the accused pleaded guilty to having had immoral relations with his 17-year-old sister, the latter of whom gave birth to a child on February 5th last. The girl, who was summoned, also admitted the culpability of her brother, and told a most revolting story to the Court. As the result of such evidence, Judge Barrett found the brother, who is over 16 years of age, guilty of incest, and sentenced him on Saturday to one year in the Central Prison.—Herald.

Albert Haney, of Dundalk, has moved to Toronto, and will follow the building business.
