on Friday, May 2nd, Mrs. Bert-ram Henry with her. Afterwards, second and fourth Wednesday. Hon. I. B. Lucas returned to the city on Monday morning, having spent the week end at his home Mrs. Lucas also returned home last week and will remain.

Early Days in Grey Co.

The Toronto Globe recently contained the following racy sketch by Miss Emily Weaver from which we extract the following: This county bears the name of

the Liberal nobleman, Earl Grey, who was Premier when the great Reform Bill of 1832 was passed by the House of Parliament. Grey: s a huge county of sixteen townships, the western ones once forming part of Wellington and the others of Simcoe. It was set apart n 1852.

Grey itself, was not one of the ounties earliest settled. In 1840. t had no white inhabitants, except twenty families in St. Vincent and Collingwood townships, but the following year saw the beginning of settlement in Derby and Sydenham (named after the first Governor of the United Canadas. In 1\$42 a man named Stephens arrived from Toronto at what is now his port- Foreign Mission Secretary of the going. Presbyterian Church in the United store, a potashery, a gristmill and the important lake port of Owen saw mill at Inglis. Falls. Two years years later the steamer plying between Sarnia and Sturgeon Falls, in Simcoe county, began to call at Owen Sound, which was destined in a few years to become laws and are arraigned for minor one of the most important ports offences for the first time will be and shipbuilding centres on the more leniently dealt with here great lakes. In 1875 was organized the company which constructed the great dry-docks at Owen

Sound, but already, twenty years earlier, the town had received an impetus to its growth in becoming the county seat. The county buildings were erected in 1853, but the jail was remarkable for its inse-From very early days Grey was

1837, but the outbreak of the resurveyor of the Canada Company claim of Owen Sound to be counthe county in a southeasterly direction and a fourth was the Northern road, leading from Collingharbor to Owen Sound and thence to Saugeen in Bruce county. About 1861 these four roads which reached every part of Grey were gravelled at a cost of \$300,-000 and the people had a right to take pride (as they did) in the fact, that there was not a tollgate within the limits of the county.-From the roads, settlement gradually extended in every direction. Being "a hardwood county," Grey

had no lumber to export, and from the first the settlers depended on the cultivation of the soil, ttendance dren to spare the robins.
