TRAVERTON

Last year's 'twas downpour after downpour, this season the farmers would be grateful for even a lenth of the rainfall. Truth to tell, while spring crops are growing fast and looking well, the outlook is very poor for the hay crop and pastures are scant indeed.

Heritage of Empire.

The deep interest now being manifested throughout the Dominion, as to the form in which Canada's future naval power shall develop, demonstrates the growing sense of responsibility and realization of a common heritage of Empire, by a young and powerful nation.

Will They Stay?

Will the efforts of H. C. Duff when he labored and brought out a band of 100 practical men from Scotland, placing them on the farms of Grey County, be wasted? Such a thing is possible and may easily occur.

Mrs. W. E. Perkins.

At West Toronto on Thursday, June 5th, Mrs. Artimissa Perkins, relict of the late W. E. Perkins, passed away at the age of 73 yrs. The deceased, up to a few years ago, was a resident of Dundalk and well-known and very highly esteemed here.

The Tent Caterpillar.

That the Tent Caterpillar is doing serious injury to the fruit trees of Markdale district is quite apparent. In order that it may be controlled, it is necessary to know something of the life history and habits of this pest.
