THURSDAY, JULY 10th, 1913.

Pay Adequate Salaries.

should a linture generation be forced to pay assessments to men this prosperous period? We do not believe in pensions to public officials, but we do believe in paying them adequate salaries and then letting them take chances like have returned from speciments in 6ther workers. Why single out the school teacher for future favors Miss Myrtle Hemphill vand ignore the hired man on the friends in Dundalk recently. farm, the mechanic in the factory,! the clerk in the store or the, em of days in Eugenia, the latter part ployee in the printing office? What divine right has the teacher with such good sularies as are paid in these days over the toilers to which we have 'referred' and all others who earn their bread by the sweat of their brow? The writer saved \$3000 in ten years as public school teacher and began in 1868 at a salary of \$320 and during that time was married and had a family of three children. Trustess should pay teachers, adequite salaries and in poor sections where it would be a hardship to pay a proper salary the Government should make a sufficient grant. No, don't make dependents Miss P. Newton, of Buffalo, is of school teachers by providing the guest of Miss Allie Wilcock. pensions. It is an insult to their Mr. and Miss Snowdown, of dignity and to their ability to provide for themselves. Better to Mr. D. McLeod's and other reiateach them to practise economy and make the same provision for old age that other wage earners
