Luxurious Surroundings.

Looking over the flowers an evergreens which are banked up against the terrace, the floor space seems to be a living bed of blossoms, with here and there a palm rising from it. The flowers are all amove, for they are the hats of the pretty women who sit in the green cane chairs and drink tea and eat cakes and chatter to one another. The men-for, of course, there is a reasonable sprinkling of the uninportant sex—are the dark-colored lots amid the rainbow sea.

There are small tea parties and large tea parties, the latter grouped at three or four tables, the hostess moving from table to table to chat with her guests. And the waiters threading the maze tables and chairs carry silver trays with delicate china cups and teapots and plates with thin slices of stories as a pagoda, and on each story different delicacies prepared by the patissier, and wooden platters on which are the cakes of oral Omnibus Co., which has 2,600

every imaginable kind. No tea party given in a private house has such luxurious surroundings. All that the hostess has to do s to ask in the morning that tables for her guests shall be reserved. time comes near, to pay the bill of half a crown a head which the head waiter will present to her.
